PERSONAL MENTION

John Heathman has returned from Portland.
C. J. Ferguson spent Sunday in Walla Walla.
I. Dickerson of Milton is in town today on law business.
Dr. and Mrs. S. I. Darrin have gone to Florida to spend the winter.
Mr. and Mrs. T. G. Hailey returned from Portland Saturday morning.
Mr. and Mrs. Robert Thorp and Mr. and Mrs. Frank Thorpe of Athena are visitors in Pendleton today.
A. L. Parkhurst has left the employ of the Pendleton Shoe Co. to accept a position in a shoe house in Portland.
Mrs. Mollie Craine of Echo, accompanied by Mrs. Ragin, was doing some shopping in Pendleton on Saturday.
Cris Simpson returned to Pendleton this morning and will leave this evening for the Grande to enter his horses in the racing meet there.
Dr. William House has occupied his new offices in the Judd block, having quarters formerly used as a photographic studio, rooms 20 and 3. Dr. House is a graduate of the University of Buffalo, and has practiced medicine and surgery during the past seven years. He was for three years resident physician of the Erie County hospital at Buffalo, the Manhattan State hospital in New York City, and the Fitch Accident and Cholera Infirmary hospital at Buffalo. Dr. House also served as an instructor in anatomy in the University of Buffalo. Two years ago, while in temporary ill health, he came west and entered the practice of his profession at Heppner where he met with flattering success. Regarding the field as not large enough, he removed to Pendleton, where it is his purpose to remain permanently. Dr. and Mrs. House have apartments at the Hotel Pendleton.

CHARGED WITH BEATING A FOUR YEAR OLD DAUGHTER
Neighbors Heard the Sound of Blows and the Screams Issuing from the Madden House.
One evening last week, the people living in the vicinity of Mrs. Madden's house near the St. Joseph Academy, heard the sound of blows and the screams of a small child. Neighbors afterwards investigated the affair and found that Agnes, the four year old daughter of Thomas Denny, had been subjected to a severe beating. There were red ridges on the little body and the face and neck showed where a heavy strap had fallen. The child said that she had taken a piece of cake, which was the cause of the whipping. Mr. Denny went to Heppner a short time ago leaving his two children in charge of Mrs. Madden, whose husband was also working at Heppner. The redmen, of which order Mr. Denny is a member, took the matter up and sent for the father. If he does not arrive within a day or two, the children will be removed from the Madden house.

ROW AT HOTEL EASTERN
Thomas O'Donnell was Struck in the Face with a Catusp Bottle.
Yesterday evening, Thomas O'Donnell went to the Hotel Eastern for dinner. He had been drinking more than was good for him and after seating himself at the table, he began to abuse the waitress with foul language. Freight Conductor G. G. Beesey was sitting at the same table and took it upon himself to suggest to O'Donnell that that was not the proper language to use in a dining room. The suggestion was not well taken and O'Donnell turned his abuse on Mr. Beesey. He had not uttered all of the foul words that he had intended, before he felt the weight of a catusp bottle on the side of his face. The heroic treatment had the desired effect and O'Donnell was obliged to visit Dr. C. J. Smith to have a few stitches put in severe gash caused by the contact of the heavy bottle.

BAKER CITY LIKED THE PLAY
"Under Two Flags" Pleased that Town. Here Tonight.
Of "Under Two Flags" that appears at the Frazer tonight, the Baker City Evening Post says: "Baker's opera house was well filled by an appreciative audience last evening, the attraction being 'Under Two Flags,' dramatized by Mr. Leon M. Hattenbach, who also essayed the leading role. Bertie Cecil, supported by Miss Louise Metallum in the role of 'Cigarette.'"
No comedy presented here this season has been taken with deeper favor, a pleasing feature being the snap and ability demonstrated by the members of the company in the execution of their lines. The show has several points which might be classed as climaxes, but the said storm scene in fourth act, the spectacle, 'Cigarette,' the daughter of the regiment, being in the power of the Arabs of the desert, and apparently cut off from all hope of continuing her mission, that of saving her hero from death proved the strong point of last evening's production.

DeWitt's Little Early Risers never disappoint. They are safe, prompt, gentle, effective in removing all impurities from the liver and bowels. Small and easy to take. Never gripe or distress. Tallman & Co.

THERE IS STILL A CHANGE

The Pan American Exposition, Buffalo, May Yet be Visited.
There is still an opportunity to visit the Great Buffalo Exposition at small cost, but the last chance will be gone after Tuesday, Oct. 15. The season for traveling is now at its best, and the attractions at the Exposition are better than they have been at any other time. It is an opportunity that should not be missed. Tickets will be on sale by the O. R. & N. Co. on Tuesday, Oct. 15, to Buffalo and return, good 60 days, for \$76. After the above date, regular rates will be in effect and the opportunity of visiting the greatest Exposition in the history of the country will be passed.
Circuit Court in Session.
Judge Eakin who is to preside over the circuit court here today, Tuesday and Wednesday in the absence of Judge Ellis, arrived at one o'clock on late westbound train. Court convened at two o'clock. The jury roll was called and the jurymen were excused until 9 o'clock tomorrow morning.
Two men were arraigned for crime, one being James Clark for stealing a coat, vest and various toilet articles from a hotel at Umatilla. He pleaded guilty and was sentenced to two years in the penitentiary. C. E. Lindop was brought up for obtaining money under false pretenses. He is alleged to have issued a fraudulent check drawn on the Pendleton First National Bank. He was provided with counsel, not being able to pay for one himself, and was given until tomorrow morning at 9 o'clock to plead.

Stage Lines For Sale.

The stage lines from Sumpter to Whitney, Canyon City, Granite, Lawton and Alamo including all stock, vehicles, equipment and government mail contracts. Terms, \$1000 cash; balance will be taken from receipts from the government contracts as earned. A rare opportunity. Sumpter Transportation Co., Sumpter, Oregon.
The total assessed valuation of Salem city property, according to the assessment roll, just completed, is \$1,887,319, against \$1,550,909 in 1900, an increase of \$336,410. This increase in part is due to the fact that under the new law, personal property is assessed where found. The increase in valuation, aside from this source, is 16 per cent, and over the county it will average about 15 1/2 per cent.
C. M. Phelps, Forestdale, Vt., says his child was completely cured of a bad case of eczema by the use of DeWitt's Witch Hazel Salve. Beware of all counterfeits. It instantly relieves piles. Tallman & Co.
