DRS. SMITH & HENDERSON. OFFICE
over Fendleton Savings Bank. Telephone St.

President McKinley said this to congress. He said it to the whole world. He placed himself upon record to the effect. The world knows that the United States became involved in the aglow of peach-hlossoms:

The system also enables a man who has got drunk to go on supporting his family. It is better than the system which locks the father up in jail and leaves the rest of the family to shift for itself.—Hearst's Chicago American.

The system also enables a man who has got drunk to go on supporting his family. It is better than the system which locks the father up in jail and leaves the rest of the family to shift for itself.—Hearst's Chicago American.

United States became involved in the aglow of peach-hlossoms: then radiated white, streaky tangents then radiated white, streaky tangents.

The system also enables a man who has got drunk to go on supporting his family. It is better than the system which locks the father up in jail and leaves the rest of the family to shift for itself.—Hearst's Chicago American.

The system also enables a man who has got drunk to go on supporting his family. It is better than the system which locks the father up in jail and leaves the rest of the family to shift for itself.—Hearst's Chicago American.

The system also enables a man who has got drunk to go on supporting his family. It is better than the system which locks the father up in jail and leaves the rest of the family to shift for itself.—Hearst's Chicago American.

The system also enables a man who has got drunk to go on supporting his family. It is better than the system also enables a man who has got drunk to go on supporting his family. It is better than the system also enables a man who has got drunk to go on supporting his family. It is better than the system also enables a man who has got drunk to go on supporting his family. It is better than the system also enables a man who has got drunk to go on supporting his family. It is better than the system also enables a man who has got drunk to go on supporting his family. gress. He said it to the whole world. He placed himself upon record to the He placed himself upon record to the above the eastern horizon, then leaves the rest of the family to shift effect. The world knows that the broadened a bit, and tinged its upper for itself.—Hearst's Chicago American. United States became involved in the affairs of Cuba, so far as the common people are concerned, for the sole purpose of assisting them into a state of into the heavens, putting out the stars, and diffusing a soft light over the veldt. Then the sun came up and independence. independence. We patted ourselves said it should be a glorious day. upon our backs. We held ourselves up Against his red face, as he scanned the landscape, was drawn a black line. to the laudation of the nations. Said

"Behold a Christian people who go directly in the middle of a square to war for the good of another race, tormation, which later revealed itself with the intention of compelling their as the British camp. It was awake. "Tommies" could be seen, as the light freedom. We are the modern cru-grew stronger, grooming their cattle saders. We are moved by a spirit of and preparing breakfast. benevolence. We propose to strike down the tyrant Spain, and out here in the western hemisphere will we raise aloft one more banner that stands broad day a shrapnel shell came from for the freedom of man." somewhere on the other side of the

Now has come the denouement, and it is not of a kind with the spiendid the Bloemfontein road where it de impulses that moved to the war. We seended into the spruit.

Then did De Wet, single-handed, not give Cuba independence that she must make a constitution such as this country approves; and that her soil As the first wagon entered the must always hold soldiers and supplies spruit, he rose from behind a boulder country approves; and that her soil for our military forces, whether the Cubans will or not.

driving. It is merely brute force taking a weaker by the throat and making the train, with its drivers and guard, taken other do as the stronger dictates. without the British, who had remained

HONESTY OR EXPEDIBNCY.

Which were better: To tell the truth to bout a scourge of fever or smallpox, in the May Scribner's. about a scourge of fever or smallpox. or the bubonic plague; or to conceal the facts, and thus endanger the lives of thousands of people?

This is a question that has faced the people of Pendleton and other towns in the Inland Empire during the past few years. There has been scarcely a town hereabouts that has not had its cases of smallpox or some form of fever. These diseases have swept is to prepare it in such a manner that throughout Eastern Oregon and Wash- it still retains all of its natural propington, and have been unsparing in erties and then combine it with se-

ults have been attained. San Francisco has bubonic plague. Not a word is read in newspapers Thousands of men unfortunately pur-sue happiness in the shape of a black

But the constitution does not protect men in the pursuit of happinese through intoxication unless the pursuer has a butler to put him to bed at the

terfering with other people. The constitution talks about the right to life, liberty and the pursuit of happiness.

psychological moment.

The man who gets drunk in a cheap way and then tries to get home meets something more than the constitution -in a blue coat-and goes to jail. He is informed that, constitution or

no constitution, be must not pursue happiness in a way that makes thim roll or fall down, and he is locked up. Technically, the imprisonment of a man who drinks too much is illegal and unjust. Since the law licenses one set of men to sell liquor which will make others drunk, it ought not, from a strictly honest point of view, to imprison men who patronize the licensed

However, it is desirable to represe vice, including drunkenness; and since the laws can always be twisted when the man to be arrested has no particular standing, it is just as well that they should be twisted in case of drunken-

But we are bound to say that we think our public magistrates might printed there on the subject. Only find some way of discouraging drunkcorrespondents have sent out state- enness without making women and children suffer.

ments. It is but natural, therefore, A man gets drunk and is locked up. that an impression exists that plague He is fined ten dollars. If he pays the has been an awful scourge in the Bay ten dollars it usually means that his City, and that people have imagined wife has pawned some of the furniture, besides scraping up every penny worse conditions than really existed. in the house.

There is no doubt that that city has Meanwhile, having appeared drunk been vastly injured by the silence of in a police court, the man has lost his the newspapers, and the persistent at work. He and his wife and children tempts to discredit Quarantine Officer then begin life again without any Kinyoun, who now is vindicated by in pawn and without any visible source

Drunkenness is a bideous thing, o course, but it seems a little out of reason to inflict on a poor man for that the federal government listened drunkenness a fine that means ruin, to the San Francisco committee that when a prosperous man can get drunk went to the president and succeeded in in his club or at home, with obliging hushing up the facts and preventing the club and the home and with all the health department from stating the conveniences.

the truth, and also in the removal of In Boston a system prevails of allow-Dr. Kinyoun from a post that had been ing a man fined for drunkenness to pay his fine in installments. We wish that a filled with distinguished ability. His vindication clears him from the our magistrates would consider the advisability of adopting this system. It he was passing through the fire of has one great advantage in the eyes of men who don't care much what criticism, but it does not vindicate happens to the poor. It really means a those who consented to his temporary saving to the prosperous class, by diminishing public expenses.
