LEGAL SEPARATIONS

MRS. GILLETTE GETS HER THIRD DIVORCE.

Judge Ellis Granted the Decree on Saturday Afternoon.

Divorce from the same man three times, is the romantic history of Mary E. Gillette, whom Judge Ellis gave legal separation from Morillo H. Gillette Saturday afternoon. These people have the most unique record in matrimonial history of any couple in Umatilla county, and probably in many counties. Nineteen years ago, Mrs. Gillette was Miss Mary E. Stransbury, and lived with her parents near Pilot Rock. She married Morillo H. Gillette and they lived together 17 years. Not all this time, however, did their domestic affairs run smoothly, for they were both of a jealous disposition and several times during these years did Mrs. Gillette leave her lord and master and go to the outstretched arms of her mother, vowing that she had lost faith in mankind in general and Mr. Gillette in particular. These periodical separations did not last long. She would tire of staying with mother and long for the domestic fireside with her lawful spouse. This separating and making up was kept up until 1896, when Mary concluded that she wanted legal separation from Mr. Gillette, and applied for divorce. This was granted and it was not long until they were on good terms again.

The result was a trip to town and a remarriage. This second experiment in the lottery of marriage was no more successful than the first, and it was not long until Mary was seeking another annulment of the marriage. This has been repeated until they now have the record of three marriages and the intervention of an obliging court which has granted them as many divorces.

Mr. and Mrs. Gillette have accumulated considerable property and own a farm six miles southeast of Pendleton. Mrs. Gillette gets \$3000 in lieu of her interests in the property, and the custody of their only child, a boy of 15 summers.

Now people are wondering if they will tire of living separate and further spring the record to another marriage which will make another divorce case possible.

Another Marriage Annulled.

Judge Ellis has annulled the marriage of Robert Baumgart to Mary Decevel. They are residents of Vinson and were married in September, 1900. Complaint for decree was filed September 27, 1901, and alleges that Robert Baumgart, plaintiff, was a minor, only being 17 years of age when married, and that defendant was 26. The license was issued without the consent of the parents of the young man and on this ground the marriage was annulled.

These Want Separation.

Suit was filed with County Clerk Chamberlain Saturday evening by Bean & Lowell, attorneys, for Mrs. Laura A. Blanchet, asking the court to annul the marriage bonds now existing between herself and Joseph Blanchet.

They were married in Pendleton in May, 1900, and the complaint alleges that soon after their marriage defendant commenced a course of "cruel and inhuman treatment, making life burdensome for her." She says that he would "curse and call her vile names in the presence of others, and at one time, when she was in poor health, defendant, without cause or provocation, became angry and in a rude and violent manner cursed plaintiff, shook his fist in her face and threatened to "smash her damned face," and for many days thereafter defendant refused to let plaintiff wait on him or would not speak to her, except to tell her he had "had enough of her," and wanted to get rid of her. In February, 1900, defendant gave plaintiff a check for \$20, telling her to go, and since has compelled her to live apart from him and support herself.

Plaintiff also alleges in her complaint that defendant has "real estate and property in Umatilla county to the value of \$2500, and that the court grant her an undivided one-third interest in the personal property, with \$150 attorney's fees and cost of this suit. They have no children.

MONEY PAID TO KILLERS OF COYOTES IS GREAT.

County Clerk Receives Many Claims and the Expense is Heavy.

Somebody is making money out of coyote scalps. This assertion is made because the records of Umatilla county show that \$6300 has been paid out for the scalps of those beasts since the 28th day of March, when the new law for coyotes went into effect.

Although there is hardly a day that more or less scalps are not brought in, the county clerk is not flooded with them as during the spring months, when the young ones were slain, swelling the bounty expense materially. There were many men who did nothing during the spring months but watch the old coyotes, in the country south of here where they are thick, find their dens, dig out the little ones, bring the scalps to town and sell them to the county for \$2 each. And it is said that some of these scalps are brought from adjoining counties, unscrupulous people taking advantage of the bounty law to defraud the county out of the taxpayers' money. However that may be, it would seem that after nearly 4000 coyotes had been killed, it would

thin them a little, but this does not seem to be the case. Here is what John Kearney, a prominent farmer of Ridge, 30 miles south of Pendleton, who was in town Saturday, said:

"Coyotes are as numerous as ever. If a man carries a gun he could kill them constantly. Paying of bounties does not seem to have made them less in the south country."

Knowing this, the tax-payers are wondering if their money paid out for coyote scalps accomplishes the good it was designed to accomplish.

White Man Turned Yellow.

Great consternation was felt by the friends of M. A. Hogarty, of Lexington, Ky., when they saw he was turning yellow. His skin slowly changed color, also his eyes, and he suffered terribly. His malady was yellow jaundice. He was treated by the best doctors, but without benefit. Then he was advised to try Electric Bitters, the wonderful stomach and liver remedy, and he writes: "After taking two bottles I was wholly cured." A trial proves its matchless merit for all stomach, liver and kidney troubles. Only 25c. Sold by Tallman & Co., druggists.

GONE TO ASYLUM.

Henry Shorter Adjudged Insane by The County Authorities.

Henry Shorter, colored, who was arrested a few days ago in a daff condition, was adjudged insane Saturday and ordered taken to the insane asylum. Shorter was a harmless boot black, who has been in the city for a number of years and, while his condition is not serious and he has no particular hobby, he is a confirmed drunkard and seems to have no memory of time or things. He is 45 years of age and without friends. Deputy Sheriff Joseph Blakely left with him for Salem yesterday.
