an attorney for the railroads and against the employes and workmen. As a man he has always been an exclusive overbearing aristocrat, who considered a poor man little above a brute.

Whether he said the particular things charged against him or not is of small consequence. We know from his whole line of conduct what his sympathies, his aspirations, his sentiments are. Workmen will not vote for such a man.

"One of the surprises of the campaign is the way in which the farmers are standing side by side with the workmen in defense of the tariff."

The above occurs in a long New York dispatch to the Philadelphia Press, republished in the Oregonian.

It must be a "surprise," if true, that either farmers or workmen are standing "in defense of the tariff." We don't believe it. We don't believe they are fools. The result will show.

OVERWHELMING PROOF.

Of the Superiority of Electricity in the Cure of Diseases by Drs. Darrin—Who Can Doubt When so Many of Our Citizens Testify?

So much has been said in praise of Drs. Darrin and their new method of cure by electro-magnetic treatment, that it seems useless to add further proof. Still, we had occasion to meet the most of the following named people, and from their own lips find their cures to be genuine, and that no exaggeration of their cases occur.

In the main Drs. Darrin use electricity and animal magnetism, applied or imparted by their own hands to the diseased by rubbing or manipulations. They do not, however, rely wholly upon this, as they use medicine in special cases. Some people who have not received treatment pronounce them great humbugs, while hundreds of others speak of them in terms of the highest praise.

A Loathsome Catarrh Cured.

Dr. Darrin, Dear Sir—July 31 came to you for treatment for a disagreeable case of catarrh of seven years standing. My head and throat was thoroughly diseased, and it had deranged my stomach and bronchial tubes to that degree that I was partially incapacitated to do my work.

Card From Mr. Hesse.

Mr. Editor, Sir—For two years prior to calling on Dr. Darrin I had been seriously afflicted with liver and kidney complaint dizziness and pains all over my system. I was almost wholly unable to attend to my work as farmer, and was dragging out a miserable existence, until coming under Dr. Darrin's electro-magnetic treatment.

Could Not Rise from His Chair.

Dr. Darrin, Sir—I am one of the lucky ones cured by you of a pain in my back of four years' standing. At times I could not move or raise from my chair. Can be seen at Seaside, W. T. A. JACKSON.

More Cures by Drs. Darrin.

Mrs. W. H. Austin, The Dalles, Oregon—Confined to her room nine months with an eye affliction, called "nervous abhorrence of light," accompanied with inflammation, cured.
