 WEDNESDAY, MAY 22, 1901.

### CLOSING EXERCISES

PENDLETON PUBLIC SCHOOLS WILL  
 CLOSE MAY 24.

Program Will Extend Over a Number  
 of Days and Will Embrace  
 Different Features.

The program for the exercises includ-  
 ing the closing of the Pendleton  
 schools will be extended over  
 several days. Friday, May 24, will  
 be the day of school. The program  
 exercises at Fraser opera house  
 Friday evening, May 24, to which  
 admission will be charged, were  
 listed in the East Oregonian Tues-  
 day evening. The continuation of the  
 program for the several days is as fol-  
 lows:

Saturday Evening, May 25.

Saturday evening, May 25, will  
 be the drama, "The Mask of the  
 Devil," at which Queen Ceres will  
 preside, and to whom tributes will be  
 paid and homage rendered by the Sen-  
 ate of the year, and by the Months of  
 different seasons. This will be  
 at Fraser opera house and an  
 admission fee of 25 cents will be  
 charged for reserved seats. In this  
 will occur the May pole dance,  
 other features, including good  
 music and drills interspersed.

Sunday, May 27, will be field day.

Field day, May 27, will be field day  
 at track side of the Baker City  
 school, Eastern Oregon normal  
 school of Weston and Pendleton  
 school team will compete for the  
 team cup, emblematic of the team  
 membership, and for individual  
 prizes. Special rates have been  
 made over the O. R. & N. railroad  
 and it is believed that Baker City  
 is represented by a delegation of  
 about 50. Weston of course  
 will come down strong. The place  
 where the contests will take place is  
 Frasier-Simpson race track on  
 north side of the Umatilla one  
 mile east of Pendleton. The sport  
 will commence at 1:30 p. m. and the  
 program will be run through without  
 delay, so that it will be over by not  
 more than 5 o'clock. A number of the  
 contests will be doubled with others  
 so as to place simultaneously, so  
 as to avoid stringing it out until late  
 in the evening.

Operetta Monday Evening.

On the evening of Monday, May 27,  
 operetta of "The Rescue of Little  
 Ringwood" will be given in the  
 Fraser opera house. Admission 25  
 cents for reserved seats. The dozen  
 acting characters of the play and the  
 chorus of 40 or 50 voices are all from  
 the Pendleton public schools.

Boy Gymnasts.

Wednesday evening, May 29, the  
 program in the Fraser opera house  
 will be given entirely by the boys of  
 Pendleton High school. It is what  
 known as the regular annual gym-  
 nast and physical culture entertain-  
 ment. It will include club swinging,  
 dumb-bell exercises, posing, tumbling,  
 sliding of human pyramids, etc.  
 and other features will be includ-  
 ed to vary the character of the  
 entertainment.

Deferred Until October.

Joseph's Academy Announces That  
 Closing Exercises Are Postponed.  
 In accordance with the wish of the  
 board of health to permit no public  
 gathering of school children, the  
 closing exercises of St. Joseph's  
 academy to be held in honor of Miss  
 Burroughs will be postponed un-  
 til next October. Miss Burroughs has  
 completed the course of studies pre-  
 scribed by this institution and her  
 record is such for the 11 years atten-  
 dance as to merit the highest praise  
 from her teachers and commenda-  
 tion. The school will close the first of  
 the school work which it was

**Quality**

 Next door to Alexander & Hexter's

## PROSPECTS FOR BASEBALL.

**PREDICTION THAT THE TOURNAMENT  
 WILL BE A BIG SUCCESS.**

Voluntary Subscriptions Being Made by  
 the Business Men and Considerable  
 Enthusiasm Shown.

The enthusiasm for good clean amate-  
 ur baseball was never greater than  
 at present throughout the Inland Em-  
 pire, and the prospects for the tourna-  
 ment in Pendleton on July 4, 5, and 6,  
 are excellent. The original intention  
 to have four teams compete for the  
 prizes is believed to be good. The  
 Fontanelias, of Portland, are billed  
 to appear at Walla Walla on Thursday,  
 July 4, which eliminates the Walla  
 Walla team from consideration in ar-  
 ranging the program as far as the  
 fourth of July tournament prizes are  
 concerned. The Walla Walla team  
 and the Fontanelias may be subsidized  
 to come to Pendleton to play an ex-  
 hibition game on July 5 and 6.

