POSTPONED RACE BEING RUN TODAY

Weather Again Unfavorable for Yacht Racers.

ARE RUNNING NECK AND NECK

Independence All Right in a Strong Wind. Light Wind May Cause Another Fluke. The Race is Thirty Miles.

Bronton's Point, R. I., July 11.—The day broke this morning most unpromisingly for the race postponed from yesterday between the Constitution, Columbia and Independence. A dense fog filled the harbor and only a fluttering two knot breeze was blowing. The course today was fifteen miles to windward and return. Just before the start the wind blew up to seven knots an hour and the race began at 12:30, the Independence crossing the line five seconds ahead of the Columbia, which was only three seconds in front of the Constitution. Half an hour after the start both the Columbia and Constitution had passed the Independence. It looked like a repetition of the previous races, but the Independence struck a strong wind and ran almost neck and neck with the leaders. The weather may cause a repetition of yesterday's fluke.

TRUST AND STRIKERS CONFER

Conferees Refuse to Talk of Conference to Be Adopted.

Pittsburg, Pa., July 11.—A conference in affairs of the Amalgamated association and representatives of the billion dollar steel trust, for the purpose of effecting a settlement of the strike of the sheet steel mills, was begun here this morning. The greatest secrecy is observed. All information as to the program and progress is refused by the conferees.

Strike Settled.

New York, July 11.—A Wall street financial house has received a Pittsburg dispatch which says the conferees over the steel strike have reached a satisfactory settlement.

Both Sides Conservative.

Pittsburg, July 11.—President Shaffer of the Amalgamated was named chairman of the conference. Shaffer, in a long speech, presented the workmen's side, saying the strike was not wanted. In replying to Shaffer, several representatives spoke in a conciliatory tone.

After lunch Shaffer said he thought the steel men were anxious to avoid trouble and it was not unlikely a settlement would be reached before adjournment. That an amicable adjustment is confidently expected is certain.

SELLS AND GRAY'S SHOWS

Two Performances and a Grand Street Parade Wednesday, July 17.

The papers combine in praising the parade and the performance of Sells & Gray's United Shows. It should be a guarantee to citizens of this city and county that the show is unusually excellent. In fact no better, cleaner, more refined or more interesting performance was ever given than is to be seen beneath the vast white tents of Sells & Gray's shows. Every performer is an artist, from the six marvelous Eudys, whose artistic feats have never been equaled for grace and daring, through the entire program, which includes Miss Edna, the Earl Sisters, the Tybells and other famous performers. Startling acts are introduced in the three hours' performance. There is something to please young and old—something to amuse and something to amuse. Comical clowns with original songs and jokes furnish the fun, and accomplished performers with new and thrilling acts arouse interest and astonishment.

The date for this show is Wednesday, July 17, on which day two performances and a grand street parade will be given. An immense crowd is expected in town.

Reserved seats on sale at Tallman & Co.'s, beginning at 9 a. m. on show day.

ADVERTISING THAT PAYS

An Interview With Leon Cohen of the Peoples Warehouse.

A discussion arose recently brought on by seeing the two-page advertisement of the Peoples Warehouse in the semi-weekly East Oregonian. Leon Cohen, the proprietor of that immense emporium, was asked if such extensive advertising pays. "Of course it does," said he, "and that is why I advertise. Our big midsummer clearance sale is now going on. I have learned that if I have bargains to offer it becomes necessary to call the attention of prospective customers to them. One thing necessary in order to get the best results from advertising is to keep all advertising promises. As a result of this extra advertising, business is good at the Peoples Warehouse. Many of the sales can be traced directly to the fact that the customer had learned of the bargain by reading the advertisement. The Peoples Warehouse has an established reputation for keeping its promises and those who visit the store are never disappointed in obtaining what they want, just as announced. This clearance sale is a bona fide one, and customers are getting the benefit of bargain prices.

SOUTH AFRICAN NEGOTIATIONS

Said to Be Progressing for Peace With the Boers.

KRUGER OPPOSED TO OVERTURES

Herr Fischer Thinks the Only Course Left for Boers is to Drive British From Transvaal and Orange Free State.

Manchester, July 11.—The Guardian today says a rumor is current in financial and military circles that negotiations for peace in South Africa are progressing despite the fact that dispatches unfavorable to such movement have recently passed between Botha and Kruger. The paper says it is believed continuance of war is due to the actions of politicians at home and for lack of soldiers at the front. According to the Guardian, Gen. Kitchener has candidly written the government to this effect.

Kruger Opposed.

Amsterdam, July 11.—Herr Fischer, Boer envoy to Europe, said today Kruger was absolutely opposed to Sir Campbell-Bannerman's scheme to grant to the Boers rights similar to those now extended to Canada. He declares the only thing left for the Boers is to sweep the British out of the Transvaal and Orange Free State.

In Disgrace.

Brussels, July 11.—Boers here assert that General Baden-Powell, the hero of Mafeking, is coming home in disgrace.

Break in New York Stocks.

New York, July 11.—Prices of stocks in Wall street broke badly again today. Grangers suffered most. Rock Island led the decline with a violent break of 7 1/2 points. It is feared a failure of the corn crop had a depressing influence. There were also rumors of a new failure, but this could not be traced to any definite source. Towards the close a rally set in and Rock Island gained 4 3-8.

Gen. Wood Convalescent.

Havana, July 11.—It is reported that General Wood's illness was exaggerated. He is almost entirely free from fever this morning and is feeling well.

HERPICIDE'S MISSION.

New Remedy That Destroys the Dandruff Germ.

Nothing is more annoying to men or women of middle age when they notice that their hair is growing thinner, when they must admit that the first indications of baldness have commenced to appear. Many would give a thousand dollars and more for a remedy with which to preserve their natural head-dress. However, they don't need to. New-bro's Herpicide removes the effect of dandruff by destroying the cause, the only dandruff cure that actually destroys the dandruff germ.

Mrs. Thomas Laws of Oregon City was placed under arrest by Constable Moody on a warrant charging her with kidnaping her grandson. She was released on her own recognizance until Saturday. Mrs. Laws did not deny the fact to the justice of the peace that she had sent her grandson away, but averred she had a right to send the boy away on a visit.
