**DELINQUENT TAX SALES.**

County Judges Decide to Bid at the July Sales.

County Judge George A. Hartman returned Sunday evening from Portland, where he attended a meeting on Friday, April 26, of the county judges of the state, to discuss the new law passed at the last session of the legislature regarding the reselling of all lands heretofore bid in by the different counties at previous sales of land for delinquent taxes.

"Since 1899 county judges have been bidding in lands," says the Oregonian, "at delinquent tax sales in behalf of their respective counties, but were not empowered to dispose of these unless the owners decided to redeem them. The legislature of 1901 undertook to empower the judges to sell these lands to the highest bidder for cash, but left the matter of back taxes in such doubt that this meeting was called to discuss the proper mode of procedure."

The meeting was in favor of going ahead with the delinquent tax sales at the proper time, and of lacking all the unpaid taxes of previous years to the sum total. When outside bidders do not reach these figures the judges will bid in the property, thus protecting the proper owner from the broker, who would often times obtain title and encumber the property to the detriment of both county and delinquent taxpayer.

Umatilla county has already bid in about \$8000 worth of property at delinquent tax sales, which, with the penalty of 20 per cent for the year and 10 per cent for the second runs the amount to between \$11,000 and \$12,000.

### TWO FUNERALS AT ATHENA.

Body of Miss Nellie Brown Was Buried There.

Athena, April 28.—On the arrival of the train this morning, the body of the late Miss Nellie Brown was taken to the M. E. church where Rev. Wm. Dewese preached a most impressive sermon after which the remains were interred in the Athena cemetery. The funeral was largely attended. Miss Brown had many warm friends in this city who were shocked to learn of her sudden death. All join in extending their deepest sympathy to her mother in her sad bereavement. M. A. Rader had charge of the funeral.

The funeral of George Depot, who was drowned in the Umatilla river near Gibbon last Monday, was held in this city Saturday at 11 o'clock. It was largely attended by relatives and friends.

### Nellie Brown's Funeral.

The funeral of Miss Nellie Brown, who died early last Saturday morning, occurred on Sunday. The funeral party took the train for Athena at 8:15. In addition to the relatives and a number of close friends who had come down from Athena the preceding day, a delegation of Pioneers of the Pacific was present. Interment was in the cemetery at Athena, a large number being present to give evidence to the sincerity of their grief at the untimely death of one universally loved and respected by her associates.

### James H. Hampton.

The death of James Henry Hampton occurred on Saturday, April 27, at 9:45 o'clock, at the Hampton home, a few miles north of Pendleton. The funeral was held today, many relatives and friends from the community being in attendance. Deceased was born in Henry county, Va., on May 18, 1826, and was married to Elizabeth J. Stockton in Polk county, Mo., on February 11, 1845. A wife and ten children survive him.

**ATHENA BEAT PENDLETON SUNDAY 12 TO 4.**

Manager Rader Will Take His Aggression to Walla Walla for a Game on Sunday, May 19.

The game of baseball at Athena on Sunday afternoon, April 28, in which the Pendleton team appeared for the first time this season and then with a patched up team for a practice game with Doc Osburn's team already famous throughout Eastern Oregon and Eastern Washington, was won by the latter, the score being 12 to 4. This game is not to count in the records of the two clubs for the season. It was satisfactory to the players and manager of the losing side, as it showed where the team can be strengthened to advantage. There is more good material in Pendleton than can be utilized, and, by the time the local team makes its first appearance for blood, their opponents will have to play baseball from start to finish in order to win.

Young's Instructions to Umpires.

A few days ago the East Oregonian stated that hereafter a batsman struck by a pitched ball would be entitled to take his first base as was the case in 1900. The authority for the information has been traced to a statement recently issued by N. E. Young, president of the National League, as follows: "The National League has voted a return to the old rule giving a player his base for being hit by a pitched ball unless he plainly avoids making any effort to get out of the way of the ball from the pitcher, and thereby permits himself to be so hit."

Pendleton vs. Walla Walla.

Manager Rader will take the Pendleton baseball team to Walla Walla on Sunday, May 19, there to engage in a game against Manager Sharpstein's team. By that time Pendleton hopes to have a club organized that will be able to hold its own or more with any team in this section of the country.

