HEAVY WHEAT SALES. Market Has Been on a Basis of 44 for

No. 1 Club. In this place during the last week or ton days about one hundred thousand ashels of wheat has been sold, of all rades. The top market price has seen 44 for number one, although but fow sales at that figure have been made. The fact has developed during this last movement of wheat that the greater part of the wheat grades under number one. With fifty-eight as a basis for number one, the grades are established at one cent for each pound off under 58, down to 55 pounds, and

cents for each pound under fifty-five This method of grading appears to have been universally adopted by the buyers, in lieu of the former method of grading number one, two, three and A reliable wheat man, actively en-

taged in the business in this town stated today that it was safe to esti-mate one million bushels of wheat as the amount remaining unsold in this sounty, this wheat being mostly of the 1899 crop, and more or less of former years. One farmer alone, W. H. Reeder, of Athena, is known to have in the warehouses fully one hundred thousand bushels, which he is holding at the present, of wheat raised upon his

J. H. King, of Helix, has sold his two last crops, which he had been holding, receiving for the lot on the basis of 41 for club and 40 for the Fife

T. J. Kirk, of Athena, has just sold sixty thousand bushels of wheat, of former crops, which he had held during the winter. Quite a number of other armers of Athena and vicinity have tarmers of Athena and vicinity have said during the present week, the ag-gregate probably reaching over one landred thousand bushels. Dave Taylor, a wheat buyer of that town, stated today that prices had ruled dur-ing the week from 39 to 43 cents for
