F. W. McREYNOLDS, OF UKIAH,
 COUNSELS MAKING A ROAD.

Says Susanville, Or., Would Come
 Here for Shipments, While Supplies
 Would Go From Pendleton to the
 Mines.

F. W. McReynolds, who is in the
 city from his home in Ukiah, drives
 another nail in the coffin of the story
 recently published in the Evening
 Telegram, to the effect that there was
 an "organized band" of cattle rustlers
 in the interior of the John Day country
 that were making life a burden to
 the small stockmen and virtually
 driving them out of business. He said
 in part:

"There is no organized band of cat-
 tle rustlers in any part of that coun-
 try that I know of, and I am very well
 acquainted with most of the stockmen
 from all over the country. If such
 were the case, I would know it. I
 have talked with many stockmen, and
 all say that there is no ground to
 warrant the statement that was made
 by the writer of the article referred
 to."

About the Oriental mine Mr. McRey-
 nolds said: "This property now has
 20 men at work on it and the company
 have purchased a saw mill and are ar-
 ranging to build a flume to carry
 water from the north fork of the John
 Day river to the mine, at an estimated
 cost of \$7000 per mile. The company
 now owns 10 miles of the river along
 where they are to take out this water.
 The mine is making a good showing
 and promises to be one of the richest
 placer diggings in the country."

The Susanville Road Matter.
 "The Susanville mine is also show-
 ing up good values and the only draw-
 back to this property now is the trans-
 portation facilities. If a good wagon
 road were built from Pendleton to this
 camp, not only would the ore be
 freighted out here for shipment to
 the smelter at San Francisco, but all
 the supplies for the camp would come
 from here. This would be a great sav-
 ing to the owners of the mines, as
 the cost of hauling between the two
 places would be comparatively the
 same. The ore can be shipped from
 here to the smelter at a cost of \$5 a
 ton, while it costs \$9 from Sumpter.
 There is now a very good road from
 here to the line of Grant county, and
 it could be built from there to Susan-
 ville at a small cost. The road would
 not pass through such a rough coun-
 try, as the other way the outlet,
 though some farther, would be much
 easier. This would work a double
 benefit for Pendleton. The freighters
 would come out with ore and return
 with supplies for the camp, thus giv-
 ing the business men their entire
 trade, which promises to be a good
 one."

Stock Conditions.
 When asked about stock conditions
 in that country, Mr. McReynolds said:
 "Most of the cattle men of that coun-
 try winter their stock north of Pen-
 denton where straw can be had cheap
 and they are all out now, with the
 exception of a few who have hay to
 winter them on. The tame hay crop
 was short this year, there only being
 something like half a crop and only
 an average crop of wild hay, so that
 there are not so many cattle being
 wintered at home as usual. It costs
 from 50 to 75 cents per head per
 month to winter the stock out here."
 He also stated that the creamery at
 Ukiah had closed down for the winter,
 owing to the shortage of milk in the
 severe weather. There is two inches
 of snow there now and on the summit
 much more.

EAST OREGONIAN'S BARGAIN
 DAY OFFER PLEASES ATHENA.

People There Are Going to Take Ad-
 vantage of the Opportunity to Get
 Special Prices.

Athena, Dec. 12.—Expressions have
 been made by many Athena people to
 the effect that they will take advan-
 tage of the East Oregonian's bargain
 day on December 28, and some in sub-
 scriptions. They seem to favor the
 popular \$5 price for a year's subscrip-
 tion to the daily, to be obtained on
 that date. The novelty of a newspa-
 per bargain day, taken in connection
 with the extremely low price at which
 the paper is offered, strikes everyone
 as unique and at the same time sub-
 stantial.

Will Raise Fine Cattle.

Athena, Dec. 11.—Harry Krebs, a
 prominent and substantial farmer re-
 siding near Adams, was in town Wed-
 nesday, and told of a fine herd of cat-
 tle he is improving by the introduc-
 tion of new blood. Mr. Krebs recently
 returned from Hudson Bay, where he
 purchased from the famous W. S.
 Goodman short-horn herd, a registered
 bull calf, for which he paid \$75. Mr.
 Krebs will place this animal at the
 head of his Holstein herd, believing
 the cross will prove to be a paying
 experiment.

