The great industrial struggle is attracting attention in Germany. The vassichi Zeitung says: "A struggle has begun, which is well worth the keenest attention of the entire world. Foreign countries can only rejoice that the gentlemen of the steel trust who presume to be the conquerors of the whole world, have been reminded in this manner that they also are mortal."

PACIFIC NORTHWEST NEWS.

Cally unchanged today.

The men at Duncanville mill may go out today. If they do, the steel hoop branch of the trust will not have a mill at work. There has been no attempt made on the part of manufacturers to have a conference with the strike leaders. President Shaffer said the worked on the case testified the screen on the window through which the defendant said the burglars escaped could not be raised sufficiently to permit the passage of a man's body, and that while Fosburgh declared the burglars fired from the outside there were no bullet holes in the screen. Other testimony of a damaging nature

Attorneys for Mrs. Botkin have

to the Post-Intelligencer of Mrs. Ann Elizabeth Mann, mother of C. B. Mann, died in Olympia, aged Si years. Deceased was the wife of Rev. S. H. Mann, a pioneer Methodist minister well known in both Washing-

ton and Oregon. H. G. Burpee and C. D. Mann of Portland have decided to establish a claim cannery at South Bend, Wash. The citizens of South Bend will donate 50,000 feet of lumber for the building,

furnish the piling and drive them for the wharf.

Lieut. Ridgeway of the garrison at Walla Walla has been ordered to be ready to receive a squadron of the Fourth U. S. cavairy. The squadron has 255 privates and three officers, making, with the Tenth field battery now at the fort, 423 men.

John Sawbridge has returned to North Yakima, Wash., from a trip to the Horse Heaven in lower Yakima country. He reports harvesting operations well under way, and that an enormous crop of grain is being gathered. Some oat fields are yielding 100 bushels to the acre. Wheat growing in that section is now one of the most important agricultural industries in the county, and Yakima, which has not until recently produced much of that grain, will this year contribute materially to the state's wheat crop.

why. Between her sobs she tells her husband of her misery. It is not enough for the husband to comfort the

wife in this condition, she needs help. In those early days when the shadow of maternity first begins to fall upon the woman she is often nervous, sleepless, without appetite. without appetite, and full of vague

baby's advent practically painless.

"I will be very glad to say a few words for Dr. Pierce's Pavorite Prescription," writes Mrs. P. S. Dougias, of Mansonville, Brome Co., Que. "During the first four mouths when I locked to becoming a mother I suffered very much from nause and vomiting, and I feit so terribly sick I could scarcely eat or drink anything. I hated all kinds of food. At this time I wrole to Dr. Pierce and he told me to get his 'Pavorite Prescription' and a bottle of 'Golden Medical Discovery.' I got a bottle of each and when I had taken them a few days I felt much better, and when I had taken them a few days I felt much better, and when I had taken hardly three parts of each bottle I felt well and could cat as well as any one, and could do my work without any trouble (I could not do anything before). I feel very thankful to Dr. Pierce for his medicine, and I tell all who tell me they are sick to get these seedicines or write to Dr. Pierce.

Brewery Firemen of Chicago Call for a Sympathetic Strike-Contentions of the Trust and the Laborers.

The Steel Trust's Side. The right to ignore labor unions and treat with the men.

who choose to remain so.
4. To fix different rates of pay in the different mills. The Workingmen's Side.

1. The principle that the trust mills must be unionized.
2. Union men must be treated alike in all steel plants. No coercion, but the right to en-

roll nonunion men.
4. Trust officials fought to delay the great strike.

Pittsburg, July 19.—A desperate attempt will be made to start the Wells-ville mills, now idle by reason of the Amalgamated strike. A number of shot workers left here this morning for Wellsville and efforts are making to employ men. Outside of this develop-ment, the strike situation is practically unchanged today.

the companies now affected in United Attorneys for Mrs. Botkin have started her case on the way to the supreme court of the United States.

Ten Aleut girls arrived at Port Townsend from Analaska and will be sent to the Indian school at Carlisle, Penn.

The Supreme court of Oregon has rendered a second decision against rendered a second decision against the companies now affected in United States Steel corporation, may be attempted tomorrow, when the men employed in the National steel mills at Mingo Junction will be called out. This mill is at present furnishing the steel that is being ussed by nonunion men at Wellsville mill. The Mingo men, who are organized, object to helping manufacturers to fight the Amalgamated.

his project of starting an opposition port that the steel strike had been settled: "There is not a word of truth in it. There has been no settlement and there can be no compromise on such a question. The position of the operating companies is perfectly simple and so far as I am concerned has my unqualified approval."

Joining Strikers. Shamokin, July 19.—Seven of the sixteen collieries between here and Mount Carmel are tied up this morning by the stationary firemen joining the strike. As a result fourth thousand

more miners are idle. Browery Firemen Strike. Chicago, July 19.—The union brewery firemen, who struck a few days ago because the breweries retused to unionize plants, today called for a sympathetic strike. Other branches of the brewery workers promised to quit when called upon. Definite action will be taken next week. If a strike is ordered, a tie up of all but five local breweries may result.

Stock Canard. New York, July 19.—A stock report says the firemen's strike in the Pennsylvania coal regions is practically over, and that the men are returning to work.

One Cent Postage Possible.

