PROGRAMME.

Washington, D. C. FAY FULLER.

SOMETIME.

Will flash before us out of life's dark night,
As elers shine most in deeper time of blue.
And we shall see how all God's plans are right.
And how what seemed reproof was love most
true.

sigh,
God's plane go on as best for you and melow, when we called. He beeded not our cry.
Because it is wisdom to the end could see
and even as wise parents disallow.
Too much of sweets to eraving belogheod,
So God, perhaps, is keeping from its now
Life's sweetest things, because it seemeth
good.

And if, sometimes, commingled with life's

wine. We find the wormwood, and retel and

sirink,

be sure a wiser hand than years or mine.

Pours out this potton for our lips to drink.

And if some friend you love is lying low,

Where human alsees cannot reach his face.

Oh, do not blame the loving Father so.

But wear your sorrow with obelient grace!

And you shall shorily know that lengthens

it not today. Then be content, noor be

ness in the state, and appoint a fe

Russell Sago the old skin flint of to its interests. Wall street, a man who has devoted his side to stinting and saving what low [literary women. The novement at other people produced, says he 'views once aroused marked comment and with plants' the threatened railroad strong disapproval. A woman club monopoly. Of course he does, because together out of the prescribed order of the promoters of it were too far woman's life and an innovation to be sighted to let him in. If he were a frowned into obscurity. This initial party to it be would not be viewing organization thirty-two years ago was with alarm, but rubbing his itching club movements recognized today palms with chuckle and glee.

A Wisconsin legislator has introduced nually upon all unmarried men over 30 world as Jennie June. years of age. The other would give annual pensions ranging from \$10 to I give my name to Sorosis to keep mothers of six children up to \$35 to sacredly. mothers of 12 or more. Why are more people wanted in Wisconsin? Are there not enough poverty stricken ones there

have a bright prospect before them. There are more than 3500 army offices to be filled under the new army law. The "sons of somebody" have to be Sorosis meets twice a month. The course, and the man who is fed is considered more important than those who do the feeding by those in authority, but this is nothing new. Even in the country is labor to the country in this country in the country is labor to the country in the country in the country is labor to the country in the country in the country is labor to the country in the in this country to labor is not to be a provides an entertainment during the year. On the third Monday of each

money in Eastern Oregon, as has been proposed in the legislature, would not abate or equalize one jot or tittle the burden on the pupple's back, placed there by the establishment of these institutions in other parts of the state.

Somewhat shall eight world days, the anniversary brought into connection with the meeting nen are included among the guests, and it was recently decided to always have that meeting fall on New sentiment is growing in favor of strong titutions in other parts of the state. An industrial school in Eastern Oro-gon would accomplish nothing for the people of the state. It would provide people of the state. It would provide people of the state. It would provide several soft places for a few of the army who clamor for such join and give a kind of free education to a few which has soothed and comforted, man, is a club woman of experience. give a kind of free education to a lew which has soothed and comforted, man, is a club woman of experience, sons and daughters who should be einencouraged and satisfied many a one having been a newber of Sorosis, and cated at the expense of their own weary in the battle of monotons, a director of the Health Protective cated at the expense of their own parents. The institutions of this character now being supported with a liberal supply of state money are too numerous by far, and unable to do a and rest had been to many people in the far away West. She is an attracwork that can be better done by the far away West. She is an attractive woman with a sweetly modulated private institutions. The state is un-voice and a beautiful character. She dertaking too much in the educational list character. She list chairman of the committee on house is chairman of the committee on house there were any result to this expenditure of public money there would be no objection to it, but there is no result, at least not in proportion to the amount of public money spent in this way.

Every one of Pendleton's clubs will be represented by active workers in the Y. M. C. A. canvass, to begin Monday morning. Each church is also occiety. Had there been a better unacter, the committee on house is chairman of the committee on house the Y. M. C. A. canvass, to begin Monday morning. Each church is also occiety. Had there been a better unacter, the committee on house the Y. M. C. A. canvass, to begin Monday morning. Each church is also occiety. Had there been a better unacter, the committee on house the Y. M. C. A. canvass, to begin Monday morning. Each church is also occiety. Had there been a better unacter, the program was devoted to subjects bearing upon that general thought. Her own eloquent paper was replete with clever references and stories, and evinced a mastery of her chosen subject, 'Some Chords and Discords in our New Century Life.''

and Gov. Orman indorsed them in his laid, she having invited a number of friends and in addition all the members of the Fortnightly Club of Madison, New Jersey, who were accombanied by their husbands. -the Rocky Mountain News. The senate committee on the constitution has made a favorable report upon the recommendations, they having been referred to it; and it is believed that the proposed constitutional amendment embodying them will receive the requisite two-thirds vote in the senate. When the fact is noted that this amendment would allow the legislature to provide for levying the Australasian land tax- The Waldorf-Astoria. an ad valorem tax on hand to the exclusion of improvements-for state

purposes, and would encower counties o adopt it by popular vote for county purposes, as a matter of local option, the great importance and far reaching possibilities of the measure become immediately evident.

A DAY WITH SOROSIS.

It was May Riley Smith's day at in addition it was the annual Soroels, in addition it was the annual New Year's entertainment at which men are welcomed, and moreover, to make the operation further anspicious, it was New Century day."

I considered myself especially privil-eged when invited to attend the meeting, and appreciated the fact that I might always recall with happy memories that the Twentieth century Traise septembers.

Appearance and the form of the dawned upon me as a guest to Sorosis, the oldest and most celebrated of the woman's clubs of the world. My good fortune in this direction came through the dawned upon me as a guest to Sorosis, the oldest and most celebrated of the woman's clubs of the world.
