SATURDAY, JULY 13, 1901.

CONFERENCE AT WESTON

...Preachers and Thirty Delegates Attended.

...Ore., July 12 -The annual ...ence of the United Brethren ..., which convened here last ..., has just closed. It was a com... success. It has been presided ...by Bishop Castle, and many other ...ministers were present. ...were held three times a day, ...morning and afternoon addresses ...given by leading ministers and ...were received on membership, ...and general management. ...attendance at the Hunts... academy last year was shown to ...with a large increase expected. ...traveling preachers and 30 ...attended the sessions, which ...held in the United Brethren .... The preachers assembled from ...Washington and Idaho and ...Oregon.

...opening sermon was given by ...Harden, ex-president of the ...academy at Huntsville. ...Castle preached Sunday.

White Man Turned Yellow.

...consternation was felt by the ...of M. A. Hobarty of Lexing... Ky., when they saw he was turn...yellow. His skin slowly changed ...also his eyes, and he suffered .... His malady was Yellow .... He was treated by the best ..., but without benefit. Then ...advised to try Electric Bitters, ...wonderful stomach and liver ..., and he writes: "After taking ...bottles I was wholly cured." A ...proves its matchless merit for all ..., liver and kidney troubles. ...50c. Sold by Tallman & Co., ...

Pendleton's Celebration.

...for the baseball tournament, ...interested a great many people ...was successful throughout, not ...can be said in compliment of ...'s celebration. The East ... recognizes this fact among ...people in working to pro... attractions. It says the people ...worked the least are complaining ...that "this year the hands ...too few before the celebration ...the tongues too many afterward," which is perhaps a just conclusion. In any event, the smaller towns throughout the county are of the opinion that if they couldn't surpass Pendleton's latest attempt at celebrating, they would go out of the Fourth of July business.—Weston Leader.

HERPICIDE'S MISSION.

New Remedy That Destroys the Dandruff Germs.

Nothing is more annoying to men or women of middle age when they notice that their hair is growing thinner, when they must admit that the first indications of baldheadedness have commenced to appear. Many would give a thousand dollars and more for a remedy with which to preserve their natural head-dress. However, they don't need to. Newbro's Herpicide removes the effect of dandruff by destroying the cause, the only dandruff cure that actually destroys the dandruff germ.

Cheaper Rubber Goods

Charles H. LaBelle, a Salt Lake architect, will be worth $5,000,000 within sixty days from date, with a good chance of getting $5,000,000 more according to his story. He claims to have invented a process by which he can extract rubber from the ordinary crude oil as it is found in Utah, and produce rubber pulp at a cost of one-fourth of one cent a pound, while the rubber as it comes from the tree in Brazil costs $1 per pound. Mr. La Belle states that a syndicate of California, New York and London capitalists has taken an option on his formula, and has deposited $105,000 in a Salt Lake bank to hold the option till the deal is closed.

How's This?

We offer One Hundred Dollars Reward for any case of catarrh that cannot be cured by Hall's Catarrh Cure.

F. J. CHENEY & CO., Props., Toledo, O.

Hall's Family Pills are the best.

Notice to Contractors.

Sealed proposals will be received at the office of T. F. Howard, architect, in the Judd building up to 6 o'clock p. m. of Saturday, July 20, 1901, for the erection of a two-story residence for C. S. Jackson, in Pendleton, Oregon, according to plans on exhibition at the office of T. F. Howard, architect. The right is reserved to reject any and all bids for the work.

July 12, 1901.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y., "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had consumption in an advanced stage, also used this wonderful medicine and today she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for coughs and colds. 50c and $1 bottles guaranteed by Tallman & Co. Trial bottles free.

HAPPENINGS AT ATHENA

Marriages, Crop News, Mining and Personal Mention.

Athena, July 12.—A quiet wedding took place at the home of Mr. and Mrs. Jesse Saling of Pendleton on Wednesday evening, July 10, Mr. A. L. Jones of this city and Mrs. Lizzie Gardner of Pendleton being the contracting parties. The ceremony was performed by the Rev. George W. Rigby. Both parties are well and favorably known here, Mr. Jones being the senior member of the firm of Jones & Winship, doing business here as the Athena Transfer company.

