A Deep Mystery.
It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizziness when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney troubles," writes Mrs. Phoebe Chelrey, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I am now able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c at Tallman & Co.'s drug store.

EPWORTH LEAGUE WORKERS

SESSIONS IN W. E. CHURCH ARE LARGELY ATTENDED.
Bishop Earl Cranston Talked Entertainingly Friday Evening on "China and Chinese Life."

The sessions of the twelfth annual convention of the Walla Walla district Epworth League, being held in the Thompson street Methodist Episcopal church, are being largely attended. The business meeting of the league was held Friday forenoon.

The following committee were appointed:
Committee on Nominations—Chairman, M. H. Marvin; O. M. Gardner, Julia Blackburn, D. H. Cox, J. R. Hall.
Committee on Resolutions—Chairman, Rev. DeWesse, of Athena; Jennie Roberts, C. E. Kuykendall.
Auditing committee—C. E. Kuykendall, O. M. Gardner.
Committee on question box—O. M. Gardner, Cora M. Crawford, J. R. Hall.

Miss Carrie Epple was appointed correspondent for the Pacific Christian Advocate, and Miss Jones as correspondent for the Epworth Herald. At 9:30 Miss Helen Hibbard spoke on "Young People's Societies and Civic Righteousness." Mrs. Kate B. Owen spoke upon "Personal Fitness for Mercy and Help Work."

Friday Afternoon.
The devotional service was led by Miss Cora White. Mrs. H. W. Foster spoke upon "Awakening of the Orient a Missionary Opportunity." Rev. William DeWesse, of Athena, delivered an address on "Secret Power."

Bishop Cranston's Lecture.
The evening song service, led by W. E. Armfield, was followed by an address by Bishop Earl Cranston, of Portland, who spoke entertainingly of "China and Chinese Life." The speaker is an instructive talker and gave a great deal of information regarding matters of which Americans generally have but slight information. He placed the missionaries in a different light from that furnished by many travelers, who had been circulating the report that they (the missionaries) were living high and devoting much of their time to entertaining ships officers, etc. This lecture was highly enjoyed by a large audience. The bishop left at 10:40 for Portland.

SHIPMENTS OF SHEEP.
U. S. Inspector Gives Figures of the Recent Movements.
Geo. S. Hickox, of the bureau of animal industry, whose representative in Pendleton is Dr. Lantz, gives the following figures of recent sheep shipments:

"I have charge of a large territory and have eighteen inspectors working under me at Grand Island, Neb., Douglas, Wyo., Denver, Colo., Provo, Utah, Salt Lake, Utah; Pocatello, Idaho; Soda Springs, Idaho; Huntington and Pendleton, Or.; North Yakima, Spokane, Wash.; Great Falls, Mont.; Billings, Mont.; Rawlins, Wyo.; Green River, Wyo.; Reno, Nev.

"I have just appointed Dr. McKernie inspector at Huntington. The department will not permit the shipment of diseased sheep out of one state into another, but Oregon is so far practically clear of scab. Large numbers of sheep are now moving out of state in all directions and we have to be on the alert, as there are so many exits from the state. The Flat Commission Co., of Omaha, has just purchased 100,000 of Oregon sheep, and the first lot of 25 carloads were shipped from Baker City on the 31st of May. Other shipments will follow from all over the state.

Besides the Omaha purchase, Dr. Lantz' books show the following shipments of sheep made since the 10th of May:

From Pendleton to Frye & Bruhn, Seattle, 18,000.
By Joseph Wright, Shaniko, to British Columbia, 440.
Same, from Pendleton to Idaho, 1,110.
By A. Smith & Son, from Arlington, to Colorado, 900.
By James Hale, from Heppner, to South Dakota, 5000.
By F. Goodkin, from Heppner to Idaho, 11,400.
By Cree, from Echo to Montana, 1078.
By Chas. Cunningham, from Pendleton to Montana, 1078.
By Jules Towne, from Echo to Montana, 4300.
By Cameron Bros., from Pendleton, to Seattle, 790.
By Pope Howard, from Pendleton to North Dakota, 6212.
By C. A. Buckley, Grass Valley to Colorado, 9000.

"There were several other train loads shipped out of the state this month of which I have no record with me, making almost one hundred thousand head shipped by rail, besides 15,000 trailed from the John Day country to California, and 3000 head trailed from Echo to Washington. Prices have been fair and most of the growers are satisfied with the sales made."

ESCAPED DEATH NARROWLY.
Mrs. Kate Brookner Has an Accident Near Athena.
Athena, May 31.—Mrs. Kate Brookner, who with her family lives on the S. S. Grove's farm, 3 1/2 miles northwest of this city, met with what might have been a fatal accident yesterday afternoon. She was returning home from town and had almost reached the gate when her little daughter saw her and came and opened the gate for her, then climbed on the rear of the cart. The horse at this became frightened and ran up the lane at breakneck speed, running over a set of bars at the second gate which had been let down at one end and throwing Mrs. Brookner and daughter violently to the ground. Frank Berlin was passing by on his way to town, and saw the accident. He sent Mrs. Sharp and Botkin to the scene and they found on examination that Mrs. Brookner had fractured two ribs and also sustained slight internal injuries. The child had been stunned, but otherwise was not injured.

