the head camp session, except that its legislative acts had to be ratified by two-thirds of the camps before they became a part of the constitution. A very large majority of the head camp session was of the ordinon that the executive council was not only a useless body, but a dangerous body, and so amended the constitution that here-after there will be no meeting of the executive council. All of the powers heretofore exercised by the executive council, except those pertaining to legislation, have been vested with the

"A year ago two-thirds of the campa ratified amendments to the constitution whereby head camp sessions would be held every three years instead of each two years as heretofore, and fixing the basis of representation in the head camp session at 800 instead of 600 This action of the camps is reversed by the head camp session and meetings will be held every two years and the

busis of representation will be 600.

"The enermous growth and prosperity of the order during the last two wears, together with its promise of the future, warranted the reduction of the per-capita tax which at this session was reduced from \$1.80 per year to \$1.50, "Another interesting change has or

curred with reference to the success case of a vacancy in the office ead consul. Heretofore the constituor resignation of the head consul dur-ing his term, the head advisor would ing his term, the head advisor would succeed to the office, ex-officio, and in case of his declining to serve, or his resignation, the honors and powers would devolve upon the chairman of the board of head managers. The constitution is now so amended that in the elect of a vacancy in the office of head consul, the board of head managers will elect a new head consul for ers will elect a new head consul for the unexpired term, while the only power of the head adviser with regard to the matter is to serve pro-tempore uniti the election. The heard of head managers in addition to exercising su-preme financial control as heretofore. are vested with the additional powers heretofore exercised by the executive

"The personnel of the board remains the same as during the last term except that C. V. Henson, of Loveland except that C. V. Benson, of Loveland, Colorado, takes the place on the board made vacant by the resignation of John C. Baird, and temporarily filled by Judge Haines. I have been elected chairman of the board of head managers instead of Protessor Hawley who filled that position during the last term, and Latshaw is made chairman of the finance committee. Salaries reof the finance committee. Salaries re-main as heretofore, except that the head consul's has been raised to \$5000 per annum. In addition to his raise in salary. Head Consul Falkenburg resalary, flead Consul Fattenburg received very many handsome compliments. Among the number, being a
jewel, to cost \$250, voted as a mark of
its affection and esteem by the head
camp itself.

"No fraternal benefit society in the