They Rush Business.

Athena, Dec. 12.—A. L. Wakefield,
 of the firm of Wakefield & Failing,
 Pendleton piano dealers, came over
 from Helix Wednesday and spent the
 day in Athena. Evidently this is a
 firm with requisite push. Out in the
 Helix country, Mr. Wakefield sold new
 pianos to the following well-known
 people: F. M. Lockwood, Mrs. J. L.

Killian, Frank Richmond, Mr. Broth-
 erton and J. F. Hill. He disposed of
 these instruments in the face of hot
 competition by a Walla Walla firm.

Cartano Will Return.

Athena, Dec. 12.—Baseball enthusi-
 asts here are pleased to learn that
 Bert Cartano, the big lad who held
 down second base for the "Yellow
 Kids" last season, will return from
 his Iowa home to Athena in the near
 future. Mr. Cartano left for Iowa
 some weeks ago, at the announcement
 of his father's serious illness, and at
 the time did not know whether or
 not he would return.

Athena Ships Popcorn.

Athena, Dec. 12.—A sample carload
 of popcorn grown on the Charles
 Hamilton place, is being delivered to
 the Athena Flouring Mill company,
 preparatory to shipment to Portland
 or San Francisco. This is the first car
 to be shipped out of this country, and
 is more as an experiment than any-
 thing else. Considerable interest is
 being taken in the raising of this com-
 modity hereabouts, and both varieties,
 the red and white, are being grown.

Athena Notes.

Wheat touched the long-looked-for
 50 cent mark in Athena Saturday, and
 the oft repeated prophecy that large
 sales would be made at that figure
 seems to have fallen short. No exces-
 sively large sales occurred.

David Henry, the new manager for
 the Pacific Coast Elevator company,
 at this place, will soon move his fam-
 ily up from Adams.

John Vert came up from Pendleton
 Sunday and was a guest at the Ma-
 nasse home in this city.

C. O. Henry, a prominent Knight of
 Pythias, was in Pendleton Saturday,
 on business connected with the order.

J. N. B. Gerking, a prominent farmer
 and stockman, returned Wednesday
 from Tacoma and Portland.

A large number of Athena Wood-
 men will attend the big meeting of
 that order in Walla Walla, December
 16.

Popcorn raised on Athena farms, is
 gaining a wide reputation. Several
 tons are stored here awaiting ship-
 ment.

America's Greatest Railroad.

America is the possessor of the best
 railroads in the world, and while this
 may seem a broad statement, it is ab-
 solutely true. Such rank can only be
 gained by establishing a system that
 stands for perfection. This is also
 true about medicine. About fifty
 years ago a remedy was first in-
 troduced for stomach, liver and bow-
 el complaints, and during those
 years has been recognized as the lim-
 it of science in presenting a perfect
 medicine. We refer to Hostetter's
 Stomach Bitters. When your stom-
 ach becomes deranged, and you suf-
 fer from indigestion, dyspepsia, flat-
 ulency, nervousness or insomnia, you
 will make no mistake in trying this
 sovereign remedy. It will strengthen
 your stomach, purify the blood and
 prevent malaria, fever and ague. It
 will surely do you good. Avoid sub-
 stitutes.

Degree of Honor Organized.

Dayton, Wash., Dec. 12.—M. S. M. E.
 Beach, of Palouse, Wash., has been in
 the city for several days organizing a
 lodge of the Degree of Honor among
 the United Workmen and their fam-
 ilies. Mrs. Beach has succeeded in
 getting together about 50 ladies and
 gentlemen who will organize a lively
 lodge.

At bedtime I take a pleasant herb
 drink, the next morning I feel bright
 and my complexion is better. My
 doctor says it acts gently on the
 stomach, liver and kidneys, and is a
 pleasant laxative. It is made from
 herbs, and is prepared as easily as
 tea. It is called Lane's Medicine.
 Lane's Family Medicine moves the
 bowels each day. Price 25c and 50c.
