SCOURING MILL DEFEATED BY WASCO FOOTBALL MEN.

Opponents Were Too Heavy for the Boys From Pendleton—Play in The Dalles Today Against Even Heavier People.

Wasco, Nov. 30.—Wasco defeated the Pendleton scouring mill team at football in a score of 11 to 0. The visitors put up a game of good defensive football, but were outweighed by their opponents by 10 pounds to the man. The greater beef of the home team proved more than the very fair team work of the wool scourers could overcome, with the result that they were somewhat battered up when the game ended. None of the players were out at any time in the game, but the Pendleton contingent go to The Dalles in not very good condition to resist the savage onslaughts they may expect there. Anderson, of the Pendletons, put up his usually fine article of play, and was the strongest feature of their work.

IS THE QUESTION SETTLED?

QUESTION AS TO THE COLLEGE CHAMPIONSHIP

Whitman Won Three and Pullman Three, With the Latter One Point Behind in the Totals—Some Football People Think Whitman and Pullman Should Play a "Rubber."

The question just now in local football circles is regarding the championship of the north coast colleges, which was struggled for by Whitman and Pullman Agricultural College on Thanksgiving Day at Walla Walla. Of the series that has been played on the north coast, it was to be decisive. Up to that time the Universities of Oregon, Idaho and Washington, and Whitman and Pullman had played, and Whitman was ahead. The winning of Pullman on Thursday placed the two teams on a tie as to number of games won, but, when the total number of points scored was taken into account, it was found that Pullman had one more to her credit than Whitman had, hence it was announced in the East Oregonian of Friday that Pullman was the champion.

Some of the men here who give attention to football, think that Whitman and Pullman should play another game, to decide the championship, and that number of games and not points won, counts in deciding this question.

Whitman Was Crippled.

Whitman was crippled according to advices received by this paper. Captain Arthur Hauerbach was laid up with a knee cap in bad condition. Johnson, the quarter-back, submitted to an operation last week Tuesday. Kercher, the big 210-pound guard, was also laid up with a partially broken leg. It was with these three star players out of the field, that Whitman went against Pullman last Thursday, and that is why the Washington farmers won the game and perhaps the championship.

Hauerbach's Injury.

In a letter to a member of the East Oregonian staff, Otto A. Hauerbach, of the Whitman faculty, a brother of Arthur Hauerbach, states that the injured man is still in bed, although he is not so very still, either, when he heard the football crowds yelling on the campus near the dormitory. The physicians think that he will recover the full use of the leg that was hurt, and of which the knee cap was strained. There is now no danger of any permanent effects from the injury.

VARIOUS FOOTBALL GAMES.

Played in Oregon and Washington on Thanksgiving Day.

At Seattle the University of Washington eleven scored a decisive victory over the team of the University of Idaho, on the local gridiron, the score at the close of the game standing 19 to 0 in favor of the home aggregation. Washington out classed the visitors at every point, its combination work being almost perfect. The chief system of attack was the delayed pass. Idaho put up a desperate battle from the beginning to the end, but could not withstand the fierce onslaughts of the local players.

At Monmouth, the Oregon Agricultural college and the Oregon state Normal School elevens met on the campus on Thursday, and a clean, hard fought game of football resulted in favor of Monmouth by a score of 36 to 0.

At Corvallis the second eleven of the Oregon Agricultural college defeated Willamette University in football here on Thursday by a score of 17 to 8.

At Eugene, the Eugene high school defeated the Roseburg high school Thursday by a score of 32 to 0. There was a good attendance.

At Centralia, the Centralia high school football team defeated the Olympia high school team on Thursday by a score of 41 to 0.

At the Dalles the Dalles high school football eleven defeated the Portland high school by a score of 12 to 0.

At Astoria, the football game between the Astoria eleven and an eleven

from among the enlisted men at Fort Stevens was won by the former with a score of 20 to 0.

At North Yakima the football game between the Walla Walla and North Yakima high school teams resulted in a score of 29 to 0 in favor of the visitors.

At Forest City, Or., the Pacific University eleven overwhelmingly defeated the Hill Military Academy by a score of 29 to 0. The halves were of 15 minutes' duration. The University goal was never in danger.

Life is Growing Longer.

From statistics and the results of certain changes in the methods of living, it has been proven that the span of life is being lengthened. We are justified in believing this when we consider the great advances made in medicine during the past fifty years. The most noteworthy of them being Hostetter's Stomach Bitters, the old reliable remedy for all ailments of the stomach, liver and bowels. It cures dyspepsia, indigestion, constipation, headache, sour stomach, belching, heartburn and nervousness. It is the best medicine in the world for run down systems, and has a record of fifty years of cures. Women should also try it, as it will certainly do them good. Our Private Use Stamp is over the neck of the bottle.

AN OPEN LETTER

Addressed to Women by the Treasurer of the W.C.T.U. of Kansas City, Mrs. E. C. Smith.

"MY DEAR SISTERS:—I believe in advocating and upholding everything that will lift up and help women, and but little use appears all knowledge and learning if you have not the health to enjoy it.

"Having found by personal experience that Lydia E. Pinkham's Vegetable Compound is a medicine of rare virtue, and having seen dozens of cures where my suffering sisters have been dragged back to life and usefulness from an untimely grave simply by the use of a few bottles of that Compound, I must proclaim its virtues, or I should not be doing my duty to suffering mothers and dragged-out housekeepers.

"Dear Sister, is your health poor, do you feel worn out and used up, especially do you have any of the troubles which beset our sex, take my advice; let the doctors alone, try Lydia E. Pinkham's Vegetable Compound; it is better than any and all doctors, for it cures and they do not."—Mrs. E. C. SMITH, 1212 Oak St., Treasurer W. C. T. U., Kansas City, Mo.

MRS. E. C. SMITH.

What is left for the women of America after reading such a letter as the above, but to believe. Don't some of you who are sick and miserable feel how wicked you are to remain so, making life a burden for yourself and your friends when a cure is easily and inexpensively obtained? Don't you think it would pay to drop some of your old prejudices as Mrs. Smith says, and "Try Lydia E. Pinkham's Vegetable Compound, which is better than all the doctors for cures?" Surely, the experience of hundreds of thousands of women whom the Compound has cured should convince all women of the wisdom of taking the advice that Mrs. Smith offers in her letter above published.

Read What Mrs. Burnham says:

"DEAR MRS. PINKHAM:—Words fail to express how thankful I am to you for your advice, and I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound. I was sick for three years with female weakness; I had dizzy spells, headache, backache, feet and hands were cold all the time, would get tired and faint very easy. I also had dropsy and was troubled with leucorrhoea. I suffered for two weeks before each menstrual period and my ovaries would swell very badly. I took lots of medicines from doctors, but received no benefit. To please my husband I tried Lydia E. Pinkham's Vegetable Compound, and I am now a well woman, and your Compound alone did it."—Mrs. H. W. BURNHAM, Russell, Mich. (Jan. 31, 1901).

Follow the record of this medicine, and remember that these thousands of cures of women whose letters are constantly printed in this paper were not brought about by "something else," but by Lydia E. Pinkham's Vegetable Compound, the great Woman's Remedy for Woman's Ills.

Those women who refuse to accept anything else are rewarded a hundred thousand times, for they get what they want—a cure. Moral—Stick to the medicine that you know is best. Write to Mrs. Pinkham for advice.

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find the above testimonial letters are not genuine, or were published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.
