The Pendleton Wool Scouring and Packing mill was shut down Friday evening for an indefinite time. This was caused by them not being able to secure tallow for making soap without which no scouring can be done. It is not known how long this stoppage will last, but they hope to be able to resume work again in a few days.

The bartender in the "Mint" saloon thought for a few moments last evening that a Carrie Nation had dropped down on him. Mrs. William Jones entered the saloon and demanded that if her husband, who was engaged in a poker game, was not sent out immediately she would proceed to smash every glass and bottle in sight. The police were sent for and they were both taken into custody before she had a chance to smash anything, and their trial will come up in police court this afternoon. They are the people running the Coffey lodging house on Court street.

Postmaster C. E. Fell has just received word from the federal post office department at Washington, D. C., that he would be allowed the assistance of an additional clerk. Owing to the increased business of the Pendleton postoffice, over any former time in its history, the present help of three clerks beside Mr. Fell's own work, has been found inadequate to handle the work, and the adding of another clerk was found to be necessary. This clerk has been selected and his starting salary will be \$400 per year, but the name Postmaster Fell does not yet wish given out. He will enter upon his duties in a few days.

The scouring mill football team leaves tomorrow for Heppner, where they will play the locals on Thanksgiving day. From there they will go to Wasco and play Friday and in The Dalles Saturday. This team has been doing some practice work and they go in good trim and with the hope of carrying off the honors in all three contests. The following is the lineup: C. J. Ruttigen, center; E. Smith, right guard; J. Stevens, right tackle; O. Stevens, right end; T. Stevens, left guard; O. Coffman, left tackle; M. McCorhouse, left end; W. Hession, quarter back; E. Turner, right half back; E. Downey, left half back; A. Anderson, full back; Lester Lewis, William Dupuis, E. Dupuis and Clyde Finch will go along with the team and some changes from the above lineup may be made when they get on the ground.

### EXTENDING OREGON TRADE

#### WHAT THE PORTLAND CHAMBER OF COMMERCE

Proposes for the Development of the State's Resources—Appeals for Help to the People of City and Country.  
The Portland Chamber of Commerce has outlined a plan of action which is indicated in the following statement sent out accompanied by an appeal to business men especially in Portland to lend assistance. Thus the chamber writes of what it proposes to accomplish:

Are you in favor of 100,000 population for Portland in 1915? The Chamber of Commerce is and is well so to that end.

Are you in favor of a forty-foot channel from Portland to Astoria? The Chamber of Commerce is, and is working for deep channels.

Are you in favor of opening the Upper Columbia and Snake rivers to free navigation so as to give the products of the Inland Empire an outlet through the natural gateway at the mouth of the Columbia? The Chamber of Commerce is, and is urging the government to take prompt action.

Are you in favor of advertising Oregon's resources in the east and abroad? The Chamber of Commerce is preparing for this kind of work on a large scale.

Are you in favor of extending Portland's trade field? The Chamber of Commerce is.

### ENGINE RAN AWAY.

Ran Six Miles Before Stopping on an Up Grade.

Dayton, Wash., Nov. 25.—Switch Manager Frank Fernandez let an engine get away on the W. & C. R. track in this city Saturday and it ran six miles before it stopped of its own accord. When the train arrived it was raining, and after the cars were shunted, Mr. Fernandez took the engine up the track to his home to keep from walking in the rain and left it standing. After some time he was horrified to hear it going off down the track at a good rate of speed. Along here for several miles there is a grade of about two per cent and when it reached a little up grade it stopped. No damage resulted.

### FOOTBALL SCORE WAS 8 TO 0

#### INDIANS PUT UP BETTER GAME THAN EXPECTED.

Mootanic and Redford Were Star Players for the Reservation.

The football game Saturday afternoon between the high school and the Indians resulted in a score of 8 to 0, according to the decision of Referee Anderson. The game commenced at 2:30, and the ball was for the Indians. The first half by Lewis for the Indians. The high school, having won choice in goals, took the west. The first half was hard fought, but no points were made, and neither side had much the advantage.

The second half carried more excitement, the ball being kicked off by the high school, but was forced back by the Indians. Several good plays were made by Mootanic and Hartman. The high school got the ball to the Indians' yard line and tried a place kick, and the pig skin went between the goal posts, but under the pole. One of the high school team fell on the ball and it was dead. A touchdown. Then Gard kicked a goal, and the score stood 6 to 0. The ball was again kicked off and was soon within two yards of the Indians' goal line, when the high school's fumbled and it was downed by an Indian back of the line. This was county a safety and two more was added to the score.

The Indians put up a much better game than was expected. Mootanic and Redford did some good playing at right half and quarter back, and it was largely owing to their work that the score was not larger in favor of the high school.

Whitman Team Training.  
Walla Walla, Nov. 25.—Special.—The Whitman football team is practicing hard for the game Thursday, when the team from the Agricultural College at Pullman will meet them on the Whitman grounds. The Whitman boys have not lost a game so far, having played the University of Washington, the University of Oregon and the University of Idaho. The closing game of the series will be that with the farmers and the missionaries are confident of success.
