THE SAME OLD STORY FROM THE STATE CAPITAL.

There is No Change in the Senatorial Vote. A CAUCUS TO BE HELD TUESDAY

Legislature is Thanked for Adjourning Out of Respect to the Memory of the Late Queen of England.

Salem, Jan. 28.—The vote in joint session today resulted in no election Corbett receiving 29; McEldred, 18; Smith, 24; Hermann, 6; Faison, 4; scattering, 6.

A caucus is called for tomorrow night. A reply has been received by the legislature from the Marquis of Lansdowne to the telegram of condolence sent upon the death of the queen.

The bill providing Portland with powers to levy a special tax, passed and signed, will have to be passed over again owing to an error in the measure which had its origin in the senate.

Corbett in Fight to Stay. Salem, Jan. 28.—Ex-Senator Corbett announced when questioned concerning the senatorial situation, that he is in the fight to stay.

The Senatorial Contest. The senatorial contest is the uppermost topic at the capital and the end is not yet. Despite the open roll call agreement to prevent in caucus, the anti-Corbett men apparently are as opposed to a party caucus as at the opening of the session.

The Treasurer's Report. The biennial report of State Treasurer Charles S. Moore shows a larger balance for the year ending December 31, 1900, than for any previous term.

The Bounty for Scapls. One roll of bill to provide funds to pay outstanding warrants against the scarp bounty fund will pass without opposition but there will be a fight on when the new bill fixing the tax rate, and the method of bounty payments is up for passage.

Against Free Lunch and "Troating." Every session brings out its share of proposed legislation that is material for the editor's comment. Two bills are pending now that contribute to the gaiety of nations.

Legislative Notes. Senator Justice Wade, of Union county says that the La Grande-Union county seat controversy would be moved from politics by the passage of the bill which authorizes the various county courts to handle such questions.

A concerted effort is being made by the Union county delegation in both houses to secure the location of the Western Oregon Agricultural college at Union. Bills to that end have been introduced in the house by Representative McAllister and in the senate by Senator Wade.

Miller's railroad commission bill will cost \$10,000 a year and won't be worth ten cents to the taxpayers. It might make a place for Mier, says the Salem Journal.

Senator Probst's nickel-in-the-slot machine bill prohibits the operation of the machines, instead of licensing them as has been reported. The essential features of the bill are as follows:

"Any person who shall conduct, etc., or who shall play or use any nickel-in-the-slot machine or other device of like character wherein there enters any element of chance whether the same be played for money checks credits or any other thing of value shall be guilty of a misdemeanor and upon conviction shall be punished by a fine of not less than \$10 nor more than \$100 and shall be imprisoned one day for each \$2 of the fine not paid."

In all prosecutions for conducting any slot machine proof of the possession of such machine or of permitting the same to remain in any public place owned or controlled by the person so prosecuted convenient for use shall be prima facie evidence against such person of violation of this act. One-half of every fine collected shall go to the private prosecutor and the other half to the county."

MRS. NATION AND GOVERNOR OF KANSAS.

A Heated Controversy Between Them at Topeka. CALLS ON HIM TO ENFORCE LAWS

Declares Governor Stanley is Dishonest and a Law Breaker, and Responsible for Whiskey Selling in Kansas.

Topeka, Jan. 28.—Mrs. Carrie Nation, the temperance reformer and saloon smasher, and Governor Stanley clashed this morning in the latter's office, and during an animated conversation over the enforcement of the liquor law of the state the governor was so ungracious as tentatively to accuse the temperance crusader of fibbing.

When Mrs. Nation swooped down on the capitol today there was great excitement. "I have been doing your work in Kansas," said Mrs. Nation to Governor Stanley, "for a month and now come to turn the job over to you."

When the governor said he did not approve of her methods he was asked to suggest better ones. Declining, the woman declared him to be dishonest and a law breaker. "You are not in a woman's place," retorted Stanley, "and tell what is not true if you say I am not doing my duty."

The executive got her out of his office by telling her to go to the attorney general and tell him the governor said he was to do his duty in the enforcement of the prohibitory law. Mrs. Nation is discouraged, but says she will remain in Topeka until every saloon is closed.

INDIAN TROUBLE NOT OVER. Large Numbers of Full Bloods Are Heavily Armed. Muskogee, I. T., Jan. 28.—Word comes from the interior this morning that the soldiers are dividing up into small parties and going in different directions. Large numbers of full bloods, heavily armed, are working west from Muskogee, to join the Snake party reported coming from Enfield, and that when Marshal Bennett meets the Indians a crash will occur. It is feared hundreds of outlaws will take advantage of the situation and begin a campaign of depredation and crime. Several more light horsemen have been arrested. The Indians were again placed obstructions on the San Francisco tracks, near Holdenville, and when the railroad men attempted to remove them they were fired on, but without serious results.

Light Horsemen Captured. Henrieta, I. T., Jan. 28.—Chitto Hargo is still a captive here. He takes his imprisonment stoically.
