SHOE STOCK MUST GO!

Having purchased the stock of the PENDLETON SHOE STORE, I will close the entire stock at big reduction in order to make room for new stock now ordered from the factories.

A Call to obtain prices will be convincing as to the bargains offered.....

"The Shoe Man."

Successor to Joe Klien, Main Street.

PEOPLE HERE FOR A DAY.

L. E. Roy, of Pilot Rock, is in Pendleton today and will leave tonight for the valley on a ten days' visit with his mother at North Yamhill. He says they had a little fire alarm in his blacksmith shop the other day, but it was extinguished after the floor had been torn up slightly, the anvil kicked over and other furniture disarranged. The number of patients suffering from smallpox is decreasing. Mr. Done has recovered so as to be able to be out on the streets and Elmer Gilliam is almost well at his home on East Birch creek.

Personal Mention.
F. D. Shields, of Portland, is a guest of the Hotel Pendleton.
Judge S. A. Lowell has recovered from an attack of neuralgia.
Alfred Rasch and wife, of Portland, are guests of the Hotel Pendleton.
Oscar Rust has returned to his ranch after having visited in Pendleton.

Mrs. A. W. Botkin, of Athens, was a visitor in Pendleton Tuesday evening.
County Commissioner T. P. Gilliland left this morning for his home near Ukiah.

Lee Held, secretary of the Hartman Abstract company, was able to be down town today after an attack of the grip.
The Misses Eleanor and Constance Despain are again in attendance at St. Paul's school (Episcopal) at Walla Walla.

S. B. Calderhead, general passenger and freight agent of the W. & C. railway, arrived this afternoon from Walla Walla.
County Commissioner Horace Walker returned on Tuesday evening to his home at Helix. He was greatly improved from an attack of lunabago.

G. F. Jackson, of Dayton, Wash., is a guest of the Hotel St. George. He owns 7000 head of sheep which gambol on the ranges of Columbia county.
Richard Van, well known as "Take Your Time" is in Pendleton this afternoon and will return home tonight. He is proprietor of a new restaurant at Weston.

C. A. Bott, V. A. Bott, Harlow Richmond, L. P. Gamble, Charles Aspaugh and H. R. Graham, all of Helix, composed a party that attended the Katie Emmett performance Tuesday evening and returned home today.

James W. Maloney, county recorder, is sick with the grip. He was at his office for a while this morning but after seeing that Charley Marsh, his stout deputy, was attending to the business, quietly stole away to his home.

L. M. Watrus, of Adams, was elected sergeant-at-arms of the state senate at Salem on Monday. The newspapers misspelled his name, but this is a case different from many others, and a trifling matter like that can be overlooked.

Eugene L. Smith is in the city from his farm home in South Cold Spring, 18 miles north of Pendleton. He has 1500 sacks of wheat, 300 Cox and 1200 bluestem, which he would like to sell for 50 cents per bushel. He will return this afternoon.

C. W. Avery, manager of the Bingham Springs hotel, and Chester Avery, of Corvallis, have been guests of the Hotel Pendleton. The latter returned Tuesday night to his home in the valley and the former left at 11 o'clock this morning for Bingham Springs.

Sam Sloan and C. C. Hendricks returned Tuesday night from Hot Lake, Union county. The latter is considerably improved in health. The former has been there for six weeks. He improved for four weeks, but caught cold then, so that his net gain for the six weeks was not great.

James H. Raley returned this morning from a trip to La Grande, where he was attorney in a case before the land office involving rights to the use of the waters of Olive lake, Grant county. Mr. Raley says that business is booming in the land office, many new claims being filed and much litigation over old claims.

Dr. W. R. Campbell, Charles H. Carter, Henry Craig and E. W. McComas intend to start on a wild goose hunt this evening. They will take the W. & C. R. railway to Wallula, cross the Columbia on the ferry, thence to the vicinity of South Yakima. Their action will be governed by the response to a telegram they sent.

Pepsin preparations often fail to relieve indigestion because they can digest only albuminous foods. There is one preparation that digests all classes of food, and that is Kodol Dyspepsia cure. It cures the worst cases of indigestion and gives instant relief, for it digests what you eat. Tallman & Co., leading druggists.

Picked Up Eight Men at Sea.
San Francisco, Jan. 16.—The steamer Hong Kong Maru arrived here this morning. She picked up, on the third day out from Yokohama, eight men of the crew of the wrecked Japanese vessel, Seisho Maru.

Worldly Advice

For years we have made a study of coffee and have today plenty of well selected coffee, and a large growing trade. Business has been brought together and held solely by a judicious use of the word "value," which with us means to give each customer that which he pays for.

If he wants ordinary or medium grade we give it to him, and if he wants better, choice or fine quality, and will pay for it he gets just that and nothing else, for the reason that he is entitled to it and we cannot afford to give anything else for we want him to come back.

Forewarned, Forearmed.

The liability to disease is greatly lessened when the blood is in good condition, and the circulation healthy and vigorous. For then all refuse matter is promptly carried out of the system; otherwise it would rapidly accumulate—fermentation would take place, the blood become polluted and the constitution so weakened that a simple malady might result seriously.

A healthy, active circulation means good digestion and strong, healthy nerves.

As a blood purifier and tonic S. S. S. has no equal. It is the safest and best remedy for old people and children because it contains no minerals, but is made exclusively of roots and herbs.

No other remedy so thoroughly and effectually cleanses the blood of impurities. At the same time it builds up the weak and debilitated, and renovates the entire system. It cures permanently all manner of blood and skin troubles.

Mr. E. E. Kelly, of Urbana, O., writes: "I had sores on my hands and face for five years. It would break out in little white sores, crusts would form and drop off, leaving the skin red and inflamed. The doctors did me no good. I used all the medical aids and salves without benefit. S. S. S. cured me, and my skin is as clear and smooth as any one's."

Mrs. Henry Siegfried, Cape May, N. J., says that her husband, S. S. S. cured her of Cancer of the breast. Doctors and friends thought her case hopeless.

Richard T. Gardner, Florence, S. C., suffered for years with Boils. Two bottles of S. S. S. cured him in good condition and the Boils disappeared.

BAD COLDS

Quinine is ten years behind. Colds do not now have to be endured. MENDEL'S DYNAMIC TABLETS (called dynamic from their energy) crowd a week's ordinary treatment into twelve hours and short the worst of colds over night.

It was the worst case of grip I ever had. A half dozen friends had sore throats. All it hung on. Heard of the DYNAMIC TABLETS. To my amazement they stopped both cold and cough the first night. I endorse and recommend them to the people." BARCLAY HENLEY, ex-Member Congress and Attorney, 101 Sansome street, San Francisco, July 7, 1900.

"Winter colds have always been serious things to me. They are hard and stay for months. But the last was stopped suddenly by MENDEL'S DYNAMIC TABLETS. Both cough and cold disappeared in a couple of days. Nothing else does this for me." MRS. EMMA L. HOLLEN, 14 New St., San Francisco, Aug. 6, 1900.

If live across the street from where MENDEL'S DYNAMIC TABLETS are made. That is how I first took them. They stop colds without notice. I took a dozen lozenges with me for self and friends when I went to Nome." H. L. VAN WINKLE, Capitalist, 217 Washington Street, San Francisco, August 10, 1900.
