### LONG TRIP PROPOSED

Pendleton Quartet Will Visit Klamath County.

Mr. and Mrs. H. S. Garfield, Will and Joe Noll will leave between 10 and 10:30 of June for Klamath county on their grand annual hunting and fishing trip. They will go prepared for an extended season of camp and will spend several months in Cascade mountains. A great portion of that time will be spent on the shores of Crescent and O'Dell lakes in Klamath county, where the hunting and fishing are pronounced to be excellent. The three gentlemen of the party are experts with rod and gun, and in addition to that their exploits never anything in numbers or excitement when related by them. Fabulous tales of fish and hair-breadth escapes from all kinds of animals from muskies to grizzly bears may be expected from these Nimrod and reliable sportsmen. The destination of the party is 310 miles distant from Pendleton.

Item of the parable of the man who is in a canvas boat, to be used on the lake, when they arrive at the end of operations.

### BANNER FLOCK OF EWES

Hundred and Twenty-Five Per Cent Increase.

Robert Horn lives on East Birch about 10 miles from Pilot Rock. He is engaged in raising sheep. His flock of 300 breeding ewes and 500 young ewes. The record made by the flock was 125 per cent increase.

Ed Allen's Stage Line.

Ed C. Allen is putting on a stage line between Lawton, the Red Boy mine and Alamo. He had his stage outfit on exhibition on Main street Sunday morning. The stage is a comfortable four-seated vehicle, well-cushioned and heavy enough to stand the strain of bad roads which are said to lie between the termini of the stage line. The stage was put in excellent shape at Neagle Brothers' establishment, while the horses were fitted with the best set of harness that could be obtained. The harness is all handmade of best material, from Joe Ell's shop. The team of horses is suited to the trade. Steve Jones left with the outfit Sunday for the scene of operations, driving over by way of La Grande.

### DEATH OF BOB LINDSEY

THE END CAME AT 1:25 SUNDAY MORNING, MAY 12.

Funeral This Afternoon Under Auspices of Secret Orders to Which He Belonged.

Robert H. Lindsey died in Pendleton at the home of his brother-in-law, Edward Morgan, at 1:25 on Sunday morning, May 12. The cause of death is given by the physicians as consumption of the stomach. He had been employed at the Hotel State, Walla Walla, for the past 18 months, and was taken sick nine weeks ago. He remained in his apartments for a month, receiving the best of medical advice and careful nursing, and was then taken to the New Walla Walla hospital and underwent an operation for relief, but he had passed the point where human skill would avail.

He was married three weeks ago to Mamie Cavanaugh, to whom he had been engaged for the past two years. He was brought to Pendleton on Tuesday evening, May 7. His two sisters and brothers-in-law, Mr. and Mrs. Ed Morgan and Mr. and Mrs. Martin Finneman, were present at the end, which came peacefully and without a struggle.

### Messages to His Friends.

An attempt was made to communicate with James S. Lindsey, a brother who resides at Alba, on Sunday morning, but it was not until 8 o'clock Sunday evening that the message could be delivered. Mr. Lindsey started for Pendleton at once, and after an all-night ride, reached here at 9 o'clock this morning. Walter Lindsey, another brother, was engaged in shearing sheep in Jack canyon. He was sent for Sunday night and came in at once. Another brother, Ben Lindsey, resides in Montana, and word has been sent to him, but he could not reach here in time for the funeral.

### A Biographical Sketch.

Robert H. Lindsey was born in Highland county, Ohio, in 1863, came to Illinois three years later, and on to Umatilla county in 1885, where he has resided up to 18 months ago. He was employed for years at the Hotel Pendleton, when Dave Horn was proprietor, and afterwards by Louis F. Cook. He has held other situations and made many friends. He was a member of the Eagles of Walla Walla and a delegation of that order came over on the train this afternoon to be present at the funeral. He was a member of Umatilla Tribe, No. 18. Improved Order of Red Men, who have interested themselves in the funeral matters and contributed an elegant bank of flowers appropriate to the occasion.

### Funeral This Afternoon.

The funeral took place at 2:30 this afternoon from the residence of Mr. and Mrs. Morgan on West 7th street. Rev. D. E. Vernon, pastor of the Methodist Episcopal church, south, officiated. The attendance was large, indicative of the esteem in which the deceased was held. Mr. Lindsey's father, who resides at Alba, being a victim of paralysis, was unable to be present.

