Under the ruling of the treasury department coffee shipped from the United States to Porto Rico will be admitted into Porto Rico free of duty as soon as free trade is proclaimed between the United States and that island. A farmer named McGrath, living near Brockport, N. Y., killed his wife and then committed suicide. He stabbed his wife to death and then cut his throat from ear to ear with a common two bladed jackknife. The McGraths had five children, all under 16. A special match, best two out of three heats, for a purse of \$1000, has been arranged between Joe McCarthy, Joe Patchen, 2-0 1/4, and Anaconda, 2-0 2/3, owned by E. E. Rice of Boston, to take place on August 12, the opening day of the Brighton Beach trotting meeting. The ceremony of "sealing" performed in 1872 affected their lives only in the hereafter and not recognized in the Utah code. PACIFIC NORTHWEST NEWS. A rural free delivery route will be established at Eugene, Or., September 2. Paul Corcoran's appeal for pardon to the Idaho state board has been postponed to August 10. Pittsburgh, July 13.—During the next twelve hours it will be decided whether the men employed in the mills of the American Sheet Steel company, American Tinsplate company and American Steel Hoops company will continue to work or strike. This morning members of the general executive board of the Amalgamated association met at their headquarters. A general air of gloom overshadowed the place and all labor officials looked worried. It is thought some unfavorable turn to the discussion came yesterday afternoon. President Shaffer declared that the matter would have to be concluded today or a strike would be ordered Monday morning. The ultimatum issued by him is as follows: "It will be impossible for the Amalgamated association to hold any further conference with manufacturers after today. If no agreement is reached by evening I will declare a strike and will call out every union man in the employ of the strike order. It must be peace or trouble. We will not compromise. A settlement must be reached today. At the noon recess the general feeling seemed to indicate that a settlement was not far from being reached in consonance with Shaffer's determined statement. O'Connell on the Strike. Washington, July 13.—President James O'Connell of the International Association of Machinists this morning said the report of the collapse of the strike was wrong and that the fight for a nine hour day would be continued. He said a temporary settlement in place, but it will be no peace until the nine hour day is a fact. He said, "We will take care of shipbuilding plants later and follow them up whenever they have refused our demands. Strike Declared. The provincial police are trying to ascertain the location of this island, but cannot do so, and the strikers say others will be put on the island as captives, provided the present action of the striking union men is maintained. Frank Rogers, a prominent member of the fishermen's executive and ex-superintendent of the Fishermen's union, was arrested on account of the allegations that he had been mixed up in the marooning of the Japanese at Bowen Island on Wednesday night. IS LIABLE TO COURT-MARTIAL Resignation of Captain Strong Held Up by Root. WAS EJECTED FROM A HOTEL Liaison With Woman Resembling Lady Frances Hope May Cause Trouble—Son of Former New York Mayor. Washington, July 13.—Captain Putnam B. Strong is still an officer in the regular army, and as such is liable to court-martial on charges of conduct unbecoming an officer and a gentleman. Before the press dispatches from San Francisco, describing his escape with a woman there were printed, Strong wired his resignation to the adjutant general, who referred it to Secretary Root. The secretary was not aware of any other reason than that stated by Strong, that business connected with the settlement of the estate of his father, a former mayor of New York, made his resignation imperative. This morning the secretary read how Strong and a woman bearing a likeness to Lady Frances Hope had been ejected from a San Francisco hotel, and decided to hold up his acceptance of the resignation. Strong had been ordered to say where they were waiting the sailing of his ship when the story of the liaison became public. RUNNING NEGROES TO COVER. Kansas City Mob Searching for Ravishers of Grace Davis. Kansas City, Mo., July 13.—Exhausted by efforts in searching the negro quarters of the city and running to cover all the colored people they could find, the mob, which last night attempted to wreck vengeance on eight negroes confined in the county jail, suspected of complicity in the assault upon Miss Grace Davis, Wednesday night, early this morning dispersed. Two of the suspects, who had been identified as active principals in the outrage, were spirited away during the night by the authorities, who refuse to say where they are. The actual ravisher has not been arrested, or, if he is under lock and key, the fact is suppressed by the police in order to avoid another demonstration. It is feared that another outbreak will come tonight. EX-WIFE ELUDED HUSBAND. Dan Hanna Outwitted and Children Taken to Europe. New York, July 13.—Dan Hanna, son of the senator, whose divorced wife outwitted a sheriff in Cleveland and started for New York with three children, despite the injunction of an Ohio court, arrived here this morning. He immediately went to the Savoy hotel, where his former wife is stopping, but was not permitted to send up his card. Then he went out to consult a number of private detectives who surrounded the hotel. At 11 o'clock Hanna and one of his detectives, entered a cab and hurried away to the Cunard line pier, where the Champagne was taking passengers and cargo, preparatory to sailing. With an officer from Judge McClellan's court he searched the vessel for his former wife unsuccessfully. Later it was reported Mrs. Hanna and the children had sailed on the Atlantic transport liner, Menominee, thus eluding her husband and detectives. Another Colored Execution. Birmingham, Ala., July 13.—The county jail yard was the scene of another execution. The victim is Taylor Charleston, colored.
