THE CUBAN POLICY.

Cool blooded, lacking in any of the sentiments that have inspired men to colonial power. noble deeds, despotic, tyrannical, trampling upon all the sacred rights of band not even covered with the soft glove of pretended philanthropy. Such an arraignment may be made of the prevailing policy of the administraton, with especial reference to Cuba. Since the early days of the nineteenth Since the early days of the nineteenth century, the United States has stood in the attitude of a protector of Cuba. only awaiting the time when events had ripened sufficiently to warrant intervention against Spanish cruelty, and free the island from the rule of a decaying monarchy. We boasted our championship of the glorious principle championship of the glorious principle Foraker act. The customs duties colof man's freedom. We stood before the lected by executive order on trade be-world as the brightest example of the tween the ports of the Philippines and success of man against the kingly and imperial oppressions of the ages. supreme court's ruling is accepted, and Other nations' common people looked none will deny that it is final, the to us with mounting hope that the constitution has been in full force in republic's career would eventually teach the world that freedom is the ment except congress has authority to best, and that government is for man, withdraw a single clause of it. Porto not man for government. Our national lileo, the supreme court decides, is not celebrations have been occasions when orators proclaimed the greatness of a the rights of the Philippines are still people who stood for all that is hu- intact in theory, thanks to the neglect mane and just. Our poets wrote of of an imperial congress—unless the freedom and our battles were for it. Spooner act suffices to protect the president. But prompt steps will be taken Our statesmen in the beginning to remove doubt on this point, if the thought out a plan that would, so they dispatches from Washington are acthought, make for the permanent es- curate. If we are to have freedom of tablishment of the cherished principle. trade with the Philippines, it is only because of the temporary embarrassof the president's mouthpiece, Gen. subtle reasoning. The rumors of an

This is the triumph of the doctrine

he should be. COLLEGE BOYS NEED TO SCHAP.

The Baker City Herald remarks that "Hoosier undergraduates seem to be FORECASTING THE POLITICAL SCOPE. merry men. At Vincennes university papers. One of the derided editors and weather the lee shore of the vice presi the 'roasters' manuscript in pieces, the senator blushes and says Thereupon some twenty-five students sense" very emphatically, and I think rushed upon the platform and made a 'rough house.' Several students were mauled copiously. One offending editor had his cicthes torn off. In the afternoon the editor who rushed into the chapel was dragged through the street with a rope about his feet, while his amiable little mates yelled 'hang him.' At night the editors were ducked in the Wabash. All this is considered by the students as conducive to a higher education." It is conducive of higher education.

It is just as necessary in an institution of advanced learning as food for the students. Any man who spent four years in computing logarithms, in translating and construing Greek and Latin, in masticating the fodder of his- is trying on the eyes. If there is any strain when sewing you should support to a train torical fact, and who did not once in a while let off his surplus nerve force in some manner like that of the Vincennes boys, would be a very tame individual when he left the campus and we can mail ordinary cases in a few minus and at small cost. Where there are compliced went into the world. Those very men tions we make to order. who were striving against each other in such apparent desperation probably DR. W. E. GARRETSON. were on friendly terms at other times

and each liked the other the better for his spirit and vivacity. Those mixups don't hurt college boys, but do

CONGRESS' IMPERIAL POWER.

imperial power upon congress with one hand, it withdraws it with the other from the president. It deciares in the made notable by the presence of the most positive manner that the executive, and his companions tive cannot extend or restrict the appli-beckoned bim to be silent. But he tive cannot extend or restrict the appliauthority. When Porto Rico became domestic territory upon the ratification of the treaty of Paris the general laws of the United States applied to the island of their own force. The second not have asked a more embarraseing question at a republican meeting. The administration is living in the present, with no thought or plan for the inture. It might be of the treaty of Paris the general laws for the mure. It might be well for the united States applied to the istime of the United States applied to the island of their own force. The constitution president to consider the simple operation propounded by the California tion was subject to the disposition of question propounded by the Calliornia congress, the court holds, but not of the president. The collection of customs duties on trade between Porto Rico shutting out competition, issuing and the states was in violation of the constitution, and the duties levied prior securities dividend-paying by the to special legislation by congress are ordered refunded. If we are to have imperialistic government in our new possessions it can be by authority of about next week?" ongress alone. No president can assume absolute power at his own will, whatever the exigencies of the moment. This is a disconcerting theory and levying tribute upon the entire of law for the administration, and its country. They may be willing to conof law for the administration, and its country. They may be willing to con-announcement comes late, but it may tribute largely to the republican camsave us from the errors of personal rule in our future expansion as a The president would have saved him-

self from this judicial correction if he had impressed upon congress the nec-Philippines—war between the government and its subjects—as commandering-chief of the military forces his and moral precepts is being lost sight

In the light of the pronunciamento ment occasioned by the supreme court's C. H. Grosvenor, of Ohio, we have extra session of congress to enact a notified Cuba that she must accept our terms, the Platt amendment, or be given terms aver more severe 1; is given terms even more severe. It is driven to resort to the dangerous exthe threat of a bully. 'If you don't do as I order, I will lick you."

This is the triperal of the doctrine are encouraged to believe that the

constitution will stand another wrench. of expediency over the creed that man The constitution prohibits export should be just as free as God intended taxes, but who dare say that that particular provision applies to our outly ing territory, since the supreme court has construed the organic act in so iteral a spirit?-Philadelphia North

It is a trifle early yet to divine polithe other day after the close of the tical horoscopes for 1904, but there are regular exercises in the chapel, a siready surveyors out with their sharpsenior as chairman of a 'roasting com. ened stakes, level and rods and chains mittee' stood up and, began to read a to measure public opinion. The next campaign promises to hinge more on parody of Scripture in derision of two personalities than on issues. Of course other seniors, editors of the college Vice President Roosevelt is expected to one of the instructors burst into the chapel, raced to the platform and tore Hanna is the logical man. To this

Sign Big Bye, Court St., Pendleton, Or.

quite earnestly. In his home office at Washington, I found him barreaded behind a mass of correspondence, keeping a number of stenographers busy, working to rest—and then he will rest to work. On the wall hung his commission as colonel. He has just joined the G. A. R. He was a rosy-cheeked boy lieutenant in the Fifteenth Obio. which was detached for duty at Washington in 1864.

So Senator Hanna was no stranger to Washington when he came upon the field as president-maker. I asked him if he ever thought, when wearing the jaunty kepi and doing guard duty for honest "Old Abe" at the White House, if he ever dreamed he would be so imif he ever dreamed he would be so important a factor in president-making, and he said "No," and said it very bluntly, too. After long years of devotion to business he remained plain Mr. Marcus A. Hanna. After he won his spurs as the Warwick of '96, Kenyon college made him a LL. D., and now he is a colonel. Whispers of presidential timber also include the name of Senator Fairbanks and too—Senator of Senator Fairbanks and too—Senator John C. Spooner, whose splendid brain equipment and statesmanship has been equal to the insular problem. Oppos ing party leaders are alert in watching straws. The democratic party is a factor to be reckoned with, for no prophet has dared venture a forecast of 1904. -Joe Mitchell Chappie.

"WHAT ABOUT NEXT WEEK?"

When President McKinley was addressing the laboring men at San Francisco and congratulating them up on their "prosperity" and "content-ment," one brawny wage-earner arose But while the supreme court confers and asked, "What about next week? Of course, he was guilty of some dis-courtesy in thus interrupting a meeting

The trusts are swallowing the industries, building up enormous fortunes, paign fund today, but what will be the effect upon industry?-"What about next week?"