On Thursday morning Mr. and Mrs. Jones arrived at their home in this city, and a few minutes later the bride's happiness and smiles were turned to grief and tears by a telegraphic communication notifying her of the death of her father, Mr. Isaac Mansfield, aged 75 years, at Hoquaim, Wash., at 8 o'clock that morning. Mrs. Jones left on the evening train and will return with the remains tomorrow. The funeral will take place in this city, the deceased being an old pioneer of this section, having resided here upward of 30 years. He leaves, besides his daughter, Mrs. Jones, two brothers, B. F. and F. M. Mansfield, both prosperous farmers residing near this city. He also has numerous other relatives in this vicinity, to all of which the heartfelt sympathy of a large circle of friends is extended in this their hour of bereavement.

David Love, who has been at home in this city for a few days, left Thursday morning to join his partner, John Santon, also of this city, to do assessment work on a quartz claim, recently taken up by them, 60 miles northwest of Boise City, in the Boise basin, which has the promise of being a paying proposition. Samples assayed from the surface gave returns of $156.20 gold. This is a fine milling ledge, and after this assessment work is done, if it holds up, Messrs. Love and Stanton will put in a stamp mill on the property.

Andrew J. Willaby, who lives three and a half miles southwest of this city, and who has 200 acres of wheat this season, says his crops are looking fine, he expects better results than for years. He also says that when the crops are harvested it will be found that the damage is not so great in this vicinity as at present looked for. He thinks the general average will be from 32 to 38 bushels per acre. W. P. Willaby, who resides one mile and a half northeast of here, has 160 acres of wheat, which is claimed by all who have seen it to be the best crop in this section, and it is estimated that it will grade No. 1 and go over 40 bushels. Harvest will soon begin. All our farmers are now busy getting their machinery in running order and expect to take to the fields between the 15th and 20th of this month.

Pythian Lodge No. 29, K. of P., of this city, installed last night the following officers who hold office for the ensuing six months: Charles Gay, C. C.; J. W. Smith, V. C.; Fred Flint, P.; J. A. Foss, master-at-arms; York Dell, I. G.; Earl Saunders, O. G.

George Mansfield of Colfax is in this city this week visiting relatives.

Win Burden was a Pendleton visitor Wednesday.

G. M. Froome, the Pendleton liveryman, transacted business in this city Wednesday.

Geo. Reynolds is in Weston this week transacting business.

On Thursday afternoon at the M. E. parsonage in this city, Rev. Wm. Deweese united Sidney Tull and Miss Dolly Kelty, who resides near Milton, in the holy bonds of matrimony.

IMPORTANT TO CONSIGNERS

Extracts From An O. R. & N. Letter to Agents Regarding Demurrage Rates.

In accordance with the rules of the Pacific Northwest Demurrage association of which the O. R. & N., Northern Pacific, Great Northern railway, Southern Pacific, P. C., W. & C. R. R. and A. & C. R. R. Companies are members, all loaded cars on and after July 20 will be subject to storage charges when held more than forty-eight hours, not including Sundays and legal holidays after the delivery of such cars at the following rates:

Cars loaded with wheat detained longer than seventy-two hours and for cars loaded with other freight detained longer than forty-eight hours, one dollar per car per day for first five days, after five days two dollars per day or fraction thereof until cars are unloaded or billing directions furnished.

Notice to consignees must be given at once upon arrival of cars; if by postal, such notice will date from time deposited in postoffice.

Delivery of cars will be considered as made at the time they have been placed on the proper private or public delivery track; or if such track or tracks contain such a number of cars belonging to the same consignee as to prevent prompt delivery, then such cars will be considered as having been placed when the road offering them would have made delivery had the conditions of such track permitted.

THE WHITE COLLAR LINE

Steamers Between The Dalles and Portland and Portland and Astoria.

