COLIS P. HUNTINGTON DEAD

He Dies in the Mountains From Heart
Trouble.

H. E. HUNTINGTON WILL SUCCEED HIM

Death Caused a Great Sensation in Railroad
and Stock Circles in San Fran-
cisco and New York.Utica, N. Y., Aug. 14.—Colis P.
Huntington, president of the Southern
Pacific railroad, died at Pine Knot
lodge camp, in the Blue mountain
region, early this morning. It is sup-
posed his death was caused by heart
trouble, as he had been a sufferer from
the disease for some time.

The News in San Francisco.

San Francisco, Calif., Aug. 14.—The
news of Colis P. Huntington's death
created a great sensation in this city,
where his movements, both in rail-
road and private life, have been
watched with keen interest. H. E.
Huntington, Huntington's personal
representative in this city, it is
thought here, will succeed to the
management of his uncle's vast pos-
sessions.

The News in New York.

New York, Aug. 14.—The news of C.
P. Huntington's death came as a sur-
prise to his many friends and acquain-
tances in this city, and particularly
in railroad and stock circles. Mr.
Huntington received considerable attention
and created speculation.

Sketch of His Career.

Colis Potter Huntington was born in
Harwinton, Litchfield county, Con-
necticut, Oct. 22, 1821. He was edu-
cated in a local school, and in 1841
freedom from his father when fourteen
years of age by promising to support
himself, and, engaging in mercantile
business, spent ten years in traveling
through the south and west, subse-
quently settling with an elder brother
in Ontario, New York. In October,
1848, the brothers made a shipment of
goods to California, which Colis fol-
lowed in March. After spending three
months in trading on the isthmus, he
began business in a tent in Sacramento,
dealing in the various articles that are
required in mining. He then opened a
general store, and in 1850, after a
year's experience, he became associated in
business with Mark Hopkins, and in
1860 matured a scheme for a trans-
continental railroad, Leland Stanford,
Charles Crocker and Mr. Hopkins hav-
ing united with him in paying the ex-
penses of a survey across the Sierra
Nevada mountains. Five men organized
the Central Pacific railroad company,
of which Mr. Stanford was elected
president, Mr. Huntington, vice-presi-
dent, and Mr. Hopkins, treasurer.
After Congress had agreed to aid the
scheme, the company issued bonds. Mr.
Huntington and his associates carried
on the construction of the railroad out
of their private means until the bonds
became available by the completion of
the stipulated mileage. In addition to
this, Mr. Huntington, Mr. Stanford
and Mr. Hopkins had agreed to build
and perfect the whole Cali-
fornia railroad system, which extends
over 9000 miles of steel track, built
an Atlantic system, which, by the
Southern Pacific railroad and the
Chesapeake and Ohio railway, forms a
continuous line 4000 miles long from
San Francisco to Newport News,
Virginia, and developed an aggregate
of 10,000 miles of steam water lines,
including the routes to China and
Japan. He was a wonderful man, both
mentally and physically, and he had
few equals in the railroad world.

Left a Fortune of Forty Millions.

New York, Aug. 14.—Huntington's
death had little effect on the general
stock market. Some large lots of
Southern Pacific came out in the
initial transactions, but were promptly
taken by the banking interests,
known to represent the late million-
aire, and the price of Southern Pacific
soon rallied from its one point decline.
Wall street estimates the fortune of
Huntington from \$40,000,000 to \$50,-
000,000.

THE HUNBERT ASSASSINATION.

How it Fell to the Lot of Brasil to Do the
Killing.New York, Aug. 14.—An Italian
newspaper received a letter, signed
"Luigi Alfieri," saying: "On May
1, I was called for the infamous en-
terprise. Gaetano Bresci won the
chance for assassination of the king of
Italy and the second one was drawn
by Arturo Giovannelli for the killing of
President McKinley. Lots were drawn
to kill the Emperor of Germany, the
Emperor of Austria and the President
of France."

Makes \$5,000 Circus License.

Portland, Aug. 14.—The city council
passed an ordinance making the li-
cense for circuses \$5,000 for each per-
formance. A councilman stated that
the license was placed at a practically
prohibitive figure for the purpose of
preventing a circus from performing
here during the week of the Elk's
street fair in September.

