FOR THE PAST TWELVE YEARS

We have enjoyed the reputation of doing the most extensive Cash Retail Business of any House in the Northwest. We do not attribute this to luck or any extraordinary ability, but simply that our way of doing Business appears to be the Correct way.

One of the Points about which we are Most Particular is to furnish the very best quality of Merchandise and sell at a lower price than others sold for "If you find that you could have done better you can get your money back any time;" that's the broadest guarantee in the world. Read these exceptional prices, bring all your knowledge of quality to the store tomorrow and you'll find these values uncomparably great.