The advertising columns of this paper contain the time card of the "White Collar Line," which operates a palatial line of steamers between Portland and The Dalles and Portland and Astoria. The Dalles-Portland route is particularly popular on account of the wonders of the upper Columbia river.

The Bailey Gatsert, one of the finest vessels on the river, makes a round trip daily, except Monday, between Portland and The Dalles and the schedule is arranged so as to afford a grand view of the lordly and mighty Columbia and at the same time avoid any unnecessary waste of time.

The meals served on the "White Collar" steamers are excellent, and there are handsomely furnished state rooms for those who want them. The time consumed between The Dalles and Portland is less than six hours and the up trip takes seven hours. The Sunday trips are made a leading feature.

The route has the grandest scenic attractions of any on the earth, and no one should miss taking it, if they have the opportunity.

SCALP BOUNTY SPECULATOR

Worked Lane County for $40 and Comes to Grief.

A young man, aged 21 or 22, who gave his name as Harry E. Eggerton, this morning presented to County Clerk Lee 20 wild animal scalps, took oath that he was a resident of Lane county and that the animals from which he obtained the scalps were killed in this county. He was paid $2 a piece, or $40 in all, for the scalps, according to law, and nothing more was thought of the matter until Clerk Lee received a telephone message from the county clerk of Linn county, at Albany, stating that the young fellow had tried to dispose of the scalps there. Mr. Lee immediately notified Sheriff Withers, and Eggerton was arrested shortly afterward on the charge of perjury and lodged in the county jail. He will be given an examination Saturday afternoon at 2 o'clock before Justice C. A. Wintermeir.

Eggerton has an accomplice, who is still at large, and they have come up the valley from Portland, probably working the same game on the several counties on their way up. They failed to work it at Albany, however, as it seems the clerk there was "next" to their game.—Eugene Guard.

DEATH OF JOHN MISELL

It Occurred at 11:10 on the Night of Friday, July 12.

John Misell, a well known resident of Pendleton, died at 11:10 o'clock on the night of Friday, July 12, at his apartments in Mrs. Strahon's rooming house on Court street, where he has made his home for the past ten years. Deceased was generally and familiarly known as "Shorty" Misell. The following were present at the death bed: Rev. W. E. Potwine, Mrs. George Lash, Mrs. W. S. Ford, D. J. L. Miller, George Darveau, C. A. Keys and Frank Wilson, the nurse.

John Misell was born in West Virginia on February 28, 1854, and was therefore 47 years, 4 months and 12 days old. He left his eastern home in 1865 and went to Iowa. He came to Umatilla county and located at Pendleton about 20 years ago. He engaged in railroading and afterwards became a bartender, working for many well-known saloon men in this city, including George Darveau, of the Hotel St. George; Ed Horton, Charles Barnhart, Frank Schempp, the Golden Rule hotel, and for others. He has been suffering with consumption for nearly a year, but only gave up work about seven months ago, and for a time was at the Pendleton sanitarium, where he at first improved, but later kept getting worse and returned to his rooms, where he died.

During these months of sickness the Knights of Pythias of Damon lodge, No. 4 paid him every attention and made peaceful his closing days. The deceased has a brother residing in Kansas.

The Funeral Sunday.

The funeral of the late Charles Misell will take place from the Church of the Redeemer, corner of Alta and Johnson streets, at 3 o'clock on the afternoon of Sunday, July 14. The services will be conducted by Rev. W. E. Potwine, of the Church of the Redeemer, under the auspices of Damon lodge No. 4, Knights of Pythias, of which deceased had long been a member.

Knights Attention.

All members of Damon lodge No. 4, Knights of Pythias, are requested to assemble at M. A. Rader's undertaking parlors at 3 p. m. Sunday, July 14, to attend the funeral of Brother John Misell.

CHAS. J. FERGUSON, C. C.
R. W. FLETCHER, K. R. S.

SELLS AND GRAY'S BIG CIRCUS

It Will Be in Pendleton Wednesday, July 17.

