LIVE PIGEONS AND BLUROCKS SHOT AT SUNDAY.

Baseball "Gut" From Several Cities.

Pendleton Shooters Getting Ready for Walla Walla Tournament. The delightful weather Easter Sunday made it pleasant for the shooters and spectators who went to the traps. The first event was at live pigeons, there being five contestants. Each shooter put \$7 in the pot, and after the birds were paid for, the winner took 50 per cent, second 30 per cent, third 20 per cent. The match called for 15 live pigeons each, but the market was up and the match was brought to a close after the shooters had taken a crack at 14 each. The tallysheet showed the following result: H. J. Stillman, 12; Pat Turner, 11; J. M. Spence, 11; A. D. Stillman, 11; F. W. Waite, 9. And thus they all drew a prize.

At the Blurocks.

Since the installation of the mangaptrap, the sport of breaking blurocks has been increased several fold. There is no vexatious delay in hurling the blurocks out at different angles and with a rapidity that makes the interest snappy all the way through. Several matches of different kinds were shot, the sport lasting from 10 o'clock until about 2 o'clock. The score at blurocks was as follows:

Shot at. Broke. Per cent.		
H J Stillman	175	154 88.0
F W Waite	175	154 87.5
N Spence	100	87 87.0
A D Stillman	200	149 74.5
Otto Turner	85	60 70.5
D Griffin	100	53 53.0

On Sunday, May 5, the first game on the new Second street grounds will be played, the Athena team being the visitors. Manager Sharpstein is in correspondence with several valuable players which it is his intention to add to the Walla Walla team in the near future. Practice will begin today and a meeting will be held in a short time for the election of a captain to handle the team while on the diamond. The survey for the fence about the new grounds was made Saturday afternoon and work constructing the fence and the grandstand has already been commenced.