ELECTED PARISH DELEGATES.
Church of the Redeemer Vestry Select Three to Go to Portland.
The vestry of the Church of the Redeemer met on Friday evening and selected the delegates to the annual diocesan convention; John F. Robinson, E. D. Boyd, John E. Lathrop. As alternates, there were selected: Frank B. Clotpon, A. Bollerman, J. Tolmison.

The diocesan convention will meet at Trinity church, Portland, on June 20, 21 and 22. Friday, Saturday and Sunday, and will elect this year deputies to the general convention, which will be in session in San Francisco during the first two weeks of October.

The vestry has authorized devoting the offering of the first Sunday evening to the vested choir, to defray expenses and purchase music and furnishings needed from time to time.

The communion service will follow the morning sermon and it is urged that the membership of the church be present. Church of the Redeemer—Divine service tomorrow, Trinity Sunday, at 10 a. m. Litany and Holy Communion at 11 a. m. Choral evensong at 8 p. m. By resolution of the vestry the cash offering at the service on this Sunday evening and on the evening of the first Sunday in each month will be divided among the boys of the choir.

M. E. church, south—Children's day exercises on Sunday, June 2, commencing at 10 o'clock p. m. All are cordially invited.

Christian church—Services will be held morning and evening, preaching by Robert Cople, the newly-called pastor.

Still More Counterfeiting.
The secret service has unearthed another band of counterfeiters and secured a large quantity of bogus bills, which are so cleverly executed that the average person would never suspect them of being spurious. Things of great value are always selected by counterfeiters for imitation, notably the celebrated Hostetter's Stomach Bitters, which has many imitators but no equals for indigestion, dyspepsia, constipation, nervousness and general debility. The Bitters set things right in the stomach, and when the stomach is in good order it makes good blood and plenty of it. In this manner the Bitters get at the seat of strength and vitality, and restore vigor to the weak and debilitated. Beware of counterfeiters when buying.

Fishing is fine here. A couple of the millmen went out and caught 108 one day recently.

Tot Causes Night Alarm.
"One night my brother's baby was taken with croup," writes Mrs. J. C. Snider, of Crittenton, E. O., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from croup and whooping cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." WOOL SALES ARE HEAVY

Purchases Made at Pendleton and Other Points.
During the week wool has moved rapidly from grower to buyer in most of the wool centers of Eastern Oregon. Here in Pendleton, 500,000 pounds have been sold at the range previously noted, 7 1/2 for heavy and clips to 10 1/2 for the lighter fleeces. Charles Green has bought 150,000 pounds; E. W. Brigham, 150,000; E. Y. Judd, more than 200,000 pounds.

The selling movement, which began early in the season, has kept up at most of the wool centers. At Shaniko and in contiguous territory 1,500,000 pounds were bought about a week ago, while The Dalles, Heppner, Arlington, Baker City and Huntington have also transferred large amounts from the grower to the buyers on the east.

Idaho and Wyoming are participating in the selling movement. Wool has moved off readily in the states of the coast region.

Some wool growers are holding, not being confident that the market will be lower and may be higher before September 1, at which time it has been thought the 1901 clip and the remnant of 1900 will for the greater part have gone into buyers' hands.

The presence of so much of the 1900 clip added to 1901, has converted the scouring mills into a veritable beehive, with double crews and more work than can be gotten away with for many a week. So much of the 1900 clip was consigned to the mills for custom scouring, that the manager, Jack Lyette, has been compelled to arrange for a season of rush work to handle all the contracts.

The woolen mills have removed the sample stock of blankets and robes from the Court street warehouse to the buildings at the mill, using a room just north from the weaving room.

It will have between 16,000 and 17,000 square feet of floor space.

Says "Success to Pettigrew."
Echo, Ore., May 29.—To the Editor, —I have just received a clipping in the East Oregonian of the 28th inst., taken from The Dalles Chronicle about ex-United States Senator Pettigrew, of South Dakota. The Dalles Chronicle thinks because Pettigrew has made some money and has been elected president of the Great Northern railroad company that Pettigrew will "turn turtle," just as the editor of The Dalles Chronicle would do, under similar circumstances. The leading social democrat paper in the United States is published at Girard, Kan., and is named the Appeal to Reason. The editor of the Appeal is going to make a special issue called the doctor's issue, and Pettigrew has during the last month paid to send a copy to every doctor in South Dakota. Neither success nor defeat changes a true reformer. Success to Pettigrew. Success to socialism.