German Commissioner Arrives.

San Francisco, Calif., Aug. 14.—A
commissioner appointed by the German
government to investigate the German
transport service at this port has ar-
rived here. There is a fleet of ten
steamers on the way to San Francisco.
The steamers will begin arriving, it is
expected in 30 days.

Insurgents More Active.

Manila, Aug. 14.—Reports from the
Visayas islands show there has been
increased activity among the insurgents
there during the last six weeks. The
American losses in the island of Panay
last month are greater than any month
since January last.

Murderer Confesses.

Seattle, Aug. 14.—A special to the
Times from Dawson, dated August 2,
says: Alexander King has been ad-
judged guilty of the murder of Herbert
Davenport, of Patterson, N. J., and
sentenced to be hanged here. The murder-
er has confessed the crime.

United States Senator John J. Ingalls,
who is in Las Vegas, N. M., for his
health, is sinking rapidly.

CLEVELAND OPPOSES THIRD TICKET.

He Was to Be Made a Candidate of the
National Party.Indianapolis, Aug. 14.—The execu-
tive committee of the imperialist
league met here this morning to
arrange a program for the convention,
which will open tomorrow. The
nationalists who are anti-imperialists,
but also anti-silver, anti-Bryan and
anti-McKinley, whose avowed purpose
is to swing the anti-imperialist league
members to their support, in nominat-
ing a third ticket, met this morning.
There has been talk of nominating
Grover Cleveland for president, and
some of the nationalists say he is in
sympathy with the movement. Robert
A. Widemann said this morning he
had talked with Cleveland and that
Cleveland would not accept—on ac-
count of his health. It is claimed that
one of the delegates has received a
letter from Cleveland announcing that
he is opposed to a third ticket.

Anti-Imperialists Meet.

Indianapolis, Aug. 14.—The plat-
form of the anti-imperialists, who are
to assemble in national convention
here tomorrow, it is said will be as fol-
lows:

First—Independence and protection

to the inhabitants of Cuba, the Philip-
pines, Porto Rico and Hawaii.

Second—The single gold standard

and a sound banking system.

Third—The abolition of all special

privileges.

Fourth—Public service based on

merit only.

The call is addressed to all opposed
to the candidates and platforms of the
republican and democratic parties.

Bryan is Photographed.

Chicago, Aug. 14.—Bryan closeted
himself with a photographer and de-
veloped the pictures. He was seen in
the city, and again parts of the speech
of acceptance he made at Indianapolis
last week. Those sections in which
the candidate promised to call an extra
session of congress to deal with the
Philippine question and the closing
periods were the principal parts of the
speech that went into the photograph.

It is expected Bryan's speech

will play an important part in the cam-
paign.

Negroes to Support Bryan.

Chicago, Aug. 14.—Bryan had a confer-
ence here with a delegation of
colored men, headed by J. Milton
Turner of St. Louis, former minister
to Liberia. They represented that
there was much dissatisfaction among
members of their race with the present
administration and assured Bryan that
he would receive the votes of many of
them. They therefore urged the im-
portance of the organization of Bryan
democratic clubs.

Soldiers Reunion.

Denver, Aug. 14.—Today's celebra-
tion by the society of the army of the
Philippines began with a parade, in
which the grand army of the republic,
the confederate veterans, the Spanish
American war veterans, the army of
the Philippines and the national guard
of Colorado took part. The army of
the Philippines had a thousand men in
line. Generals Branch, V. Greene,
Owen Summers and Irving Hale re-
ceived especially hearty greetings from
the crowds in the city.

Oregon City Enterprise.

Oregon City, Aug. 14.—Survey for a
motor line from Oregon City to
Canemah began this morning. Com-
pletion of this line would materially
affect the transportation business
through the locks at the falls, as boats
could then discharge freights and
passengers at Canemah.

NEW YORK MARKET.

