THE NEW YORK WORLD.

The Most Widely Read Newspaper
in America.

Time has demonstrated that the
Thrice-a-Week World stands alone in
its class. Other papers have imitated
its form but not its success. This
is because it tells all the new all
the time and tells it impartially,
whether that news be political or oth-
erwise. It is in fact almost a daily
at the price of a weekly and you can-
not afford to be without it.

Republican and democrat alike can
read the Thrice-a-Week World with
absolute confidence in its truth.

In addition to news it publishes
first-class serial stories and other
features suited to the home and fire-
side.

The Thrice-a-Week World's regular
subscription price is only \$1.00 per
year and this pays for 156 papers.
We offer this unequalled newspaper
and the weekly East Oregonian to-
gether for \$2.25.

Turkeys, ducks, chickens and geese,

REVERE A FOUNDER

MORMONS REVERE MEMORY
OF PROPHET JOSEPH SMITH.

Wherever Latter Day Saints Are
They Revere His Life and Works
Today.

Salt Lake City, Dec. 23.—Wherever
there are Mormons today has been
celebrated and in a number of instan-
ces the festivities have entirely taken
the place of the celebration two days
hence by Christendom. December 23
is Joseph Smith's birthday anniversary,
and the observance of it and of
Brigham Young's birthday June 1, are
official holidays of the Mormon
church. The exercises at the different
meeting houses today were similar to
the customary Christmas celebra-
tions, except for the lack of trees or
gifts. There was a great deal of mu-
sic and discourses on Joseph Smith
were a feature. The story was told
of his birth in 1805 in a lowly farm
house at Sharon, Windsor county, Vt.,
his discovery of the sacred plates,
the story of his subsequent career,
in which he founded the Mormon re-
ligion, and his tragic death in Illinois.

Although there will be no church
celebration of Christmas, the various
Mormon families will observe it by
reunions and the exchange of gifts
like the members of other denomina-
tions.