**Challenge.**

We, the "Gazabers" hereby challenge the Pendleton team for a friendly practice game of baseball to be played Sunday afternoon at 1:30. The "Gazabers" will line up as follows: Jake Marin, pitcher and 3d base; Fat Turner, catcher; Drew Griffin, 1st base; Elmer Turner, 2d base; Ed Dupont, 3d base and pitcher; Will Pointer, short stop; Rocky Horn, left field; Dean Shull, right field; Robert Cronin, center field.

**A Report From Athena.**

Athena, April 29.—The Pendleton ball team played their first game of the season on the Athena grounds yesterday. Adding to this the fact that the game was played in a drizzle of rain, which continued during the entire nine innings, it may well be reasoned that had conditions been more favorable a good contest might have resulted. As it was, the visiting nine showed lack of team work, and neither side could handle the ball or themselves on account of the wet and slippery condition of the diamond. The score resulted 12 to 4 in favor of Athena.

The crowd was not large. This fact was in part due to the bad weather and to the fact that the game was advertised through the Pendleton papers as being merely a practice game; but coming to pay admission to see a practice game.

**Pendleton Showed Good Material.**

No verdict as to the playing qualities of either could be rendered on the merits of yesterday's game. Pendleton showed some good material, and will make a strong team as the season advances. The home team played well enough to win by a good comfortable margin, which was all that was necessary. Considering the slippery ball both pitchers did well. Meach, struck out seven men and R. Brown eleven. At the bat, Athena excelled her opponent, St. John, Saunders, R. Brown, Koontz, Dell and Willard landing on the bat hard and often.

The line up was as follows: Pendleton—Barlow, c.; Meach, p.; Ulrich, 2b.; Cox, ss.; Hartman, 1b.; Lien, alien, 3b.; Fletcher, c. f.; Griffin, l. f.; Knight, r. f.

Athena—St. John, c.; Saunders and R. Brown, p. and 2b.; Vaughan, 1b.; Willard, 3b.; G. Brown, ss.; Dell, l. f.; Koontz, c. f.; Francis, r. f.

Score by innings: 1 2 3 4 5 6 7 8 9  
Pendleton..... 0 0 0 0 0 0 0 1—4  
Athena..... 12 0 0 0 0 0 0 0—12

Stolen bases—Meach, 1; G. Brown, 1. Two base hits—Griffin, Knight, Koontz, R. Brown, St. John, Saunders, 2. Three base hits—St. John, 2; Saunders, 1. Double plays—Willard to Vaughan.

Umpire, G. C. Osburn. Time of game, 1 1/2 hours.

**PERSONAL MENTION.**

J. S. (Bud) Rogers is a visitor in the city from Echo.

John P. McMann has returned from a trip to Baker City.

P. T. Belts has three extra milk cows for sale, \$50 each.

Jake Sheurman left Sunday evening for La Grande on business.

T. F. Sheridan, a stockman of Echo, is spending today in Pendleton and will return home this evening.

H. L. Carl left Saturday for Ashland, Or., where he will remain for a time looking up a suitable place in which to locate.

Charles F. Hamilton, a railway brakeman and member of the Pendleton Sportsmen's association, has been on the sick list for several days.

E. L. Barnett, cashier of the First National bank of Athena, is a visitor in Pendleton today, on business connected with some big wheat deals.

A Zeuske is in town today from the Helix country. He has cattle and growing wheat. He sold three good steers in town today to local butchers.

Charles Graham, who succeeded as brakeman on the O. R. & N. by Orve Turner, is now at Spokane. He will enter the employment of the Northern Pacific.

Dr. Fell has returned to his home in the Job Day country, after having visited in Pendleton. He came to this city on account of the illness of his father, Postmaster C. E. Fell, who is recovering from an attack of rheumatic fever.

A resident of Pendleton saw Robert Lindsey at the New Walla Walla hospital on Sunday. Mr. Lindsey has cancer of the liver and cannot recover. At least, his recovery would surprise the physicians attending and the hospital officials.

Mr. and Mrs. James Crawford and Miss Maude Crawford spent last Friday in Salt Lake City, according to a letter received from them by Fred Crawford. They expected to leave that night and would be in Denver by Sunday morning.

