MISS OLIVER'S READING

It was an Eminently Successful of a Charming Book.

That most charming of recent novels, "The Sky Pilot," by Ralph Connor, was read on Monday evening at the Presbyterian church by Miss Katherine Oliver.

The excellence of Miss Oliver's reading should in justice call out an audience filling the Fraser theater.

SOME AMATEUR MINSTRELSY

For Benefit of Pendleton Academy Next Tuesday Evening.

On Tuesday evening next week, an amateur minstrel entertainment will be given at the Fraser theater by a number of young men who will devote the proceeds to the Pendleton academy.

Rehearsals have been had for some time, and will take place each evening from this time until the date of the presentation.

The program will consist of a first part, with the usual array of colored song and dance artists, the funny endmen, lively choruses and the many features of a negro minstrel show.

The second part of the program, adopted by J. W. Myers in which an Irishman at the court of the former Hawaiian queen is a principal character.

In connection with the sketch, specialties will be given for the amusement of the queen, the audience, of course, being incidentally permitted to hear these things.

It is likely that the entertainment will draw a large house, those taking pleasure in amateur minstrel and those who desire to assist the Pendleton academy attending. Particulars as to the participants and the program will be announced later.

Chief Peo Crazy.

Whether he is crazy for all time, or only temporarily on account of his system not being able to assimilate all the alcohol it contains, Chief Peo is crazy. He is a pitiable object in the city jail. He has been drinking recently and his system has apparently rebelled. The city officials wanted Chief Peo to take Chief Peo out to the reservation, but he refused, as he thinks Peo is not a fit person to be at large. Dr. Vincent examined the chief this morning. He keeps trying to climb up the walls of the jail, and grab the door as though he would like to tear it up by the roots. It is believed that abstinence from intoxicants and proper treatment otherwise will bring the chief out in time.

Saves Two From Death. "Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infalible for coughs and colds. 50c and \$1 bottles guaranteed by Tallman & Co. Trial bottles free.
