## BAD COLDS

Quinine is ten years behind. Golds do not have to be endured. MENDEL'S DYNAMIC TABLETS (called dynamic from their energy) crowd a week's ordinary treatment into twelve hours and abort the worst of colds over night.

"It was the worst case of grip I ever had. A half dozen friends had seen cases. Still, it hung on. Heard of the DYNAMIC TABLETS. To my amazement they stopped both cold and cough the first night. I endorse and recommend them to the people." BARCLAY HENLEY, ex-Member Congress and Attorney, 101 Sansome street, San Francisco, July 7, 1900.

"Winter colds have always been serious things to me. They are hard and stay for months. But the last was stopped suddenly by MENDEL'S DYNAMIC TABLETS. Both cough and cold disappeared in a couple of days. Nothing else does this for me." MRS. EMMA L. HOLLIN, 14 Moss St., San Francisco, Aug. 9, '00.

"I live across the street from where MENDEL'S DYNAMIC TABLETS are made. That is how I first took them. They stop colds without notice. I took a dozen boxes with me for self and friends when I went to Nome." H. L. VAN WINKLE, Captain, 307 Washington street, San Francisco, August 19, 1900.
