

Celebrate 4th of July in Pendleton.

PENDLETON TO CELEBRATE

INDEPENDENCE DAY WILL BE OBSERVED HERE.

Meeting Called for Tonight to Form Committee and Lay General Plans for the Fourth.

It is settled that Pendleton will celebrate the Fourth of July.

And, inasmuch as Pendleton usually celebrates pretty well when she starts out to do a job of celebrating, it is safe right here to assert that Pendleton will have a good time to offer her guests who come here during the week ending July 6.

No one knows what will be done. But that something will be done and done right, everyone knows who knows enough to come in out of the rain.

Tonight's Meeting.
At the council rooms this evening will be held a meeting to form a general committee and lay general plans. It is hoped that the business men will attend and exhibit some interest in the preparations. It is desired that the celebration be a success, and that new ideas as to how it should be carried on be advanced. Therefore, let all public spirited men be at the council rooms at 8 o'clock this evening and attend this meeting.

In a general way, it is expected that a baseball tournament will be a prominent feature. Already, \$500 has been subscribed by the men here, and other business men will be seen at once. It will be suggested that they mention the celebration in all the advertisements they insert in newspapers.

SPORTSMEN IN SESSION

The Medal Shoot and Other Contests on Sunday, June 9.

A well attended meeting of the Pendleton Sportsmen's association was held Thursday evening in the council rooms. Principal interest centered on a discussion of the medal shoot and a special contest which are to take place on Sunday afternoon, commencing at 2 o'clock. The eye-opener for the day will be a contest at 10 bluebirds each for special prizes. The first prize will be a sweater offered by E. M. Lyons, of the St. Joe store, second prize a belt offered by Leo Tentsch, of the Cleaver Brothers Dry Goods company; third prize, a pound roll of Ukiah creamery butter, donated by J. M. Spence, the agent of that concern. A prize will be given to the one breaking the fewest bluebirds in the contest. In that he shells will not cost anything, H. J. Stillman donating the shells. This match will be shot under the Butte handicap rules, the same as those governing the medal contest.

ARRIVALS AT HOTEL PENDLETON.

- William R. Bullus, Newport, Or.

She Didn't Wear a Mask.

But her beauty was completely hidden by sores, blotches and pimples till she used Bucklen's Arnica Salve. Then they vanished as will all eruptions, fever sores, boils, ulcers, carbuncles and fells from its use. Infalible for cuts, corns, burns, scalds and piles. Cure guaranteed. 25c at Tallman & Co.'s.

Can't Beat Martin.

You can't beat Martin's prices on groceries and you can't find a nicer, cleaner stock of groceries to select from. He has now in stock a special line of fancy cheeses including imported Limburger. Try some of the kippered herring and smoked white fish that he has received from the East. Remember the bakery department of Martin's store is the best in the city.

Old Soldier's Experience.

M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at Tallman & Co., drug store.

BYERS' BEST FLOUR

To make good bread use Byers' Best Flour. It took first premium at the Chicago World's Fair over all competition, and gives excellent satisfaction wherever used. Every sack is guaranteed. We have the best Steam Rolled Barley, Seed Rye and Seedless Barley.

PENDLETON ROLLER MILLS

W. S. BYERS, Proprietor.

"See Dem Freezers"

I have a full line of.....
The Peerless Ice Cream Freezers from one pint to ten quarts, will freeze cream in from three to five minutes; also have a full line of fishing tackle, hammocks, etc. See my line before buying.....

C. TAYLOR, the Hardware Man.

increased consumption of shoddy, which necessarily decreases the demand for wool.
"The national association maintains that it is perfectly consistent in demanding this legislation. Oleomargarine manufacturers, packers, distillers, brewers and tobacco and cigar manufacturer and other branches of trade are obliged to submit to federal inspection and to the proper classification of their products and the sheepgrowers feel there can be no valid reason why not be enacted, especially when one of the leading industries of the nation is endangered by the fraud now practiced upon it."

THE MARION COUNTY CROPS

Grain and Fruit Slightly Disappointing as to Prospect.

Salem, June 8.—Grain fields on the Marion county prairies are not showing as heavy a stand as was expected. The grain in summer fallow is ahead of other fields, especially in the valley, and was summer fallowed early and harrowed down well.

Hop yards as a whole show up finely. Many of the old yards show a poor stand of vines, but are making good growth and no signs of aphides have yet appeared. The general opinion is that good prices will prevail.

The Italian prune crop will be a record breaker, and the petite and silver prunes are showing a better prospect, although thin in places.

The cherry crop that promised to be heavy early in the season, now promises to be very light. Apples are showing a better yield than was expected, but will not be one-half a crop, though of excellent quality. Cool weather throughout the week has been detrimental to all crops.