**Probable Contests.**

The subject of a baseball tournament  
 was discussed with Manager Osburn,  
 Captain George Brown and in fact all  
 the members of the Athena club, and  
 it met with a favorable reception.  
 Manager Osburn signified assent to  
 having his team made one of the four,  
 if the teams as heretofore announced  
 in the East Oregonian were carried  
 into execution, to wit, pay each visiting  
 team \$100 or such a matter and offer  
 three good prizes in addition of about  
 \$150, \$100 and \$50. That would make  
 it an object for the team to come down  
 to play good ball, and not feel as  
 though it were wasting its time. La  
 Grande is counted on as the second  
 team, but negotiations have not reached  
 a climax. Heppner, it is thought will  
 make the third team, while the Pen-  
 dleton boys of course will make the  
 fourth. The manager of the Heppner  
 team wrote to the Pendleton manager  
 10 days ago asking that the club of this  
 town come there for a game on Tues-  
 day, June 11, the opening day of the  
 Fremont's tournament, and the invita-  
 tion has been accepted. That will  
 cement the good feeling between the  
 two teams and will probably result in  
 Heppner feeling somewhat under  
 obligations to Pendleton, so that the  
 club from there will come over to win  
 if possible and assist in making the  
 tournament a success, a reciprocal act  
 for the efforts of the Pendleton team  
 in making the Fremont's tournament in-  
 teresting.

**Next Sunday's Game.**

An effort is being made to have the  
 La Grande team in Pendleton for a  
 game on Sunday, May 26. It is deemed  
 that this would be a good thing if it  
 can be arranged, as it has been several  
 years since the two cities have been  
 opposed to each other on the diamond,  
 and it would give them both practice,  
 which is desirable. The telephone was  
 brought into requisition this morning,  
 but Manager Murphy of La Grande  
 could not state positively that his  
 team would come. It will be known by  
 Wednesday whether or not the game  
 is on.

### SPRINKLERS HAVE ARRIVED

Streets of Pendleton Will Soon Be Well  
 Wet Down.

The two street sprinkling carts or-  
 dered by the city council of Pendleton  
 from the Studebaker Brothers' manu-  
 factory at South Bend, Ind., were  
 brought in on a freight train on Tues-  
 day afternoon and unloaded at the O.  
 R. & N. depot. Each tank has a  
 capacity of 600 gallons. They cost  
 \$333.33 each laid down at the Pendle-  
 ton freight depot. It is believed that  
 it will be necessary to purchase the  
 sprinkler owned by Walter Walla  
 which with the two new ones, will be  
 sufficient to keep the streets of Pen-  
 dleton well wet down and free from  
 dust.

**Three-sided Affair.**

The sprinkling of the streets is a  
 three-sided affair. The city council  
 expressed a willingness to buy the carts  
 for such use. The water commission will  
 furnish the water as its share of the  
 scheme. Third comes the expense of  
 getting the water onto the streets to  
 lay the dust. A committee of business  
 men circulated a subscription paper  
 and a sum sufficient to pay the ex-  
 penses for the season was raised.  
 This committee of citizens will have  
 charge of the matter. The sprinkling  
 carts will be turned over to the com-  
 mittee during the summer months.  
 The committee will let the contract  
 for the sprinkling of the streets, and  
 the council will not be bothered with  
 it this year. Next year, however, it  
 is thought that the whole thing will be  
 in the charge of the council and the  
 expenses of sprinkling the streets will  
 be paid for out of the public treasury.  
 Councilmen and business men, alike  
 have expressed the opinion that that  
 would be the proper way.

Quite a number of standpipes will be  
 placed in position at suitable places.  
 It will then be possible for the drivers  
 to haul the carts into proper position  
 beneath the standpipe and all the  
 tanks in a few seconds as often as ne-  
 cessary.

The carts will be brought into active  
 service just as soon as possible, which  
 means within a few days.