This is what the Topeka Daily Journal of June 14, said of the performances of Sells & Gray's United Shows, which are to be duplicated in Pendleton on Wednesday, July 17. "The big tents were literally packed with people, and it may be said, to start with, that everybody was delighted with the performance. There were new and novel features that caught the crowd immediately. A band concert preceded the performance in the big tent, which was a treat for music lovers. The ring performance introduced the Earl Sisters, in thrilling aerial feats; the Tybells in evolutions on the lofty ladder; the six Eddys, whose acrobatic feats were wonderful; Miss Edna, a beautiful and daring performer, and many others famous in the ring, not to speak of the clowns, who kept the people in a roar of laughter from the opening tournament to the hippodrome races. Altogether, the performance is a kaleidoscope of marvelous feats and funny acts, and beyond doubt is one of the best ever seen in this city.

This coming from such a reputable paper as the Topeka Journal assures the people of the excellence of Sells & Gray's Show, and their tents will certainly be packed at the two performances in Pendleton next Wednesday.

Irrigation in Baker County.

F. L. Moore and Dave Wilcox of Haines have awarded M. Wallace a contract for the construction of a canal five miles in length, which, when completed, will irrigate one of the finest tracts of land in Baker county. Mr. Wallace now has a force of men and teams at work near the head of the canal, which derives its water from Rock creek on the Bunyan ranch. It will require a large amount of lumber for fluming across Marble and Salmon creeks, but the contractor anticipates no difficulty in completing the canal before snow flies. The land tributary to the big ditch is already taken and all the water is spoken for. The company is composed of Baker City and Haines business men.

Notice to Water Consumers.

Water consumers are notified to have meters put in by July 15, if not already using them. Meters may be obtained at the city recorders' office. By order of J. T. BROWN, Water Superintendent.

UMPQUA VALLEY PRUNES

Crop Promises to Be a Record Breaker—Oil Indications Reported.

Roseburg, July 13.—The prune crop of the Umpqua valley promises to be a record-breaker. Many growers are building new evaporators to aid in handling the large produce for the season. New orchards are coming into bearing and older ones are full of fruit. At Riddle, in the Southern part of the county, J. B. Riddle is just completing an evaporator of 250 bushels capacity. A steam drier of about 300 bushels capacity will be erected at the same place under the direction of Hon. G. W. Riddle. Geo. Quine, Peter Ulam, O. L. Guild and others are also putting up driers near there, as are John Arzner and Mr. Worley, near Canyonville. Myrtle creek and vicinity is also increasing the facilities there for handling the crop. At Winston, Agee & Sheridan are having two large evaporators built and W. C. Winston is well along with a new one of 240 bushels capacity. At Roseburg, F. A. McCall is building one of the same size and other smaller ones are going up in this vicinity. At Looking Glass the 150-acre orchard of Geo. Marsh will require additional facilities for handling the crop. A large evaporator is being erected at Rancho Del Rio, near Glide, and commodious new machines are being put in at Wilbur, Umpqua Ferry, Oakland and Yoncalla. Italian prunes are the leading product, but Petites, Silvers and other varieties are grown more or less extensively and of excellent quality. In fact Umpqua valley prunes have established a first-class reputation in the Eastern markets for size and flavor.

Cherry shipments are finished and peaches are now in the market. In both these fruits the yield is much lighter than usual. Apples and pears will hardly be up to the average in quantity.

Petroleum seepages reported from two different parts of the county materially increased the interest in oil matters here and the local oil companies will investigate them thoroughly. Samples have already been sent to California experts for examination.

Telegraphing to Mars.

The experiments in wireless telegraphy have met with such success that we can soon hold communication with our planetary neighbors. Science made wonderful strides in the last half of the 19th century, and probably will advance further in the next few years. There is one thing however, that science cannot improve upon, and that is Hostetter's Stomach Bitters. It is the best remedy in the world for stomach, liver and bowel complaints. Fifty years of cures stand back of it, and a fair trial will convince you it has no equal as a cure for indigesion, dyspepsia, constipation, biliousness or liver and kidney trouble. It also prevents malaria, fever and ague. Be sure to have the Bitters always on hand, and thus avoid any serious illness.
