SAVES LIFE

Willard, Ill., August 1, 1800.

I was in bad health this spring and could not sit up in bed for four weeks. When I was confined my child died. When I began to sit up if the weak and had such terrible pains in my back and hips. I had kidney trouble and falling of the womb. I also had hysterical spells. I was in a bad condition when I received your "Ladies" Birthday Almanae" and read the advertisement of Wine of Cardui and Thedford's Black-Draught. Since April 20th. I have taken four bottles of Wine of Cardui and three packages of Thedford's Black-Draught. I feel like a new person now. I can do all my work and can walk out to see any of my neighbors. I believe I would have been in the grave had it not been for Wine of Cardui. IT SAVED MY LIFE.

Mrs. ALICE DAVIS.

It is well that women are more patient than men. Few men could bear the bitter pangs, the agony and distress that women endure. Thousands of women have come to look upon suffering as a duty of their sex. But there are many instances of this heroic fortitude which

WINE OF CARDUI

now renders unnecessary. Women need no longer suffer for modesty's sake. Wine of Cardui brings relief to modest women in the privacy of their homes. Many of the best homes in this city are never without this great medicine. It cures whites and falling of the womb and completely eradicates these dragging periodical pains. Mrs. Davis' cure shows you conclusively what you may expect if you follow her example and take Wine of Cardui. Thedford's Black-Draught aids Wine of Cardui by regulating the stomach and howels. When you ask your drugglet for these medicines, he sure you get them. It was Wine of Cardui and Thedford's Black Draught that saved Mrs. Davis' life. Never take a substitute.
