road so that this morning's express, No. 2, had to come around via Walla Walla. No parcels of the wreck had been obtained from the officials, but it is known that there are no fatalities in the wreck.

The advertisement of the Union Mutual Aid Society, in this issue, while making no reference to its plan of business, is one of the best that has appeared in this paper, showing as it does that its affairs are in the hands of some of the best business and professional men of the state, whose names are a guarantee of upright dealing.

John Baxter was fined \$20 by Recorder Beam this morning, and afterwards given three hours by Acting Marshal T. B. Wells in which to get as far away from Pendleton as he could be carried on a fast freight. Mr. Baxter had violated the laws of decency and his actions for the past week have been such as to warrant the belief that he is lacking in many of the nice instincts that enter into the character of a gentleman. It is not necessary to enter into particulars of the acts which made it necessary for the officer to take quick action.

Mr. and Mrs. Penland will reside on Willow street, between High and Bluff, in a pleasant home prepared by the groom.

Francis Frazier has been sick for several days at Hotel Pendleton, but is better today. Mr. Frazier's many friends have different reasons for his illness. Judge Fee says it is an attack of laziness brought on by lack of exercise. Tom Thompson says it is purely a case of indigestion. George Penner gave it as his opinion that he hasn't been "stepping" last Tuesday. All unite in hoping that it is not serious.

T. H. Howard, aged 76 years, father of Theodore F. Howard, the architect, was able to be out this forenoon, after having been confined to his home for several days from the effects of an accident. He was walking with N. Berkeley Wednesday evening in front of the Temple cottages on Bluff street, when he fell, tripping on a broken piece of sidewalk. He bruised the left side of his face seriously, likewise his right arm, and suffered the loss of considerable blood, so a pool formed where he had fallen.

A SUCCESSFUL ELOPEMENT. Couple From Button Creek, Forty Miles Away.

Emmet Corley and Miss Iney A. Simonton arrived in Pendleton at an early hour on Wednesday morning, obtained a marriage license on Thanksgiving and later in the day were united in marriage by Rev. W. B. Gray, of the M. E. church, south, the ceremony taking place at the home of T. B. Gurlane, in East Pendleton, a mutual friend of the couple. The wedding was the culmination of a tempestuous courtship. The father of the bride, it appears, was opposed to the marriage. A nephew of the groom arranged matters so that the couple could meet, which they did Tuesday evening. The groom had two good saddle horses at the rendezvous. The ride was a long one, from Button creek, 40 miles away, to Pendleton, but the principals buoyed up by love, made the journey in safety, although it took them the greater portion of the night. Their troubles were brought to an end upon arrival in Pendleton, where they have friends, who assisted in having the nuptial knot securely tied. Bride and groom are now enjoying their honeymoon.

ONE-ROUND PRIZE FIGHT. An Impromptu Affair This Morning Was a Divertissement.

A pretty little prize fight of one round was a divertissement this morning for a small number of spectators. It was almost impromptu, needed no

advertising and took place in Roynton's corner on Wash street. It was viewed by a number of prominent dealers in wheat, druggists, newspaper men and the profession of pugilism. Among the latter was Tom Scott, who headed the procession to the grounds and saw that the rules of the ring were observed. The names of the principals are not known, but it seems they are a couple of gentlemen who had had a slight difficulty the preceding night, and took to the ring for a settlement of their troubles. Neither principal was injured badly and the meeting had the effect intended—it settled the bad feeling between the men and now all is as pleasant as a morning in May.

Milton Couple Married. A. L. Fields and Anna Williams were united in marriage by Rev. T. M. Patterson at the Brown room, Friday, November 30, at 3 p. m. A large gathering of friends and relatives were in attendance. Marriage presents were abundant and valuable. An enjoyable season was the order of the day from the wedding march to the closing comic song and the music of the orchestra. Mr. and Mrs. Fields leave on the train this morning on their way to Portland where they will visit friends and also at other points in the valley. They will return to their home at Milton in about three weeks.

Williams, ex-United States attorney general, and Hon. C. B. Bellinger and Hon. W. E. Gilbert, of the United States court, on its board of trustees, and whose president is Hon. H. W. Corbett, is taking care of and placing in good homes abandoned, abused and cruel-treated children, thus securing to good citizenship many youngsters, who otherwise would in all probability go to swell the ranks of our army of criminals.
