George Ernst, while out shopping last Saturday, purchased a chicken at the White House grocery. When he took it home his young son Charlie spoke for the chicken, saying that he believed that chicken had been eating gold. The chicken was killed and Charles got the pizzard. He panned out the contents of the above mentioned organ, and sure enough struck gold. He got one nugget of a weight sufficient to be worth nearly 25 cents.

The piece of gold was not in its native state, but was a piece from a manufactured article of jewelry of some kind.

CIRCUS MEN IN TROUBLE The Billposters in Advance of McDonald's show threaten to strike. Harry Busenbart and a force of two men arrived in Pendleton on Monday in a special car and proceeded to bill the town for McDonald's circus which is to come here on July 4. They posted up a great quantity of paper, attached to their business during the day, and some of the men wanted to draw some of the money owing to them that evening. Mr. Busenbart refused to allow them to draw any of their wages. This Tuesday forenoon, June 25, F. M. Heaton quit his job and entered suit in Justice Fitz Gerald's court to recover \$61.75 for wages alleged to be due. The summons was given to John M. Bentley to serve. He went down to the O. R. & N. depot and attached the car for the debt, and placed the car in charge of Deputy Sheriff D. Turner. Mr. Busenbart says he has the car leased and that Mr. McDonald has no claim on it, and that, therefore, it cannot be held for a debt owed by Mr. McDonald. The ownership of the car and the liability of Busenbart will be settled in Justice Fitz Gerald's court.

General Strike Threatened. Mr. Busenbart has practically finished papering the town, and the strike war don't affect him much. Two of the men have already quit, and the other three are awaiting the outcome of the pending suit before they decide what they will do. If Heaton wins his case and gets his money the others will follow his example.

Narrowly Escaped Injury. M. A. Ferguson and a man who accompanied him, name unknown, narrowly escaped injury at 11:30 o'clock on the night of Monday, June 24. Mr. Ferguson is a wheat warehouseman and insurance man, of Adams. He had his team in Froome's livery barn and was ready to start for home at the above mentioned hour. As he was about to start, the horses having been hitched up and the men being in the carriage, one of the straps holding up the neckyoke broke. The horses started out and ran up Main to Alta street, missing the telephone pole in front of the Pendleton Savings bank by a narrow margin. They continued their wild race east on Alta street and were finally brought to a standstill near the St. Francis academy. With the exception of the broken strap no damage was done apparently. Mr. Ferguson held on to the lines for dear life and prevented the horses from getting far enough to the carriage to allow the pole to drop from the neckyoke. To that fact he owes his escape from serious injury.

THE SHOOT AT WALLA WALLA

TWO HUNDRED MARKSMEN ARE PRESENT AND TO PARTICIPATE. The Shoot Opened on the Garrison Grounds and Continues to End of the Week.

Walla Walla, June 25.—The 17th annual tournament of the Sportsmen's Association of the Northwest opened at the Garrison grounds today and will continue throughout the week. Yesterday was taken up in pool shooting by the gathering marksmen. At 9 o'clock last evening in the dining rooms of the Hotel Decree was held the annual business meeting. The election of officers will be held Wednesday evening. One hundred and fifty shooters are already in the city and it is thought that the number will be swelled at least 50 more. Over 30 clubs are represented and the representatives come from all parts of the Northwest from the Rocky mountains to the straits of San Juan de Fuca; citizens of two nations, Great Britain and the United States.

The meet is under the auspices of the Walla Walla Gun club and its members have spared neither time nor convenience to make the tournament the most successful ever held by the association.

Owing to the hospitality of Maj. L. E. Polk, commanding officer at Fort Walla Walla, the garrison grounds were secured and the events take place on the military reservation. Any person taking malice or spiteful injuries on the grounds or having it in his possession will be liable to arrest by the military authorities.

Two thousand dollars in trophies and over \$1000 in cash will be shot for. Tents, awnings and chairs for the convenience of the shooters are in place, and a lunch counter and a refreshment stand are also on the grounds. The shooting stations and the tents are decorated with American flags.

Four sets of traps will be used in shooting the different events. Two are composed of three sets of traps arranged on the Sergeant system; one is a set of five experts placed in a straight line three yards apart over which all trophy events will be shot and one is a Magauntrap which will be used only for extra events.

Ware, of Spokane; and the prize money of the tournament will be devoted to target shooting and on Friday and Saturday live bird contests will be held.

Only bonifide members of any club belonging to the association eligible. First prize, team trophy, held by Spokane club and 50 per cent of purse; second prize, 30 per cent and third prize 20 per cent.

Ninety Shooters Take Part. The first event opened at 9 o'clock, with ninety shooters present, and the weather cloudy and some rain. Those who obtained first money in this event were Sheard, Rowe, Stevens, Cooper, Merritt, T. S. Stevens, Nalbach, Jarvis, Smith, Bigelow and Doo, each making a score of 15 out of 25.

In the second event first money was shared in by Whitworth, Bigelow, Coullar, Sheard and Snyder, these making the full score. In the third event Fisher, Holohan, Samble and Haight captured third money, making the full score. The score of Pendleton shooters in the three events were as follows: H. J. Stillman, 11, 12, 11; Spence, 14, 12, 10; Waite, 11, 13, 12; A. D. Stillman, 9, 7, 10.

The Chinaman Sailed. Some time ago a well-known San Francisco attorney, who prides himself upon his handling of Chinese witnesses, was defending a railway damage case. Instead of following the usual questions as to name, residence, if the nature of an oath were understood, etc., he began: "What is your name?" "K Lung." "You live in San Francisco?" "Yes." "You believe in God?" "Mr. Attorney, if you mean to understand the reality of my Creator, I will simply say that Thursday evening next I shall address the State Ministerial Association on the subject of the 'Divinity of Christ,' and shall be pleased to have you attend."

AN EPISCOPAL LAW.

One Proposed by the Joint Commission of Revision of the Church. "No person divorced for cause arising after marriage and marrying again during the lifetime of the other party to the divorce shall be admitted to baptism or confirmation, or received into the holy communion, except when the penitent and separated from the other party to the divorce and in immediate danger of death, but this canon shall not apply to the innocent party to divorce."—Section I of Canon 37 of the Protestant Episcopal church as proposed by the joint commission on revision.

This law—final save for an appeal to a bishop—which has been agreed on by the joint commission appointed to revise the constitution and canons of the Protestant Episcopal church, will entirely change the attitude of the church toward divorced persons, bringing its position nearer to that of the Roman Catholic church, which does not recognize divorce at all.
