Iowa City, Iowa, Aug. 15, 1990 My wite was nick for three years. We tried everything without ruliaf and spent much money. My wite tried Wine of Cardui and four bottles cured her. Bhe took two more bottles, knowing she would have to work hard during the hay harvest. Bhe attended to all her house-hold duties and loaded and unloaded all the hay. This medicine gave her strength. For-merly she was weak and tired and could hardly get about, but since she has been taking Wine of Cardui she feels bettor and stronger than when 20 years of age. JOS. A. EISEN HATER.

Mrs. Eisenhafer had tried everything during her three years sickness and had spent consid erable money. She was weak and could hardly get about for three years before she took

WINE or CARDU Now, after taking the Wine of Cardui, she can

work with her husband in the hay field. That is hard work, but it is not as injurious to a woman's health as labor in stores, factories and offices where thousands of girls are closely con-fined year after year. With the aid of Wine of Cardui a woman can do any reasonable work and enjoy good health. The health that Wine of Cardui brings makes a woman vigorous in body and mind.

Freed from those terrible devastating pains a woman grows well and strong naturally. Wine of Cardul regulates the disordered menstruation and cures leucorrhoea, falling of the womb and periodical pains in the head and back caused by standing or sitting a long time in the same position. Thedford's Black-Draught puts the bowels, stomach, liver, kidneys and blood in proper shape. Greatly increased strength and endurance is the natural result. Most cases are cured quickly. All druggists sell \$1.00 bottles of Wine of Cardul and 25 cent packages of Thedford's Black-Draught. Fur service and literature, address, giving symptoms, "The Ladies' Advisory Department."
