met on equal ground the greatest Miles upon miles are recled off as diplomate of modern history. In industrial revelations, in mental acomen, in flight, and turns squarely around to physical development, she has gone a face his pursuers. He is at bay, and So there need be no worry in the their wind. The wolf cannot escape, natter of finding sufficient presidential The science of dogology might solve

thinks of the fight that awaits his comescort appear. The coyote at bay is surrounded by the dogs. The circle of greyhounds parts to let the buildog through. One instant he stops to fix his ptercing eyes upon his foe. His tired limbs tramble as he nerves himself for the fray. He squars upon his baunches and leaps squarely at the throat of the wolf. The greyhounds Fierrely the battle rages, while the blood of dog and wolf mingle to stain the reeds to crimson. Over and over they roll in deadly embrace. At last the building stops and looks around. The jaws of the coyote, that have been closed in a death-clutch just over the buildog's beart, fall apart. The wolf is dead.

SUNCHGRASS WISDOM.

There is a good deal being said in the newspapers these days about diverfarming. If I lived where direreified farming would pay better than wheat growing I certainly would something besides. The average farmer is no more averse to wearing out the sent of his pants than the average editor or the average man of any other avocation. If the average farmer can make as much money ridng around on his gangelows, seeder ad combine parvester, as well as doing mat of his other farm work, he is going to do it in preference to harder and more tedious work, such as milk-

The Skin an index to the Blood

these small drain pipes perspiration passes out, carrying with it the impurities that are thrown off by the blood. Should the pores of the skin be entirely closed for even a brief space of time, and the poisonous matter forced back into the circulation, instant death would result. In addition to the sweat glands, the skin is provided with certain others which pour out upon it an oily substance, keeping the skin pliable and soft and protecting it from heat and cold. The blood and skin are so closely related that whatever affects one seriously interferes with the functions of the other. tions of the other. Not only health, but life itself, depends upon perfect harmony between the blood and skin. When, therefore, the blood becomes poisoned from any cause, it quickly Internal and manifests itself upon the skin in the form of sores and ulcers, pimples and various External Poisons eruptive diseases. By the character of the sore we are enabled to determine the nature of the poison or humor in the blood.

sore we are enabled to determine the nature of the poison or humor in the blood, as every disease originating in the blood has its own peculiar sore or pumple. The skin is not only affected by the poisons generated in the system, but poisons from without enter the most the blood without enter through the open glands or pores and quickly infect the blood.

Mercury rubbed upon the skin will produce Rheumatism, and Poison Oak and Ivy
and other wild plants gain easy access to the blood through the skin. As so-called

Pure Blood— of powders, soaps and washes can do no permanent good, but often do immense damage by closing up the outlet to these little tubes and intercering with the natural action of the skin. The treatment must begin with the blood and the said or other noise. of the skin. The treatment must begin with the blood, and the acid or other poisone antidoted or neutralized. S. S. does this and purifies the circulation, builds up the blood and flushes the little glands or pores with pure, new blood, and restores healthy action to the skin. The use of cosmetics never yet brought health and beauty to a rough and restores healthy action to the skin.

restores healthy action to the skin. The use of cosmelles never yet brought health and beauty to a rough, red, pimply skin or sallow complexion. What is needed is rich, pure blood, such as S. S. makes. It not only relieves you of all disfiguring blackheads, blotches and irritating, itching cruptions, but improves your general health. S. S. contains no mercury, potash, arsenic or other mineral, but is a purely vegetable remedy and the safest and best in all blood and skin troubles. Write our physicians for advice or information; they have made a study of blood and skin diseases, and you can have the best medical advice without cost. Book or Blood and Skin Diseases free. THE SWIFT SPECIFIC CO., ATLANTA, GA Blood and Skin Diseases free.