Washington, July 19.—Postmaster General Smith yesterday signed three orders amending in important particu-lars three postal regulations affecting second class matter. The changes will affect sweeping and radical reforms in the department practices and methods of treating this class of matter. An

of treating this class of matter. An explanatory statement given out at the department regarding the order, says: "The action of Postmaster General Smith is regarded as highly important. It is believed that when the effect of these changes is thoroughly established many postal improvements will follow and one-cent letter postage will be made possible."

Derrick Topples Over.

Emporia, Kan., July 19.—Frank Mc-Donald of Fredonia, Kan., and Cyrus Wing of Chanute, were killed and Cromwell Lake of Chanute and George Clark a bridgeman, probably fatally injured in the wreck of a work train on the Santa Fe railway half a mile south of Emporia yesterday. The crane on a derrick car pushed by an engine toppled over on a curve, burying the men under the wreck.

Boors Attack Rangers.

London, July 19.—A sharp engagement took place yesterday between the Boers and Connaught rangers at Jamestown. A superior farce of Boers attacked the rangers and were repulsed only after several hours' fighting. The British lost seven killed, twenty wounded. The Boer loss is unknown.

London, July 19.—Earl Russell passed a restless night in the Holloway jail, where he is serving three months' imprisonment for bigamy. He is suffering with acute neuralgia. His wife visited him today.

Prisoner 5.

THE NEW YORK MARKET Reported by I. L. Ray & Co., Pondleton. Chicago Board of Trade and New York

New York, July 19.—The grain markets were all higher today on better cables and continued hot weather in the corn belt. Corn advanced 134 Distinguished Orators Deliver and wheat a cent. Liverpool closed 3-8 higher,5-7 1-8. New York opened 73% to 73 5-8, and after selling off to 73 1-8, advanced to 74 1-8. The weather conditions in Europe are very similar to the situation in our Eastern states and BISHOP EARL CRANSTON PRESIDED all kinds of crops are burning up. Kansas farmers are holding their

Over vent of Santa Insa.

To Divide the Money.

Portland, July 19.—Judge Bellinger made an order of adjudication in the case of Gilbert Bros., the bankers of Salem, which will result in throwing them into involuntary bankruptcy. By this order of Judge Bellinger it is likely that the receiver will be removed and the property turned over to trustees to be appointed by the court, which will give all the creditors an equal share of the money remaining.

Six Persons Drowned. New Haven, Conn., July 19.—The yacht Yointza, owned by Arthur Colburn of Philadlephia, was wreckedin a storm off Greenwich yesterday afternoon. Colburn, his three daughters, the sallow was to be a storm of the college.

Little Hay Damaged. Salem, July 19.—That the late rains did not seriously damage any considerable proportion of the hay crop is evident from the many loads of clean, bright hay that are hauled throug the streets of Salem every day. The hay crop this year has been exceptionally large and will be a source of considerable profit to the farmers.

Queenstown, July 19.—A non-com-missioned officer of the Munster Fusileers, just invalided home from South Africa, declares the soldiers in the field believe it an utter impossibility to catch Botha and Dewet, due to the fact that the leading British officers are Free Masons.

Gloomy View of Boor War. Amsterdam, July 19.—The publica-tion this morning of a letter of Reitz, the Transvani state secretary, giving a gloomy view of the situation and stat-ing that the government has decided to

appeal to Kruger to take a final step, has caused a sensation among the Boer delegation here. Bonapartists Intriguing. London, July 19.—It is reported the caar of Russia will raise Prince Louis Bonaparte to the rank of general on September 14, when the French Bona-patists planned an uprising to over-throw the French republic and make

Louis emperor of France. Divine Healer in Insane Asylum. Washington, July 19.—Francis Schlatter, the notorious "divine bealer," was temporarily committed to the insane hospital this morning. He was arrested yesterday, charged with

vagrancy.

is suffering with acute neuralgia. His wife visited him today.

Priscner from Nome.

Seattle, July 19.—Ludley Dubose, in charge of a deputy United States marshal, arrived from Nome, en route to San Francisco to answer the contempt charges in the McKenzie case.

London, July 19.—London is sweltering.

London, July 19.—London is sweltering today, the third consecutive hot day. Suffering is intensified by the small supply of ice.

S. F. Murray, a mountaineer living in the vicinity of Trout Lake, is of the opinion that A. W. Goldstein had fallen over the brink of a glacier on the side of Mount St. Helens and met his death. Goldstein is the young man mentioned in the Telegram as having left Portland July 7, with a party of mountain-climbers who were to attempt the accent of St. Helens. News has been received that Goldstein had become separated from the others of the party and that searching parties were out trying to find him.

THE SECOND DAY OF THE LEAGUERS

Addresses.

--e--

wheat and large quantities are being Overflow Meetings in the Alhambra and Pavilion-Minneapolis Probably Wins the Next Convention.

> San Francisco, July 19 .- With the solemn roaring of the mighty organ, the fluttering of a solid bank of white handkerchiels in the Chautauqua, the salute-burst melody from ten thousand throats joining in familiar Methodist hymns, the second day's session of the Enworth convention opened this morning in the pavilion. Bishop Carl Cranston of Portland presided as chairman. Addresses were made by distinguished orators on the twenteith

century problems:

"Church and Liquor Traffic."
"Church and the Workingman."
"Church and the Young Man."
"Church and the Newspaper."
"Our Imperiled Sabbath."
"Institutional Church."

"Men's Movements. There was an overflow meeting on the same subjects at the Alhambra theatre. Nathan Newby of Los Angeles was chairman. This afternoon "Forward Movements in Church" will be discussed at three
