Baker City Republican J. W. Larkin, manager and half owner of the rich Congar mine located above Granite, has decided to make Baker his permanent home. Mr. Larkin arrived in the city a few days ago from Spokane and just as soon as a desirable home can be found the household effects will be shipped from the latter city.

BAD COLDS

Quinine is ten years behind. Colds do not now have to be endured. MENDEL'S DYNAMIC TABLETS (called dynamic from their energy) crowd a week's ordinary treatment into twelve hours and abort the work of colds over night.

"It was the worst case of grip I ever had. A half dozen friends had sure cures, still it hung on. I had to be confined to my bed for a week. I bought them and they stopped both cold and cough the first night. I endorse and recommend them to the people."

BABCOCK HENLEY, ex-Member Congress and Attorney, 151 Sansome street, San Francisco, July 7, 1900.

"These little pills have always been serious things to me. They are hard and stay for months. But the last was stopped suddenly by MENDEL'S DYNAMIC TABLETS. Cold, cough and cold disappeared in a couple of days. Nothing else does this for me."

MRS. EMMA E. HOLLIN, 14 Moss St., San Francisco, Aug. 6, 1900.

"I live across the street from where MENDEL'S DYNAMIC TABLETS are made. That is how I first took them. They stop colds without notice. I took a dozen lozenges with me for my friends when I went to St. Louis. H. L. VAN WINKLE, Captain, 3027 Washington Street, San Francisco, August 10, 1900.