Reported by I. L. Ray & Co., Chicago
Board of Trade and New York Stock
Exchange Brokers.There was another dull day in wheat
today and prices held within 3-8 of
the opening all day. Liverpool closed
higher, 6-8. New York opened at
80-1/2, and closed 79-3/4, touch-
ing 80-1/2, while primary receipts
continue liberal the shipments corre-
spond and no doubt the foreign demand
will take care of the surplus as the
Argentine shipments have dropped to
small proportions. This country
will have to supply an increasing demand
for the balance of the year. With the
United States crop short upwards of
one hundred millions of bushels and
France about eighty millions, the best
past prices in the trade predict that
present prices can not prevail much
longer and soon an upward let up an
advance is looked for. Stocks strong.
Money, 1/4.

DID HIS DUTY.

Believes it is Right to Whip His Wife
Occasionally.Edward Spencer, a well-to-do young
farmer, living near Trenton, N. J.,
has been fined and sentenced to six
months in jail for whipping his wife.
Spencer is very religious, professing
and preaching sanctification. He in-
sists that it is his duty, according to
the Bible, to whip his wife when she
needs correction. He admits his
scriptural right, but says that he has
administered punishment when she
was not to blame.

The Whole World Kin.

The Ogden Reporter on proving the
following may justly claim to be the
discovery of the "missing link":
"There is a carpenter at Logan, Iowa,
whose name is Groves. He has pecu-
liar family relations in that his son-
in-law is a cousin of President Mc-
Kinley, and his wife, Mrs. Groves, is
a cousin of the democratic nominee,
William Jennings Bryan. It is a
strange coincidence. McKinley and
Bryan perhaps do not know of the con-
necting link which almost makes them
related."

THE CHINESE ARE ARMING

All Ports Have Been Newly Supplied
With Modern Guns.

SIR CLAUDE McDONALD'S MESSAGE

Declares Under Date of August 5 that Food
Will Be Exhausted in Ten Days and a
General Massacre is Imminent.London, Aug. 14.—Chinese reports
are being distributed in the southern
provinces of alleged Chinese successes
in the north. Secret inquiries at Can-
ton show that all ports have been new-
ly equipped with disappearing guns
and that the garrisons number 18,000
men, armed with Mausers and Win-
chester and they are being thoroughly
drilled.

Message From McDonald.

London, Aug. 14.—The British con-
sul at Canton, says the Daily Tele-
graph's correspondent there, has re-
ceived the following message, dated
August 6, from Sir Claude McDonald,
British minister at Peking:"Our situation here is desperate.
In 10 days our food supply will be
at an end. Unless we are relieved a
general massacre is probable.""The Chinese have offered to escort
us to Tien Tsin, but remembering
Cawnpore, we refused the offer. There
are over 200 European women and
children in this legation."The Shanghai correspondent of the
Daily Express writing yesterday says:
"The allies at noon Saturday were
within 20 miles of Peking."

French Are Apprehensive.

Paris, Aug. 14.—Dispatches from the
French consul general at Shanghai
show that apprehension exists there as
to the conditions prevailing at
Shanghai. The French ministry have
decided to take precautions to defend
the French consular at Shanghai.
Information from British sources says
the allied troops were within 25 kilo-
meters of Peking, but the date of this
news is not given.

JACK DOYLE ARRESTED.

Charged With Selling Liquor to Minors

Walla Walla, Aug. 14.—John Doyle
of Freewater, Umatilla county, was
arrested in this city last night under
telegraphic instructions from Pendle-
ton on a charge of selling liquor to
minors. Doyle was locked up in the
city jail and will go to Oregon with-
out extradition.It seems that Doyle has been con-
ducting a saloon and gambling house
in Freewater for some time and that
two warrants are out for his arrest.
He has been very successful in dodging
the Umatilla county authorities and
has jumped in and out of Freewater,
selling liquor at will. He said to a
Union reporter last night:"I do not know what they have ar-
rested me for. I have not violated the
revenue law. I have always cancelled
all revenue stamps and the internal
revenue collector has inspected my
places frequently."Doyle will be taken to Pendleton to-
day.To Succeed Thurston.
Omaha, Aug. 14.—Gilbert M. Hith-
cock, publisher of the Omaha World-
Herald, printed in his paper this
morning a letter to the voters of Ne-
braska announcing that he will be a
democratic candidate for senator to
succeed John M. Thurston before the
next legislature.HERPICIDE
