CELEBRATION PLANS MOVE FORWARD.

Saturday Night Meeting Hears Reports

School Track Team Will Again Seet Normal Students in Field Events.

Assistant Principal Roy Conklin, of the Pendleton public schools, will take his track teams of six young men to Weston for the sports on Saturday next. The Pionecer's annual reunion is to be held there during Thursday, Friday and Saturday, and the contests between the Pendleton school pupils and those of the normal school are to take place on Saturday.

The field day sports here the other day resulted in a sweeping victory for the home team, and the desire was expressed on the part of the Weston boys for another opportunity, which will be granted on this occasion.

It is likely that quite a number of poople will go from Pendleton during the reunion, and the presence of the two athletic teams in their field day sports will probably tend to attract a number in addition.
