THE NEW YORK WORLD.

The Most Widely Read Newspaper
in America.

Time has demonstrated that the Thrice-a-Week World stands alone in its class. Other papers have imitated its form but not its success. This is because it tells all the new all the time and tells it impartially, whether that news be political or otherwise. It is in fact almost a daily at the price of a weekly and you cannot afford to be without it.

Republican and democrat alike can read the Thrice-a-Week World with absolute confidence in its truth.

In addition to news it publishes first-class serial stories and other features suited to the home and fire-side.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year and this pays for 156 papers. We offer this unequalled newspaper and the weekly East Oregonian together for \$2.50.

TWO YOUNG MEN ACCUSED OF A SERIOUS CRIME.

William Irons and Harry Boyd, of Milton, Answer Charge of Ruining a Girl.

Walla Walla, Dec. 21.—At Milton, Or., warrants have been issued for William Irons and Harry Boyd, two young men, charged with ruining the 13-year-old daughter of P. H. Wilson, a farmer of that place. Mr. Wilson and his daughter are in this city, the girl being in a hospital suffering from the effects of a probable attempted abortion, with hopes of recovery.

Boyd and Irons are well known in the vicinity of Milton, where they have resided for a number of years. The Wilson girl is an orphan, her mother having died several years ago, since which time she has kept house for her father and kept the family together. The attentions of the two young men have been given the girl recently, in the absence of the father, and a few days ago she became quite ill suddenly. An investigation showed the above to be the facts, the girl being removed to a hospital in this city, and warrants were issued for the men. Irons was arrested, but Boyd had fled before the alarm had been given.
