# CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy. Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, or but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—it is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters.

The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe and stubborn form of cancer or ulcer on your tongue develop from a sore or ulcer on your tongue or other part of your body; a slight bruise or hurt, a little pimple on the eyelid, lip or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Mr. E. Shire, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the eye on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and become much inflamed. At the same time the sore began to spread and eat into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I began to use S. S. S., and after taking several bottles the Cancer healed, and there has been no sign of the disease. This was two years ago, and I am still enjoying perfect health."

## A Mother's Plain Words

"I suppose you will be astonished when I tell you that six years ago I was in a most deplorable condition with bronchitis and lung trouble, because you can see how well and strong I am now. The attack at that time caused intense suffering in my chest and lungs. I could hardly move, and to sleep caused intense suffering. Someone advised Acker's English Remedy, and I tried it, although I confess that faith in it, the first bottle gave great relief, and the second bottle made me the healthy woman I am today. My husband's lungs are weak also, and he cured himself with the same grand old remedy. Our boy and girl have both been saved by it from death by croup. I know this is so, for when they were attacked in the night I had a bottle in the closet, and I confess that faith in that foal remedy was easily overcome. We always give it to the children when they have a cough or cold, and we would not be without it for anything. My sister will tell you also, if you ask her that it is a medicine that can always be depended upon for all the troubles of the breathing organs. I tell all our neighbors about Acker's English Remedy whenever I get a chance, and there are plenty of people around Mechanicsville, N. Y., where I live, who would no more think of going to bed at night without a bottle of it in the house than they would of leaving their doors wide open. As I look at it, parents are criminally responsible when they allow their children to die under their very eyes every time."

(Signed) Mrs. FLOYD FOWLER.  
Acker's English Remedy is sold by all druggists under a positive guarantee. Each bottle will be refunded, in case of failure, 50c, 75c, and \$1 a bottle in the United States and Canada. In England, 1s. 6d., 2s. 6d., and 4s. 6d.