### ATHENA MATTERS.

Personal Mention and Local Happenings of That Town.

Athens, May 12.—E. R. Cox, the Athens hardware merchant, transacted business in Pendleton Friday.

R. J. Boddy arrived in this city Friday morning, after an absence of about seven months. Mr. Boddy visited relatives and friends in Liverpool and London, and reports a splendid trip. He is now exhibiting several Boer war souvenirs which are attracting much attention.

Mrs. C. F. Drake was a Pendleton visitor Friday.

E. H. Stone transacted business at Walla Walla Saturday.

W. Smith visited Pendleton Friday.

Herman Saling and Charles Price, of Weston, were Athens visitors Saturday.

At 4 o'clock Saturday afternoon an alarm of fire was turned in, and the hose company quickly responded. A pile of posts belonging to A. M. Gillis, which was being tarred had caught fire, which was soon extinguished. Not much damage was done.

The "juvenile" ball team played a return match at Weston Saturday and defeated that team by a score of 30 to 11. A team known as the 4th nine, boys of 12 years of age, played a Weston team on the home diamond Saturday and defeated them by a score of 15 to 18.

Byron Hawks, of Pendleton, visited friends in this city Saturday and Sunday.

Clark Israel, of Dayton, Wash., visited at the home of Mr. and Mrs. L. A. Githens, Saturday.

Louis Bergovin last week purchased 21 head of live yearling steers. He paid \$15 per head for them. Mr. Bergovin intends to go into the stock and hog business quite extensively this year.

Dick Powers, of Adams, spent Sunday in this city.

F. L. Helfrich and Jesse Saling, of Pendleton, visited friends in this city Sunday.

On Friday afternoon the city bastille had an inmate for drunkenness, and Saturday morning Mayor Wilkinson, acting in the absence of Recorder Smith, fined him \$10 and costs.

August Arrp, of Adams, was an Athens visitor Sunday.

### WEEDS IN WHEAT.

A Correspondent Says They Are Now Plentiful.

Many wagons heavily loaded with wool headed for Pendleton markets, and large bands of sheep headed for their mountain ranges are some of the evidences of one of Umatilla's leading industries to be seen on the roads almost every day at present.

The weed crop is at present so far ahead of the wheat in this locality that in many large fields there is scarcely any wheat to be seen, and a stranger riding over a large part of the reservation would think that the prospect for a crop was decidedly blue, but the wheat is there, and a month from now will see the conditions reversed, and the wheat in the head. Some fields of barley are already heading out.

Mr. Jensen, of Walla Walla, a friend of James Anderson, was a Tutuilla visitor last week.

Mannel Friedley, who was over from Cold Spring recently, is enjoying a visit from his mother from Ohio, whom he has not seen for fifteen years.

Dr. Lloyd, a veterinary surgeon from Baker City, was a Tutuilla visitor on Friday.

Charles Foster was down from Gilliland last week. He has disposed of his interest in, and resigned the mayorship of that thriving municipality.

M. H. Gillett commenced operating his steam plow last Wednesday.

Wm. Conley finished plowing twelve hundred acres down in the Stale Gulch country last week.

Al Vogel is down from Stewart creek, working on a job of plowing for Paul Bowman.

### DR. SANBURN.

White Medicine Chief King of Cures in the City.

I am not representing any company, but am the White Medicine Chief myself. I was stolen and raised by Chief Elk, the Chippewa Indian, and from him I learned the art of healing from the plants, herbs and berries, and it is the pure medicine made from herbs, plants and berries that effects my marvelous cures, and also my gift by the great power called magnetism learned from him. I heal in numerous instances without the use of medicines at all, merely with my hands. Through the power of magnetism I also tell each and every person their main diseases without the patient saying a word. I intend to make my home here for some time. The people of Pendleton have been humbugged in the past, but all I ask is that you give me a trial, and if the work is not as I say the money will be refunded in all cases. I also give a written guarantee in all cases that are curable.

My office is at the Palace, Main street, room 21, Pendleton.

Be sure to call and see the White Medicine Chief and be cured of your disease. Remember the place. Consultation from 9 to 12 a. m. and 2 to 8 p. m. Consultation free.
