JIM POPP IS THE FAVORITE

The Wise Ones Seem to Pick Him as the Winner of the Fight.

The big championship glove contest will be decided tonight at the Frazer opera house, and the enthusiastic lovers of the manly art sport of Pendieton will flock to the ringside to watch the outcome of the encounter.

The men, Toby Irwin and Jim Popp, are in excellent condition for the mill and both are confident of victory. They have trained faithfully and both have a large number of admirers who have unbounded faith in their choice and will back their men with good hard dollars of the realm. Never has there been so much interest ex-cited over a similar event slated to take place in this city and it is almost an assured thing that the opera house will be packed to the doors when the first bout comes on. It has been de-cided to start the first preliminary bout at 9 p. m. This will give those who have to work late a chance to see the entire program. The second bout, a six round affair, between Dallas O'Harra and Frank Cross, which is also attracting much attention, will be put on about 9:30 and the main event, 15 rounds between Popp and Irwin, will be called at about 10 p. m.
