## WORLD'S CHAMPION

THE BIG BRUISER, JIM  
JEFFRIES, IN PENDLETON.

Seen at the Train as He Passed  
Through to Salt Lake—Looking for  
Trouble.

James J. Jeffries, the champion  
heavy-weight pugilist of the world,  
with his brother, Jack Jeffries, Man-  
ager Billy Delaney and Anthony  
Green, passed through Pendleton yester-  
day evening en route to Salt Lake  
City, where the party will rest for a  
day and from there they will go to  
Denver, Chicago, St. Louis, St. Paul  
and stop at many other places before  
returning to New York.

They were on their way from Spo-  
kane, where 500 people were assem-  
bled in the Elks' hall Thursday night  
to see the big fighter and his brother  
give an exhibition of his skill in the  
ring. For 10 minutes his brother Jack  
a burly wreath of 170 pounds, vainly  
swung, jabbed and punched in an ef-  
fort to strike the big fellow. On his  
part, Jeffries gave an exhibition of  
foot work and backing of a class se-  
dom seen there. The exhibition end-  
ed in a chorus of cheers and applause  
for the champion.

The champion and his party only  
spent a few minutes here between  
trains last evening. They had not  
more than alighted from the Spokane  
train until whispers began to go  
around through the crowd gathered  
on the platform at the depot that the  
world's heavy-weight was there, and  
many curious glances were cast at  
him and his brother, who look very  
much alike. Being dark, the crowd  
could not tell which was which.

Offered to Stop Here.

They both appeared good-natured,  
fellow and treated all who, through  
curiosity or otherwise, ventured to  
shake hands with them, with courtesy.  
One hearty grasp of Jeff's big hand  
is enough to satisfy one that he is  
a good fellow.

The big champion manifested con-  
siderable interest in Pendleton, ask-  
ing what kind of a town it was, how  
large, etc., and said that, if there was  
anyone here who was aspiring to na-  
tional honors in the prize ring, he  
would be pleased to stop off and give  
him a chance to win those honors.  
No one who saw the big fellow came  
to the front, so he said he could not  
afford to stop.

When asked what was the object of  
this tour through the west, Jeff re-  
plied with one of his good-natured  
laughs, that he was looking for  
trouble and said that he was anxious  
to fight somebody.

Manager Delaney said they expect-  
ed to reach New York about the 26th,  
where an effort would be made to  
match Jeffries and "Lanky Bob" Fitz-  
simmons. This, however, he said, he  
thought could not be done, as Bob was  
afraid to "go up against" the world's  
champion.

HOME FOOTBALL TEAMS  
ARE PLAYING TODAY.

Are in La Grande and Walla Walla  
Against High School Aggregations  
in Place—Hope for Success.

Pendleton Academy and High  
School football teams are this after-  
noon struggling on the fields of Walla  
Walla and La Grande, respectively,  
and they want hoping for success.  
This is not to say that they indulge in  
any boasting, but merely thought  
they were in condition to hold down  
the teams of those towns. Scores are  
not obtainable this afternoon.

In Walla Walla.  
Walla Walla, Dec. 14.—A day of  
good weather was given for the game  
here today, between Pendleton High  
School and the Walla Walla High  
School. Both teams were confident,  
and the attendance was good.

In La Grande.  
La Grande, Dec. 14.—The home foot-  
ball team are determined to win to-  
day, if possible, and the visitors are  
equally anxious. The day was good,  
and the interest general, bringing out  
a large attendance.

THE LIVE BIRD SHOOT  
TOMORROW MORNING.

Shooters Will Compete Locally—  
Seven Birds to the Man—\$5 En-  
trance, Birds Extra.

Tomorrow morning, at 10 o'clock,  
the members of the Pendleton Sports-  
men's Association, will gather at the  
ranges south from town and take part  
in the live bird shoot. The conditions  
are: Seven birds to the man; \$5 en-  
trance; birds extra. The association  
has on hand plenty of birds, and hopes  
to have about nine or ten men in the  
competition.

ANOTHER WONDER OF SCIENCE.

Biology Has Proved that Dandruff is  
Caused by a Germ.

Science is doing wonders these days  
in medicine as well as in mechanics.  
Since Adam delved the human race  
has been troubled with dandruff, for  
which no hair preparation has hereto-  
fore proved a successful cure until  
Newbro's Herculicide was put on the  
market. It is a scientific preparation  
that kills the germ that makes dan-  
druff or scurf by digging into the  
scalp to get at the roots of the hair,  
where it saps the vitality, causing  
itching scalp, falling hair and finally  
baldness. Without dandruff hair must  
grow luxuriantly. Herculicide at all  
drugists. It is the only destroyer of  
dandruff.

## THE WALLA WALLA BRUTE

A DRUNKEN HUSBAND MAKES  
HIS WIFE CALL THE POLICE.

He Remains Now in Jail, Unable to  
Procure Bonds From His Friends,  
to Keep the Peace.

Walla Walla, Dec. 14.—J. B. Hew-  
lett, a painter, is in the county jail,  
being unable to furnish bond in the  
sum of \$500 to keep the peace. Hew-  
lett was arrested Thursday night at a  
late hour on complaint of his wife  
that he was trying to kill her. The  
police took him in, and yesterday Jus-  
tice Glassford held him as above stat-  
ed, after an examination. Hewlett  
was drinking heavily Thursday and  
went home in a quarrelsome mood. He  
broke up a lot of furniture and did  
other unfatherly things, when in self-  
protection, the wife telephoned for  
the police. It is very doubtful if Hew-  
lett can give the necessary bond, and  
he will remain in jail for the present.

America's Greatest Raidway.

America is the possessor of the best  
raidoards in the world, and while this  
may seem a broad statement, it is ab-  
solutely true. Such rank can only be  
gained by establishing a system that  
stands for perfection. This is also  
true about medicine. About fifty  
fifty years ago a remedy was first in-  
troduced for stomach, liver and bow-  
el complaints, and during those  
years has been recognized as the lin-  
chpin of science in presenting a perfect  
medicine. We refer to Hostetter's  
Stomach Bitters. When your stom-  
ach becomes deranged, and you suf-  
fer from indigestion, dyspepsia, flatu-  
lency, nervousness or insomnia, you  
will make no mistake in trying this  
sovereign remedy. It will strengthen  
your stomach, purify the blood and  
prevent malaria, fever and ague. It  
will surely do you good. Avoid sub-  
stitutes.

A Raging, Roaring Flood.

Washed down a telegraph line  
which Charles C. Ellis, of Lisbon, Ia.,  
had to repair. "Standing waist deep  
in icy water," he writes, "gave me a  
terrible cold and cough. It grew worse  
daily. Finally the best doctors in  
Oakland, Neb., Sioux City and Omaha,  
said I had consumption and could not  
live. Then I began using Dr. King's  
New Discovery and was wholly cured  
by six bottles." Positively guaranteed  
for coughs, colds and all throat and  
lung troubles by Tallman & Co. Price  
50c.
