Porter against Ed Switzler, Ernest Tatom, John Doe and Richard Doe to recover \$1000 from them through circuit court channels. Collier and Collier are attorneys for the plaintiff. A second action, with the same plaintiff, defendants, attorneys and complaint as above, was also filed. The difference is that the judgment asked for is \$300, for \$125 which is alleged to have been lost by the plaintiff to defendants at the Maze saloon, on large \$20. on June 22.

ESTIMATES OF WHEAT FIELDS

M. M. Wyrick Returned Tuesday From His Wheat Fields.

The wheat of Umatilla county has reached that state of growth that practically assures a bountiful harvest. is a little too early in the season to make a close estimate of the total crop, but within a few weeks, as the esti-mates are submitted by the different farmers, it will be possible to figure it out like a proposition in mathematics.

M. M. Wyrick's Report. M. M. Wyrick has recently visited his wheat and rye fields on Prospect farm and at the home ranch in Despain gulch, and returned to Pendleton Tuesday evening. He says that his wheat crop is assured and that he will commence harvesting on next Monday. July 1. There are a few heads of green wheat in the different fields, but the crop as a general thing is ripe and the crop as a general thing is ripe and almost ready for the sickle.