Mrs. J. M. Horton, who has been visiting her son, H. H. Horton, and family, left this morning for Portland. She will continue her journey to California to visit with relatives for a few

**THE NON-RESIDENT LICENSES**

Sportsmen From Other States Must Put Up.

Among the provisions of the new game laws is one requiring a \$10 license fee from residents of other states who desire to hunt in Oregon. People having friends who come from elsewhere to enjoy a hunt, would better remember this section 38 of the new game laws.

It shall be unlawful for any person who is not a resident of the state of Oregon to hunt, pursue, take, kill or capture any species of game, bird or animal within the state of Oregon, for marketing purposes, without having first obtained license therefor from the state game and forestry warden. Any person desiring such license shall file with said warden an affidavit setting forth the general section of the state in which said person desires to hunt, and that he will not hunt game during the closed season therefor, and that he will in all respects obey the game laws of the state of Oregon. At the time of filing such affidavit such person shall also pay to such warden a license fee of \$10, and thereupon said warden shall issue to such person a license good for the remainder of the calendar year, which shall authorize such licensee to hunt game in any part of the state during the period covered thereby. All licenses issued hereunder shall be non-transferable, and shall expire December 31 of the year of issue, and all license fees collected by the state game and forestry warden hereunder shall be by him paid into the general fund of the state treasury. And said warden shall keep a full record of all licenses so issued, and shall report the same to the governor annually.

**Good Roads Convention.**

New Orleans, April 29.—The national good roads convention opened here this morning with two hundred delegates present. This afternoon they witnessed the building of three miles of fine road now being done by machinery.

**Revenue Stamps on Call Deals.**

Washington, April 29.—In the United States supreme court today it was decided that "the call" of a stock broker is equivalent to a written agreement and that the war revenue tax law of 1898 requires a revenue stamp of two cents on each \$100.

**A BIG KLONDIKE OUTPUT.**

Some Are Placing It as High as Fifty Millions.

Seattle, April 29.—The Times says: For some time estimates of the coming clean up in the Klondike have been reported from Dawson, placing the figures at \$25,000,000 to \$40,000,000. The latest reports place even a higher estimate on the yield of the precious metal.

Gold enough to buy Wall street—\$50,000,000, or 125 tons' weight—is the total now figured upon as the yield of the two clean-ups which the Klondike will enjoy this year. There will be the constant cleanup of the summer workings, which, it is figured, will even exceed this sum. Improved methods and improved machinery are chiefly responsible for the handsome showing which the Klondike will make this year.

Traffic Manager J. Francis Lee of the White Pass & Yukon route is in receipt of a letter of general information from the company's agent at Dawson, in which the writer makes the estimate that the Klondike gold output for the coming season may approximate or exceed \$50,000,000.

**Washup Begins in May.**

"The spring wash-up will begin early in May, and by the time it is over the mines that are to be worked as summer workings will be cleaning up as they take the dirt out, so that it practically means a continuous wash-up the entire season till freeze-up next October," says the White Pass agent.

"I am advised that the spring clean-up will reach \$25,000,000 and that the summer work will possibly exceed that figure, but putting it on a conservative estimate, should say that the two will reach \$50,000,000."

There are many other things of interest in the letter. The following are selected extracts:

"I find business very much improved in all lines except as to prices on hay and oats, which have decreased in price to the lowest possible mark. Hay is selling for 7 cents a pound and oats at 9 cents, in quantities to suit the purchaser.

**Business is Good.**

"Business generally with all the merchants is very good and improving every day. This is owing to the mines getting goods out to the claims before breaking up of the roads, and on account of the throwing open of all crown claims for relocation. Stamped to all the different creeks has been the rage and a great many properties are in process of being opened up for settlement.

"All dealers in machinery say they will ship at least fifty per cent more than last year and there is a big demand here today for loco-fire boilers and machinery, and the necessary equipment for mining on a large scale. All the big mining companies are preparing to increase their capacity, and this means that more machinery will be required.

"Hay and feed will be another large item this season, as we have more horses in the country than ever before. At least 600 head have been driven over the trails from White Horse this winter.

"A great deal more help will be required at the mines than at any previous time in the history of the camp, which means more goods will be required of all kinds."

Chicago's Building Trades' council is to disband. A new council will be organized.

Tacoma will have a new summer resort on Spanaway Lake.
