ED BENTLEY ARRIVES HOME.

Reaches Pendleton from England After Sailing Before the Mast.

Ed Bentley arrived home this morning from England, having been on a sea voyage from Portland on the Sofia, on which he was shipped as a sailor before the mast. Ed has an interesting story to tell of his experiences. He sailed from Portland last fall, and crossed the bar of the Columbia on September 24. The Sofia was out at sea more than a month, and he had 120 days nearly consumed in the voyage from the Pacific coast to England, and picked up the crew of a lost vessel while at sea.

Young Bentley's safe return was quite a relief to his family. He is a native of this city, and his father, Mr. and Mrs. J. M. Bentley, who were greatly concerned for his welfare.

Ed will be a hero for many a day, and will have tales to tell surprising in interest those of any young boy in Pendleton.

For Nearly Two Years Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the people getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. His cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 3 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think this would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, as I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. THORNS, druggist, Buffalo, N. Y.

Sold at 25c, 50c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s 2d, 2s 3d, 4s 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We warrant the above guarantee. W. H. HOOKER & CO., Proprietors, New York.
