In the afternoon the Pendleton brass band will give a concert at the booth stand. In the evening it will be stationed on the arch.
The program will be announced in the East Oregonian from day to day.

A public marriage will take place on Wednesday the 19th at 1:30 p. m. at the north platform corner of Main and Alta. The ceremony will be performed by Rev. J. S. Buchanan of the Presbyterian church. The names of the principals in the marriage will not be

made public until they appear upon the platform.

Indian Relics and Curios.
The Indian relics and curios will be on exhibition in the main exhibit on the east side of Main street between Alta and Court. These collections will consist of the finest showing of the kind ever made in the Pacific northwest. Mrs. J. H. Kuntze, of Umatilla, values her collection at \$10,000. Mesdames C. J. Smith and F. F. Wamsley have two very handsome and valuable collections which will be shown. Joe V. Tallman and Major Charles Wilkins, Indian agent, have two collections which they have spent years in gathering, and which are valuable. Taken altogether these collections will be worth a careful examination by lovers of curios and the interested in the life history of the Indians in the United States.

Indian Wedding Saturday.
The Indian marriage will take place on Saturday, the day the Portland chamber of commerce comes. It will occur within the fair enclosure, at the reviewing stand, corner of Main and Alta streets.

Parade Prizes.
The parade committee has offered special prizes for the best decorated carts of the fire department, \$7.50 first, and \$5 second, and the firemen are going to compete for them.

The price of \$50 for the best and most typical float is causing considerable trouble to win that honor. In the parade on opening day, Tuesday, September 13, the Chinamen are making special efforts, and are spending between \$400 and \$500, sending to Portland and Walla Walla for men, and having bought a large quantity of elegant imported goods from China. They will furnish a fine feature for the parade.

All persons employing Chinamen in Pendleton are especially urged to allow them to be free at 8 o'clock Tuesday morning to prepare for the parade. And hotels and restaurants which have special Chinese help are also urged to let them off at 8 o'clock Tuesday morning for the same purpose.

Official Souvenirs.
Bob Fletcher has received the official souvenirs of the Pendleton street fair and harvest carnival and they are being worn very generally. The souvenirs are a pretty one, a carnival flag, seated in a crescent, surrounded by suitable wording, with the figures 1909 on a bar across the top. They retail at 25 cents each.

Hours of Opening and Closing.
The general exhibit on Main street and the Midway on Tuesday and each day thereafter will be open for admission of visitors at 11 o'clock a. m. and will close at 11 o'clock at night.

ARRIVAL OF MIDWAY SHOWS.
Attractions Which Outrival Anything of the Kind Heretofore Seen Here.
The Jubilee Midway shows arrived this morning and will exhibit during the week. George Jarlour is the manager. The Midway consists of a troupe of celebrated acrobats, one of the greatest features of the World's Columbian exposition. They include the streets of Cairo where will be seen 25 real Egyptian people and women from the Nile. The Egyptians are great athletes and their combats are interesting. In a real Egyptian mobman is with the show and appears daily in specialties. The women tell fortunes by the stars and in other mysterious ways.

The Oriental Theater.
La Belle Fatima is the central figure of seven shows of celebrated acrobats dancers from the land of the Pharaohs. The dance in vitro or Couche Couche, attained great celebrity at the world's fair, where La Belle Fatima won the gold medal for most graceful and artistic dancing.

Little Jesse, the 7-year-old Jay, has no equal as a contortionist. Her work is marvelous. Mr. and Mrs. Chamberlain give exhibitions of sharpshooting.

Mexican Theater.
The highest priced vaudeville artists from the land of the Montezumas will give a continuous performance. There is no more entrancing music than Mexican song with lute, mandolin and balbal.

Other Special Features.
In the menagerie will be found animals from every clime, including the following: "Jeffries" and "Fitzsimmons," the boxing kangaroos; "Nellie" and "Nero," trained lions; Moxie, Hagenbeck, king of trainers enters their cage daily, and puts them through their paces.

"Babylonian," the quivering mountain of flesh, will be surrounded by a band in which children may ride. Elk, camels, donkeys, and a whole menagerie of animals, wild and tame, compose the collection.

The German village is one of the most attractive features of the Midway. Another rare attraction of this congress is the daring trapeze act of Moxie and Madam Ceder, who have no equals in the world. This act takes place under the broad canopy of heaven. The Jap's slide for life is a good act, and the bicyclists never fail to elicit salves of applause.

KILL THE DANDRUFF GERM.
Of Your Hair Will Fall Out Till You Become Bald.
Modern science has discovered that dandruff is caused by a germ that digs up the scalp in scales, as it burrows down to the roots of the hair, where it destroys the hair's vitality, causing falling hair, and, ultimately, baldness. After Prof. Anna, of Hamburg, Germany, discovered the dandruff germ, all efforts to find a remedy failed until the great laboratory discovery was made which resulted in Newber's Heropide. It alone of all other hair preparations kills the dandruff germ. Without dandruff, hair grows luxuriantly. "Destroy the cause, you remove the effect."

COL. WOOD CALLS.

He is Met at the Door of the Press Sanctum and Rejoiced.
Col. "Nashy" Wood, of the West in Leader, was in town Saturday, says the Athena Press, and dropped into our lair with a premature concocted scheme of seeking "satisfaction." The editor was promptly met at the door of the Press sanctum by the fighting editor with an office stool in hand. This had the desired effect. "Nashy's" desire to break furniture and sponge-piled type with gore was instantly supplanted by an absorbing craving to sample our "Climax." It was the easiest way out of the difficulty, so we let him sample. Oh! he's easy. We'll wager a year's subscription against a tinno steerer's gold brick that with a 10-cent cut of "Climax" we could purchase the influence of his sheet for any purpose; and, further, if the influence was not considered enough, he would throw in his plant, subscription list and all. The only way "Nashy" can intimidate us is to go to Kentucky on a tie pass and get a reputation.

That Throbbing Headache.
Would quickly leave you, if you used Dr. King's New Life Pills. Thousands of sufferers have proved their matchless merit for sick and nervous headaches. They make pure blood and strong nerves and build up your health. Easy to take. Try them. Only 25 cents. Money back if not cured. Sold by Tallman & Co., druggists.

Prizes for Needle Work.
Mrs. T. C. Taylor has decided to offer two prizes for needlework exhibited at the street fair and harvest carnival. One prize of \$4 will be given for the best piece of embroidery and another of \$2 for the best piece of drawn work. In order to compete for those prizes it will be necessary that the article offered in competition shall have been embroidered and worked respectively by the person offering it.

Editors' Awful Plight.
F. M. Higgins, Editor Seneca, (Ill.), News, was afflicted for years with piles that no doctor or remedy helped until he tried Burken's Anus Salve. He writes two boxes wholly cured him. It's the surest pile cure on earth and the best salve in the world. Cure guaranteed. Only 25 cents. Sold by Tallman & Co.
