THE AMERICAN TROOPS WILL REMAIN Until the Demands of This Country Have Been Complied With, Without Qualification.

He insulted Laberdeque afresh before leaving the field, and another duel was decided upon on the spot. After the combat was over, the principals, seconds, doctors and spectators engaged in fierce words. While this was going on, two Paris reporters got into a hot anti-Semitic argument, and then and there arranged a duel. It is considered likely that other duels will grow out of the affair.

Regis received his wound in the first round. It bled profusely. When he felt the touch of cold steel, Regis shook and his uninjured arm at his adversary and screamed "assassin."

THE FIREMEN'S TOURNAMENT NOT CALLED OFF

President McDonald Made an Unauthorized Statement.

HEPPNER WILL HAVE THE EVENTS. Pendleton Ball Team to Play There on Tuesday—Heppner Shows the Usual Enterprising Spirit.

Heppner, June 8.—Special to the East Oregonian.—The firemen's tournament has not been called off. All reports to the contrary are erroneous. Teams will be here from Walla Walla, Watsburg, Dayton, with the Heppner team making four. Heppner is expecting immense crowds from Pendleton, Weston, Walla Walla, Dayton, Watsburg, Arlington, The Dalles, and all the people of Morrow county will be here. Heppner extends an invitation to all her friends to come here on Tuesday, Wednesday and Thursday, and accept her hospitality.

Report Was Inaccurate. B. A. McDonald, of Dayton, was too precipitate in announcing that the firemen's tournament at Heppner next week had been called off, or else the newspaper correspondent sending the dispatch appearing in Friday's East Oregonian was incorrect in quoting Mr. McDonald. He is president of the Eastern Oregon & Washington Firemen's association, and the announcement in the telegram was supposed here to be authoritative.

The telegraphic announcement was doubtless due to misapprehension, and this prominence is given to the correction of the correspondent's misstatement, that the attendance at Heppner's big meeting may not be adversely affected.

Many will go from Pendleton, as Heppner has many friends here, who are anxious to assist in making the tournament a success.

Pendleton Ball Team Going. Manager Eaker received tickets this morning for the members of the baseball team Pendleton to Heppner and return. The party will leave Pendleton at 8:15 Monday morning, June 10, and play at Heppner on the afternoon of Tuesday, June 11. La Grande has decided not to send its baseball team to the tournament to be held in Pendleton July 4, 5 and 6. The Athens and Heppner teams have said they will be here. One more team will be secured, making four in all.

Some Biblical Plays. The devil was the first coacher, says a retired baseball editor. He coached Eve when she stole first. Adam stole second. When Isaac met Rebecca at the well she was walking with a pitcher. Sampson struck out a good many times when he beat the Philistines. Moses made his first run when he slew the Egyptians. Cain makes a base hit when he slew Abel. Abraham made a sacrifice. The prodigal son made a home run. David was a long distance thrower, and Moses shut out the Egyptians at the Red sea.
