SOCIAL NOTES OF THE WEEK

IN THE PENDLETON AMUSEMENT WORLD.

Events of the Past Week and Several Affairs That Are to Come in the Near Future.

It is now becoming the time of year when social life in Pendleton will be more active and there will be more amusement in the social realm than during the summer season. Now that winter time is here, and the evenings are growing long and there is less of active outdoor life, it is necessary that something be done to amuse and keep up an interest in surroundings.

Degree of Pocahontas.
 Monday evening the Degree of Pocahontas amused themselves, after the usual routine work of the order, in dancing until a late hour, when a bountiful repast was spread. The music was furnished by Kirkman's orchestra.

Integrity's Smoker.
 Wednesday evening Integrity Lodge No. 92, I. O. O. F. had what they pleased to term a "smoker" after the work of the order was finished. They had a very sociable time all among themselves, and were reluctant to break ranks when they realized that the clock hands had far passed the hour of midnight.

Artisans' Dance.
 Alpha Assembly, No. 9, United Artisans, gave a dance in the LaDow hall Thursday night. There were about 75 couples present, and all report having had an excellent time. The dance was a success both socially and financially. Music was furnished by Kirkman's orchestra and was one of the features of the evening.

Epworth League Social.
 The young people of the Epworth League gave a social at the home of Mr. and Mrs. W. T. Rigby, on Thompson street, between Court and Alta, last night. A short program was rendered consisting of piano solos, readings and recitations. Refreshments were served. All report having had a pleasant time.

Young Men's Party.
 An event towards which many people are looking with pleasurable anticipations, is the party to be given at LaDow Music Hall on the evening of Thursday, December 5, the coming week. The invitations bear the names as hosts of Messrs. Lawrence G. Frazier, Charles J. Ferguson, Elmer P. Dodd, Roscoe S. Bryson, George A. Hartman, Jr., Harry A. Thompson, Roy W. Riltner, Charles Bond, Eldred R. Waffle, Robert Starkweather, Fred W. Lampkin, Guy W. Wade, and the invitation cards say that dancing and cards will form the evening's amusements.

Young Folks' Dancing Club.
 Among the social events for the future is the dance next Friday evening by the young set who have formed themselves into a Young Folks' Dancing Club, for the purpose of breaking the monotony of regular every day events and helping to while away some of the long winter evenings. They will continue these dances every other Friday night during the winter, and have engaged the LaDow hall to hold them in and Kirkman's orchestra to furnish music. The first dance, Friday night, is for everybody, and thereafter invitations will be sent out. Andrew Anderson has been selected as president of the club; Thomas Marley, secretary and treasurer, and Ed Dupuis floor manager.

CAME FROM MISSOURI.
 Several Families Looking Up Locations on the Coast.
 Mr. and Mrs. H. F. Harrah uncle and aunt of W. W. Harrah, a farmer near Pendleton, arrived this morning from Gallatin, Mo. They are accompanied by two sons-in-law and their families and expect to make their home either in Oregon or Washington. They will stop here for a few days and then go to Garfield, Wash., to visit other relatives and look over that part of the country for a suitable location. If that does not suit them, they may return and locate in this vicinity.

NOTES FROM HELIX.
 Successful Basket Social Held on Thanksgiving Evening.
 Helix, Nov. 30.—Bert McFerron's baby is very low at this writing.
 The basket social held here Thursday evening, was a success in every respect, and \$26.70 was secured for the baskets sold, which goes toward buying books for a school library.
 A temperance lecture by Mr. Morely will be delivered in the Baptist church Saturday evening, Nov. 30. The Hypodolite Male quartet will accompany him. This will be a treat for the Helixites.

Deafness Cannot be Cured
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional medicine. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; time cases out of this are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give one hundred dollars for any case of deafness cured by our medicine. Send for circulars. Sold by J. C. CHESEBROUGH & CO., Boston, U. S. A.
