And now it is said President McKinley's health is not very good and on this account it is necessary for the republicans to nominate a strong man for vice-president.

New York is rapidly becoming the money mart of the world. Recently the bank of France needed money with which to finance the business attracted to Paris by the exposition in that city.

The other day, on a railroad train, W. J. Bryan met for the first time Frank Monnett, the late attorney general of Ohio, and a republican, who was politically degraded by Mark Hanna for enforcing the anti-trust law against the Standard Oil Company.

In Umattila county the two tickets are running neck and neck. There are only a few certainties on either ticket. No candidate on either ticket will have a large majority.

But we are not blind to the fact that labor riots are not deliberately organized. They are spontaneous outbreaks of lawlessness and disorder in reckless protest against more subtle wrongs and more insidious lawlessness.

Four times has the occupant of the White House been a candidate for reelection against the man he defeated four years before, says the Verdict. Never yet has the president been successful in the second contest.

would never have existed but for the energy of the congregation which caused it to be erected. To tax the church building, therefore, is to put a burden upon church building. It is to discourage the erection of churches. And if the tax be in proportion to the value of the building it has a tendency to discourage the erection of good buildings.

Card-playing is said to have well-nigh died in England. Ladies over there seldom play now, and the men confine themselves to occasional games of piquet, while bacarat is restricted almost entirely to the gambling-rooms.

Dr. Pierce's Golden Medical Discovery cleanses the blood of the poisons which feed disease, cures diseases of the stomach and enables the proper assimilation of food.

# SORES and ULCERS

DRAIN THE SYSTEM, ENDANGER LIFE.

That old sore or ulcer, which has been a source of pain, worry and anxiety to you for five or ten years—maybe longer—doesn't heal because you are not using the proper treatment, but are trying to cure it with salves and washes.

A sore heals promptly when the blood is in good condition, but never if it is diseased. The tendency of these old sores and ulcers is to grow worse, spreading and eating deeper into the flesh.

A Gunshot Wound. Some years ago I was shot in the left leg, receiving what I considered only a slight wound.

S. S. S. is the only purely vegetable blood purifier known; it is made of roots and herbs of wonderful purifying properties.
