HORTON'S WORK WELL DONE.

It is Found That His Census Enumeration Has Been Thorough.

After making considerable investigation, it is ascertained that the census enumeration done by Harold H. Horton, in the second and fourth wards, which comprised his district, has been well done, and if any persons have been missed, they are very few and far between. In response to the request made in these columns, that all persons in those wards who had been missed leave their names at this office, several who thought they had been overlooked complied with the request and the names were referred to Mr. Horton, who in every instance but two cases found that he had sent in their names, having obtained the information from others for the reason that when he called several times the person were not at home or in their places of business. Besides the two, no others have been found who have been overlooked in the second and fourth wards.

For Nearly Two Years Unable to Lay in Bed

"In my capacity as druggist, in Buffalo, N. Y., I have the best opportunity to judge of the merits of many different remedies. I am in close touch with the sick, who come into my store for medicines, and most of them tell me how they are getting along. Of all the hundreds of preparations which I sell, not a single one begins to give as much satisfaction as Acker's English Remedy for Coughs, Colds, Bronchitis, Asthma, Pleurisy and Consumption. I sell it on a distinct guarantee that it will cure, or the purchaser's money will be returned. This is a perfectly safe guarantee, because the remedy does cure. Nobody wants his money returned. His cures are nothing short of marvelous. Take the case of Mr. A. H. Gilbert, for instance. He lives at No. 5 Carey street, Buffalo, N. Y. For more than three years he had a bad case of asthma, and had been unable to lie down in bed for nearly two years. He came to my store and asked me what to do. I said: 'Take Acker's English Remedy.' He said he had tried other remedies and didn't think they would help him. But he thinks differently now. Three bottles fixed his asthma all right. He could sleep and eat after taking them, as well as when a boy. He was cured several months ago, and is well yet, so I am certain his trouble is gone for good. You can write to Mr. Gilbert himself, if you doubt my word. He will go further than me in praising Acker's English Remedy." (Signed) S. B. Thorne, druggist, Buffalo, N. Y.

Sold at 25c., 50c. and \$1 a bottle, throughout the United States and Canada; and in England, at 1s. 2d., 2s. 3d., 4s. 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York.

PERSONAL MENTION

A. D. Stillman left Saturday night for a short visit in Salem. C. H. Carter is in Salem, having business before the supreme court. George H. Snell, of Walla Walla, is registered at the St. George hotel. Judge J. J. Halleray has gone to Salem to appear before the supreme court. Mrs. E. Marshall, who has visited in San Francisco for several months, came home Saturday evening. W. H. Lowden, of San Francisco, a well known general manager in the insurance business, spent Saturday and Sunday at Bingham Springs. Frank L. Hunter, H. E. Parkhurst, A. W. Giesy, and N. B. Whitney, insurance special agents, are guests at the St. George hotel, and will remain for a week or two, until crop insurance has all been written. Miss Eva D. Froome, who has graduated from the State Normal school at Monmouth, Oregon, has returned home. She will go from here to Athens to visit for a time with relatives. Miss Froome is quite enthusiastic in praise of the management of the Monmouth Normal school. A NUMBER OF BURGLARIES. Pendleton Visited by Thieves, Who Seem Everything But Cash. The sheriff and police have been apprised of the perpetration of several burglaries during the past two nights, in this place, in which the burglars incited people have taken absolutely nothing but money. They apparently intend to make it difficult for the officers to trace them, and therefore take no goods or chattels. Douglas Armstrong reports the loss of \$190; Gus Stanger \$25; Mr. Thompson \$40, and two Chinamen small sums of \$10 or less. All this stealing was done in the residences of the persons mentioned and no one knows anything about who did it. Deputy Sheriff Davis received telephonic information from Chief Kauffman, of the Walla Walla police force, today, saying that he had found a gang of hoboes with a number of watches, but had located them all in that city and returned them to their owners. It is not thought they are the ones who burglarized here.

MILTON NOTES.

The following items are from the Milton Eagle of last Friday: Postmaster F. E. Wilcox is in Pendleton working in the assessor's office. Prof. Penneck and wife are in Pendleton, looking at a dress, the source of property which they contemplate purchasing. The little 2-year-old daughter of A. Spangler was seriously burned yesterday by upsetting a bottle of carbolic acid on her left hand and arm. Dr. Thomas was called to dress the burn and the little one is doing nicely. Mrs. Ellen Matilda Chapman, wife of Geo. Chapman, died Saturday, June 16, 1900, at her home six miles above Milton on the Walla Walla river of thrombosis of the heart, at the age of 27 years, 9 months and 8 days. She was born in Knoxville, Tenn., in 1872 and in 1880 came with her parents to Walla Walla. She leaves a husband and two small children.
