### PENDLETON'S BIG FOURTH

THE DAY WILL BE PROPERLY OBSERVED HERE.

The Festivities Will Include a Bicycle Parade on the Night of the Fourth, With Baseball Several Days.

At the meeting of business men held at the council rooms on Friday evening, June 7, the most favorable reports were received. C. E. Roosevelt presided, and J. E. Krauss was named to take charge of the work of arranging the sporting events, and to work with the committee of three to see that the necessary funds were available. Mr. Roosevelt afterwards appointed Lee Teuseth, Leon Cohen and J. E. Russell as such committee.

An Old-Time Fourth.  
The program for the Fourth will conform to tradition. There will be a reading of the Declaration of Independence and an oration. In the evening there will be a gorgeously illuminated bicycle parade, and it is hoped that wheelmen and wheelwomen will join in to make this feature a success. A platform will be erected for dancing on the night of the Fourth, day and night. The Helix and Athena bands have already been secured, which, with the recently organized Pendleton band will be enough to furnish music for all.

A baseball tournament will be in progress July 4, 5 and 6. The Athena, Heppner and Pendleton teams have already been secured, and one more will be obtained to fill out the schedule, so that two games may be played each day, one in the morning and one in the afternoon. Ample prizes will be provided sufficient to pay the expenses of the outside teams, and in addition three large money prizes will be awarded, \$150 to first \$100 to second and \$50 to third. The fourth club may be La Grande, Huntington, Baker City, or Dayton, Wash.

### GEORGE MAPLE WON MEDAL

The Monthly Shoot for the Badge and General Merchandise.  
The monthly sportsmen's association on Sunday, June 9, was of more than ordinary interest. In addition to the usual shoot for the badge representing the club championship for one month, there was a shoot for what were called the general merchandise prizes. These were prizes in the latter contest, as follows: First, a sweater offered by E. M. Lyons, of the St. Joe store; second, a belt offered by Leo Teuseth, of the Cleaver Brothers Dry Goods company; third, a two-pound roll of fourth Irish creamery butter, offered by J. M. Spence, Pendleton agent; fourth, five shells to the shooter making the poorest score.

In the general merchandise contest, H. J. Stillman and F. W. Waite tied for first, each shooting 10 straight; they tied three times more on 9 out of 10. Stillman was out the fifth 10 with 10 straight, Waite breaking eight. For the belt, C. J. Hamilton, D. C. Clarke and George Maple tied with 9, after adjusting the handicap. On the shoot-off Hamilton won with 8 out of 10. The contest for the butter was spoiled, three of the married men being very anxious to secure it. On the first round Pat Turner, W. W. Hoch, J. M. Spence and A. D. Stillman were tied with eight each. On the shoot-off, Pat Turner got away with the fat by breaking 9 out of 10. Ed Jay's shells were furnished to him free by H. J. Stillman, because he had the lowest score.

The Medal Shoot.  
The medal shoot was won by George Maple, with 23; H. J. Stillman from scratch, 22; W. W. Hoch, from scratch, 21. According to the handicap rules governing, Maple was entitled to shoot the second time at ten rounds missed. He shot 10 out of 25, and being entitled to a second try at 10, broke 8, bringing his total to 23, and giving him possession of the trophy emblematic of the association championship for one month.

They will remain several days and talk up Pendleton's Fourth of July tournament while watching the freemen's tournament and the baseball game.

### THE OLD MAN USED A RIFLE

Shot An Assassin and Then Reported it to Baker City.  
City Baker City, June 10.—An aged farmer named Pierce, living in Pleasant Valley, ten miles from this place, came to Baker last evening and offered to surrender himself for shooting and killing two men. He did not know how many. Further investigation by the county officials revealed that a young man named Munn had been shot in the leg, but that so far as could be learned, the Munn boy's companion, named Hooker, had not been injured. So far no complaint has been made against Pierce, and it is believed

that the affair will not go into the courts.  
Particulars are meager. Pierce says the two young men rode up to his place, called him outside and administered a sound beating. He called his son, a mere boy, who brought out a Winchester. At eight of this the assailants started to run, and Pierce fired at them. When he came to this, he did not know whether he had killed a man or not, as he admitted being highly excited at the time and laboring under great passion. He asserted that the act was purely self-defense, and that he is willing to stand trial, if necessary. He still remains in Baker City, but no effort is being made to prosecute, as it seems to have been a neighborhood row in which all were at fault more or less.

Cowboys Leave Tonight.  
Glen Bushlee, Barnhart, Brown, Mintorn and Wild Bill, composing a party of cowboys and daredevil riders who will leave tonight for Portland, when they will furnish some of the excitement for the Purple carnival being given there under the auspices of the Elks. Fred T. Merrill is largely responsible for getting the above attraction. Robin W. Fitcher, agent at Pendleton for Mr. Merrill, will go to Portland directly from Heppner after the baseball game and remain during the carnival.

The degree of bachelor of laws was conferred upon the following graduates of Willamette university: Elmer E. Parker, C. M. Inman, W. E. Shaw, E. C. Judd, I. H. Van Winkle and H. H. Turner. The program consisted of several musical numbers, a reading by Miss Laura Thomas and an address to the class by F. H. D'Arcey.

Work has begun on the big smelter, says a Weiser dispatch. Several carloads of grating and building tools have arrived from Cambridge and Boise. A large force of men is now at work. The plans for the big plant have arrived and provide for 2000 ton capacity, but for the present only a 100-ton stack will be put in.

Mr. and Mrs. G. W. Cobb crossed the Cascade mountains by the Santiam route about 10 days ago. They tumbled snow for 10 miles, and it averaged about five feet deep. At times they had 12 horses hitched to one wagon. It took them four days to make the route, but failed.

A statement given out by the war department shows that all but \$7577 of the claim of Oregon of \$40,238, for outfitting her volunteers during the Spanish war, has been paid. But \$1495 has yet been allowed Washington on a claim amounting to \$45,810, while Idaho has secured all but \$1551 of her claim for \$29,183.

Danger, disease and death follow neglect of the bowels. Use DeWitt's Little Early Risers to regulate them and you will add years to your life and life to your years. Easy to take, never grips. Tallman & Co.
