WITH ROBBERY CHARGED

Beary Brauer Made a Peculiar Play This Afternoon.

Considerable excitement was caused o'clock this afternoon by a pecoliar play made by Henry Braner, a young man who has been a resident of Pendleton for the past nine months, much of which time was spent in "boosting" at the different games. He went into the Mint saloon earlier in the day and claims to have lost a few dollars. He tried to borrow money from different employes of the place and others. At about 1 o'clock he went back to the saloon and grabbed up 18 silver dollars from the remlette bank roll and walked out. He was quickly found by Marshal Heathman, but that officer thought he had better not attempt to hold him without

warrant. A warrant was therefore sworn out in Justice Fitz tieralds court by T. J. Wagner and charged Brauer with hav-ing robbed W. H. Gilmore of 18 silver dollars, law(u) money of the United States, etc. The warrant was given to Constable John M Bentley to serve He got Sheriff Blakley to go with him, and finally gave the sheriff the warrant, and Brauer was taken into custody between 1 and 2 o'clock and taken before Justice Fitz Gerald Mr. Braner pleaded not guilty. He denied that he had robbed any person and claimed he had only taken what be-