If people only knew what we know  
 about Kodol Dyspepsia Cure it would  
 be used in nearly every household, as  
 there are few people who do not suffer  
 from a feeling of fullness after eating,  
 belching, flatulence, sour stomach or  
 water brash, caused by indigestion or  
 dyspepsia. A preparation such as Kodol  
 Dyspepsia Cure, which with no aid from  
 the stomach, will digest your food, cer-  
 tainly can't help but do you good.

**THREE HOBOS PASSED ON**  
**One Got Away for a Few Minutes But**  
**Was Recaptured.**

Hobos have made their appearance  
 in Pendleton, and three of them were  
 glad to make their disappearance at  
 9 o'clock this morning when brought  
 up before Recorder Beam. At about

7 o'clock last evening, Officer Scheer  
 was taking a couple of hobos to the  
 city jail, when one broke and ran. Mr.  
 Scheer, of course, was handicapped  
 and could not follow on account of  
 having to take care of the one still in  
 his custody. He called upon Gilbert  
 Minthorn, an Indian, to assist  
 him. Mr. Minthorn was on horseback.  
 The hobo ran from near the city jail  
 on Cottonwood street to Alta and  
 turned east. He again turned at  
 the Church of the Redeemer and ran  
 south, then jumped over the fence in  
 the rear of the house occupied by  
 James A. Howard. Mr. Minthorn dis-  
 mounted and followed the hobo with  
 that keen sense of scent and dogged  
 persistence which have characterized  
 the aboriginal from the earliest period  
 of American history.

The hobo was finally secured and  
 marched back by the Indian. The  
 hobo, after having been recaptured,  
 pleaded with the Indian to be allowed  
 to go, but Mr. Minthorn said no—he  
 had been called upon by the police-  
 man to assist and had to do it, or he  
 himself would come under the ban of  
 the law. The hobo sagaciously and with  
 an air of disgust muttered, "arrested  
 by a Siwash—what would my rich rela-  
 tives and society friends back East  
 think of me if they could see me now,  
 in captivity and in charge of lowly Lo?"

Later in the evening the third hobo  
 was captured. They got out this morn-  
 ing on promise to leave the city.  
 They started for La Grande.

**ANOTHER WONDER OF SCIENCE.**

Biology Has Proved That Dandruff is  
 Caused by a Germ.

Science is doing wonders these days  
 in medicine as well as in mechanics.  
 Since Adam delved, the human race  
 has been troubled with dandruff, for  
 which no real preparation has hereto-  
 fore proved a successful cure until  
 Newbro's Herpicide as put on the mar-  
 ket. It is a scientific preparation that  
 kills the germ that makes dandruff or  
 scurf by digging into the scalp to get  
 at the root of the hair, where it saps  
 the vitality causing itching scalp,  
 falling hair and finally baldness.  
 Without dandruff hair must grow luxu-  
 riantly. Herpicide at all drugists.  
 It is the only destroyer of dandruff.

**SUNDAY SCHOOL UNION.**

Some of the Good Things Done by the  
 Organization.

The American Sunday School Union  
 sends out the following:  
 Millions of dollars have been given  
 in the past year to provide libraries  
 for some of the largest and richest  
 cities of our country. The country dis-  
 tricts are far more destitute of litera-  
 ture, and generally quite unable to  
 purchase it. The American Sunday  
 School Union conducts its publication  
 work, not for money making, but for  
 the widest usefulness, and proposes  
 that appeals be made to enable the  
 society to distribute its literature in  
 larger amount and at lower rates to  
 the needy. Appeals come for a thousand  
 libraries, which would be wisely placed  
 in a thousand rural communities in  
 the Southern states. These would cost  
 from \$10 to \$50 each. As many more  
 such libraries could be wisely used in  
 rural communities in the Southwestern  
 and Western states and on the Pacific  
 coast.

While 1874 new Sunday schools were  
 organized the past year, 594 were re-  
 organized, and 9127 were aided.  
 The missionaries numbered 222, of  
 whom 113 were at work during the  
 whole year. The hopeful conversions  
 reported numbered 7882, and the  
 churches organized from the Union's  
 schools numbered 105, of different  
 denominations. The amount received  
 for missionary work was \$146,101.
