### WINNER IN A SEVENUP GAME

Charles W. Hendrix Tells Where He Got the Check.  
Charles W. Hendrix, who is in the city jail charged with obtaining money under false pretenses, hopes to get out by putting up \$250 cash. His people live at Kansas city, Kan. Mr. Hendrix told the jury of the circumstances leading up to his arrest last Sunday. He said he had been playing sevenup with a man who was a stranger to him, but who presented that he was a well known sheepman. The stranger lost two dollars in silver, but the money he had, but the game went on. After Hendrix had won \$50, the game broke and the sheepman told Hendrix to get out a check for that amount and would sign it. Mr. Hendrix had T. W. Ayres, Jr., fill out the check for him, after which the sheepman signed and Hendrix indorsed it. By a strange coincidence the sheepman's name was Hendrix or something similar, which caused the trouble. Hendrix, who checked Mr. Hendrix drew \$75, and the rest of the facts, may come out at the trial in the circuit court at the June term.

### MISSED BY THREE INCHES

THE CARELESS WORK BY SQUIRREL HUNTERS SUNDAY AFTERNOON.

The Residences of Dr. C. J. Whitaker and C. A. Cameron Used by Poor Marksmen as Targets.  
At about 15 minutes to 5 o'clock on Sunday afternoon a bullet made its entrance unceremoniously through a window in the kitchen of the residence of Dr. C. J. Whitaker, passed within three inches of Miss Jennie Cunningham, who is employed there, tore around among some spice boxes, ricocheted back and fourth for a while playfully, then fell all flattened out to the floor. It was from a 22-caliber rifle and came very close to causing a serious accident and perhaps death.

Caused by Carelessness.  
Hundreds of people go to the hills surrounding Pendleton to hunt squirrels every Sunday. They seem to have been particularly busy last Sunday, and that something serious has not happened to be chronicled is more the effect of good fortune than of good marksmanship. The first shot it may be necessary to hunt down some of these careless offenders and make a horrible example of them.

Careless Shooters.  
The many persons who go out on the hills surrounding Pendleton should be more careful when taking aim. Something happened Sunday afternoon which might have been serious. A bullet crashed through the bay window of C. A. Cameron's house on South Main street, struck the curtain and dropped to the sill. It was a bullet from a 22-caliber rifle. A number of the members of the family were sitting in the parlor at the time, and while startled, were glad it was no worse.

### DISPUTED BASEBALL GAME

Whitman College Given the Decision by Umpire Ryan.  
All ball players and those interested will want to learn what was the dispute over the remarkable game played in Walla Walla Saturday afternoon by Whitman college and DeWitt's team, in which the score was 0 to 0 in the eighth inning when Whitman scored one run. The game was pronounced one of the best ever seen in Walla Walla and argument over the disputed point was general throughout both Athens and Walla Walla. Both teams have their own presentation of the case. The Walla Walla Union gives a very fair account of the affair saying: "Rigby had planted a safe poke in right center and gone to second on the ball that forced Marquis at third. Eddie Lewis faced the Atholians. There was a wild pitch, the delivery striking the ground just in front of the plate and carrying off the catcher's leg into the crowd. Umpire Ryan called a block ball and Rigby ran like a hungry Comanche Indian after a spotted dog, pushing the register button before the ball was in the hands of the pitcher. Umpire Ryan called the man safe and decreed that the tally counted. Capt. G. Brown, of the Spartans objected, advancing the point that a spectator had interfered with the ball and thrown it out of reach of the catcher, who was endeavoring to return it to its former position in the diamond. To this the umpire replied that if the ball had been handled by a spectator at all he could not see it and, therefore, could not render a decision on the opinion of another, but must use his own judgment. He further stated that if the ball had been thrown by a spectator it was toward the diamond and not away from it and that he would stand by the decision as it had been rendered. The sons of Marcus were jubilant and the yell that went up would have scared Jim Jeffries into an epileptic fit. The umpire called the runner safe and the catcher and his partner issued an ultimatum to the powers that he refused to finish the game. Umpire Ryan's watch ticked off 10 minutes and the game went to Whitman by 9 to 0.

### CHARGES AGAINST LEMMAN

Walla Walla Lawyer to Be Investigated for Alleged Irregularities.  
There will be a meeting of the Walla Walla Bar association held in the chambers of the superior court at 10 o'clock on the morning of May 17, says the Union, for the purpose of investigating charges which have been filed with the president of the association against Edgar Lemman, an attorney of this city, and which it is alleged accuse him of a questionable transaction. The charges were brought against Mr. Lemman by Dement Church, who is in the employ of Dement Bros. company, of this city. It was at first the intention of the Bar association to meet this morning but upon investigation it was found that the meeting was definitely decided upon until Frank Dement, manager of the company, returns to Walla Walla from Colorado Springs, Colo., where he is at present. In case the facts are as alleged it is possible that disbarment proceedings may be instituted. Mr. Lemman professes to be able to explain the matter to the satisfaction of all concerned as soon as Mr. Dement shall have returned to the city.

### NEWS OF THE DIAMOND

Local Grounds Will Be Ready for a Game on Tuesday, May 14.  
The prospects for the opening game of baseball in Pendleton, when the Colfax aggregation will assist the local team in entertaining the baseball public on Tuesday, May 14, become brighter as the date approaches. When ready for the fray the Alta street grounds will be the best in the state outside of Portland. A good practice was indulged in Sunday afternoon and the ground was pronounced to be fine. The surface is smooth and hard, so it will be what is technically known as a "fast" field, but one upon which it will be a pleasure to play.

### LIVED IN THE FERRIS WHEEL.

An Aerial Home Where a Baby Was Born.  
When the great Ferris wheel at Paris was made ready to resume business after its winter closing, two families of tramps, comprising 11 members, with some women and children, were discovered installed and living comfortably in the two of the swinging cars. They told the police they had been camping out the all winter. The first entered the cars one bleak night. They selected the lowest cars, but one day two engineers, who had been sent to examine the machinery for some reason, made the great wheel describe half a turn. So the camping families were hoisted to the topmost position. Since that time only one man, a former sailor, could communicate with the earth.

Worse Than War.  
Hundreds of thousands are killed by consumption. There would be no deaths at all caused by this terrible disease, if people could be made to understand that Shiloh's cough and consumption cure is a sure remedy if taken in the early stages, 25 cts., 50 cts. and a bottle. Druggists will refund the money if a cure is not effected. Tallman & Co., leading druggists.