Social doings for this week have been given up for the college commencement exercises, in the various educational institutions. The electric physicians' convention took place Wednesday. Friday evening the law school graduating class occupied the grand opera house with Dean S. T. Richardson master of ceremonies and P. H. D'Arby principal orator.

ACCIDENT AT GOLCONDA

James French and John Dunstan Are Seriously Injured.

Baker City, June 7.—Late this afternoon news was brought to Baker of an explosion in the shaft of the Golconda mine, in which James French and John Dunstan were seriously injured, perhaps fatally. French's eyes were blown out and his face badly mutilated, and it is believed he will live only a few hours. Dunstan's condition is not known so definitely. The explosion was a shot of powder which had been placed by the preceding shift and had failed to go off. The Burleigh drill being operated by French and Dunstan struck the charge.

GRAND RONDE VALLEY.

Damage From Freezing on Tuesday Night Was Considerable.

William Sargeant, a lawyer, mining man and lumberman of Lawton and La Grande, is a visitor in Pendleton and will leave Saturday morning for Spokane. He states that the damage to crops by freezing in the Grand Ronde valley on Tuesday and Tuesday night, June 4, will be for \$200,000 to \$250,000. The principal loss was on account of the damage to sugar beets. Fruit of different kinds was also injured. The extent of the damage to the wheat and barley crops could not be estimated when he was at La Grande, as the farmers had not been able to discover for themselves how badly the grains had an erod.

Beware of Ointments for Cataract that Contain Mercury

Such mercury will surely destroy the sense of sight and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescription from a reliable physician, as the damage they will do is ten fold to the good done by the medicine. Beware of the cheap, low priced, "miraculous" cures from the "Hall's Catarrh Cure," manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Beware of cheap imitations. Hall's Family Pills are the best.

For Sale.

One ten foot leader, three header beds, one harness horse. Pits improved power almost new. Call or address, J. T. LIEUALLEN, Adams.

Kezema, saltrheum, tetter, chaffing, itchy poisoning and all skin tortures are quickly cured by DeWitt's Witch Hazel Ointment. The certain pile cure.

Number Your Houses.

See official notice bottom second page of this paper.

A suite of rooms in the East Oregonian building, hot and cold water, bathroom, for \$11 a month during the summer. Apply at the East Oregonian office.

FOR Baby's Bath USE CUTICURA SOAP.

It prevents chaffing, redness, and roughness of the skin, soothes inflammation, allays itching and irritation, and when followed by gentle applications of CUTICURA Ointment, the great skin cure, speedily cures all forms of skin and scalp tumors and restores the hair.

GOT A VERDICT FOR \$20,700

RAILROADER WINS OUT IN CIRCUIT COURT.

Suit of G. D. Simmons Against O. R. & N. in the Circuit Court.

The suit of G. D. Simmons against the O. R. & N. company for \$40,000 damages came to an end in the circuit court on the afternoon of Thursday, June 6, when the jury brought in a verdict in favor of the plaintiff and fixed the damages at \$20,700. Judge A. S. Bennett, of The Dalles, and District Attorney T. G. Hatley appeared for the plaintiff and W. W. Cotton, of Portland, and Carter & Raley, of Pendleton, for the defendant company. The point raised was that Mr. Simmons was not a passenger, within the legal meaning of the word, when the accident happened at Kamela on May 18, 1900. He was a fireman working on a helper, but had been at La Grande on the above mentioned date, for medical attention. He did not pay his fare on the trip from La Grande to Kamela, according to the custom of railroad employees. There is a rule of the O. R. & N. company that no passengers shall be allowed to ride on freight trains. Mr. Simmons did not alight from the train immediately after its arrival at Kamela, and was badly injured in a rear-end collision which occurred in the yards shortly afterward. His left hip was thrown out of joint and the socket crushed, so that Mr. Simmons will be a cripple for life. One leg and several ribs were also broken.

Overcome at the Verdict.

When the verdict of the jury was read fixing the damages at \$20,700, Mr. Simmons was overcome by his emotions. He choked up and afterwards said that he couldn't have expressed his thanks to a single one of the jurymen if it were to save his life. He was well pleased with the verdict, but said the company could keep the money in welcome if it could only put him in such health and strength as he had prior to the accident.

An Appeal Will Be Taken.

The defendant's attorneys state that the case will be appealed. They say the question to be settled was purely a legal one, and they want it passed upon and settled by the supreme court of this state, so that there will be no necessity in the future for trial of such cases. If employees are passengers when riding on trains under such conditions, their course will be entitled to damages.

TAPE WORMS

"A tape worm eighteen feet long at least came on the scene after my taking two CASCARETS. This I am sure has caused my bad health for the past three years. I am still taking Cascarets, the only cathartic worthy of notice by sensible people."
