

School Opens
Monday, Sept. 16th.

A gentle reminder to parents to call for a pair of our school shoes for the children. WE HAVE JUST WHAT YOU WANT.

Why is it?

We have built up such a large business in shoes? There is some reason for it. We have nothing to draw trade to our store but shoes. We claim

This is Why:

FIRST
We give you twenty years of experience in buying with no other line to think about.

SECOND
We buy for cash of the very largest and best factories.

THIRD
We mark in plain figures all prices and sell for one price to all.

Which substantiates the fact that our prices must be lower and our shoes must be better or we would not have been able to build up such a large business.

Now for this Fall we are prepared to give you better shoes at lower prices than ever. Read this twice, think it over, then come and see us.
